Recitals

A. Company, Agent and Lenders are parties to an Amended and Restated Credit Agreement (as amended, supplemented or restated from time to time, the "Credit Agreement") dated as of December 2, 2016, setting forth the terms on which the Lenders have previously extended, or may now or hereafter extend, credit to or for the account of Borrower.

B. The Company executed and delivered to Agent (i) a Trademark Security Agreement dated December 27, 2012 and recorded on January 29, 2013 at Reel 4958, Frame 0783 (as amended of record from time to time hereinafter, the "Original Agreement") in favor of the Agent, pursuant to which the Company pledged, assigned and granted a security interest in certain Trademarks (as defined therein); (ii) a First Supplement to Trademark Security Agreement dated December 2, 2016, and recorded on December 2, 2016 at Reel 5933, Frame 0925 (as amended of record from time to time hereinafter, the "First Supplement"); (iii) a Second Supplement to Trademark Security Agreement, dated June 15, 2017, and recorded on June 16, 2017 at Reel 6085, Frame 0458 (as amended of record from time to time hereinafter, the "Second Supplement"), pursuant to which the Company pledged, assigned and granted to the Agent a security interest in certain Trademarks (as defined therein); (iv) a Third Supplement to Trademark Security Agreement dated December 18, 2018 and recorded on December 18, 2018 at Reel 6502, Frame 0805 (as amended of record from time to time hereinafter, the "Third Supplement"); and (v) a Fourth Supplement to Trademark Security Agreement dated December 8, 2020 and recorded on December 18, 2020 at Reel 7140, Frame 0453 (as amended of record from time to time hereinafter, the "Fourth Supplement").

C. As a condition to extending credit to or for the account of the Borrower, Agent has required the execution and delivery of this Agreement.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or that are not otherwise defined herein shall have the meanings given to them in the Credit Agreement. In addition, the following terms have the meanings set forth below:

"Security Interest" has the meaning given in Section 3.

"Trademarks" means all of Company's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit A.

2. Supplement Exhibit A to the Original Agreement is hereby supplemented, but not replaced, by Exhibit A annexed hereto.

3. Security Interest. Company hereby irrevocably pledges and assigns to, and grants Agent a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Trademarks to secure payment of the Obligations. As set forth in the Credit Agreement and the Guaranty and Collateral Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of Company. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

4. Credit and Security Agreement. The Security Interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Credit Agreement and the Guaranty and Collateral Agreement and Company hereby acknowledges and agrees that the rights and remedies of Agent with respect to the Security Interests made and granted hereby are more fully set forth in the Credit Agreement and the Guaranty and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, including, without limitation, all representations, warranties and covenants with respect to Trademarks.

5. Termination. This Agreement shall terminate and the Lien on the Security Interests shall be released upon the payment and performance in full of the Obligations (other than any outstanding indemnification obligations) pursuant to the terms of the Credit Agreement. Upon the termination of this Agreement, Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Borrower to evidence and record the release of the Lien on the Trademarks and Security Interests granted herein.

6. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

7. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

8. Ratification, Confirmation and Reaffirmation. Except as provided herein, all terms and conditions of the Original Agreement, First Supplement, Second Supplement, Third Supplement and Fourth Supplement remain in full force and effect. The Company hereby ratifies, confirms and reaffirms all of the representations, warranties and covenants contained therein.
