ASSIGNMENT OF SECURITY INTEREST IN UNITED STATES PATENTS AND TRADEMARKS

This ASSIGNMENT OF SECURITY INTEREST IN UNITED STATES PATENTS AND TRADEMARKS (this “**Agreement**”), dated as of January 2, 2024, is made by and between CAMPUS COOKS, LLC, an Illinois limited liability company (the “**Loan Party**”), and KEYBANK NATIONAL ASSOCIATION, a national banking association (the “**Lender**”).

A. The Loan Party is party to the Credit and Security Agreement, dated as of December 12, 2022 (as amended by the First Amendment to Credit and Security Agreement, dated September 30, 2023, as further amended by the Consent, Joinder and Second Amendment to Credit and Security Agreement, dated as of the date hereof, and as may be further amended, restated, amended and restated, modified or otherwise supplemented from time to time, the “**Credit Agreement**”), pursuant to which the Lender has agreed to make certain loans or other extensions of credit or financial accommodations to the Borrower (as defined in the Credit Agreement) on the terms and subject to the conditions set forth therein.

B. Pursuant to the Credit Agreement, the Loan Party has granted to Lender a security interest in substantially all of the Loan Party’s present and future assets, including the Collateral identified below. To secure the Obligations and to supplement Lender’s security interest in such intellectual property pursuant to the Credit Agreement, the Loan Party is executing and delivering this Agreement.

Accordingly, the parties hereto agree as follows:

1. Definitions. All capitalized terms used in this Agreement (including in the preamble and recitals hereof) and not otherwise defined herein shall have the meanings given in the Credit Agreement.

2. Security Interest.

(a) Grant of Security Interest. As security for the payment and performance of the Obligations when due, the Loan Party hereby grants, assigns and conveys to the Lender a security interest in all of the Loan Party’s rights, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which the Loan Party now has or hereafter owns, acquires or develops an interest and wherever located, in each case other than Excluded Property (collectively, the “**Collateral**”):

(i) all United States federally registered or filed patents and patent applications, together with the goodwill of the business symbolized thereby, domestic or foreign, (including such patents and patent applications, as described in Schedule A), all rights to sue for past, present or future infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(ii) all United States federally registered or filed trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, together with the goodwill of the business symbolized thereby, (including such marks, names and applications as described in Schedule B), all rights to sue for past, present or

future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(iii) the entire goodwill of or associated with the businesses now or hereafter conducted by the Loan Party connected with the use of and symbolized by any of the aforementioned properties and assets;

(iv) all commercial tort claims associated with or arising out of any of the aforementioned properties and assets;

(v) all accounts, all intangible intellectual or other similar property and other general intangibles associated with or arising out of any of the aforementioned properties; and

(vi) all products, proceeds and supporting obligations of or with respect to any and all of the foregoing Collateral.

(b) Continuing Security Interest. The Loan Party agrees that this Agreement shall create a continuing security interest in the Collateral which shall remain in effect until terminated in accordance with the Credit Agreement.

3. Supplement to Credit Agreement. The terms and provisions of this Agreement are intended as a supplement to the terms and provisions of the Credit Agreement. The rights and remedies of the Lender with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference.

4. Authorization to Supplement. If the Loan Party shall obtain rights to any new trademarks, any new patentable inventions or becomes entitled to the benefit of any patent application or patent for any reissue, division, or continuation, of any patent, in each case other than with respect to Excluded Property, the provisions of this Agreement shall automatically apply thereto. Without limiting the Loan Party's obligations under this Section 4, the Loan Party authorizes the Lender to modify this Agreement by amending Schedules A or B to include any new patent or trademark rights other than with respect to Excluded Property. No failure to so amend Schedules A or B shall in any way affect, invalidate or detract from the Lender's continuing security interest in all Collateral, whether or not listed on Schedule A or B.

5. Further Acts. On a continuing basis, the Loan Party shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be reasonably requested by the Lender to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure the Loan Party's compliance with this Agreement or to enable the Lender to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with United States Patent and Trademark Office (the "PTO") and/or any applicable state office. The Lender may record this Agreement, an abstract thereof, or any other document describing the Lender's interest in the Collateral with the PTO, including any modification hereof as provided above, at the expense of the Loan Party.

6. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Loan Party and the Lender and their respective successors and assigns and shall bind any Person who becomes bound as a grantor under this Agreement.

7. Applicable Law. This Agreement, and the transactions evidenced hereby, shall be governed by, and construed under, the internal laws of the State of Colorado, without regard to principles of conflicts of law, as the same may from time to time be in effect, including, without limitation, the UCC.

8. Entire Agreement; Amendment. This Agreement, together with the terms of the Credit Agreement, contains the entire agreement of the parties with respect to the subject matter hereof and shall not be amended except by the parties as provided in the Credit Agreement.

9. Severability. The provisions of this Agreement are independent of, and separable from, each other, and no such provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other such provision may be invalid or unenforceable in whole or in part. If any provision of this Agreement is prohibited or unenforceable in any jurisdiction, such provision shall be ineffective in such jurisdiction only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability shall not invalidate the balance of such provision to the extent it is not prohibited or unenforceable nor render prohibited or unenforceable such provision in any other jurisdiction.

10. Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, and by the Lender and the Loan Party on separate counterparts, each of which, when so executed and delivered, shall be an original, but all of which shall together constitute one and the same Agreement. A counterpart hereof executed and delivered by facsimile or PDF shall be effective as an original for all applicable purposes.

11. Conflict of Terms. Except as otherwise explicitly provided in this Agreement, if any provision contained in this Agreement is in conflict with or inconsistent with any provision in the Credit Agreement, the provision contained in the Credit Agreement shall govern and control, to the extent of such conflict or inconsistency.
