RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (this “*Release*”), dated as of January 2, 2024 (the “*Effective Date*”), is made by OAKTREE FUND ADMINISTRATION, LLC, as collateral agent (in such capacity, the “*Agent*”), in favor of MELISSA & DOUG, LLC, a Delaware limited liability company (the “*Grantor*”). All capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the IP Security Agreement (as defined below) (whether defined therein or by reference to another agreement).

WHEREAS, pursuant to that certain Security Agreement by and among the Grantor, the other grantors party thereto and the Agent, dated as of May 9, 2023 (as may have been amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to the date hereof, the “*Security Agreement*”), the Grantor executed and delivered an Intellectual Property Security Agreement, dated May 9, 2023 (the “*IP Security Agreement*”), which was recorded in the United States Patent and Trademark Office (“*USPTO*”) on May 10, 2023 at Reel/Frame 064103/0395 (with respect to patents) and at Reel/Frame 8067/0113 (with respect to trademarks), and in the United States Copyright Office (“*USCO*”) on May 29, 2023 at Volume 15015, Doc. No. 707;

WHEREAS, pursuant to the Security Agreement and the IP Security Agreement, the Grantor granted to the Agent, for the ratable benefit of the Secured Parties, a security interest (the “*Security Interest*”) in all of the Grantor’s right, title and interest in and to: (i) all patents, patent applications and utility models, all inventions and improvements claimed therein and the right to claim any inventions disclosed but unclaimed therein, including, without limitation, the patents and patent applications set forth in Schedule A hereto; (ii) all trademarks, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers, whether registered or unregistered, together, in each case, with the goodwill of the business connected with the use thereof and symbolized thereby, including, without limitation, the trademark and service mark registrations and applications set forth in Schedule B hereto; (iii) all copyrights, including, without limitation, copyrights in Computer Software, internet web sites and the content thereof, whether registered or unregistered, including, without limitation, the copyright registrations set forth in Schedule C hereto; (iv) all confidential and proprietary information (whether or not reduced to a writing or other tangible form), including, without limitation, know-how, trade secrets, manufacturing and production processes and techniques, inventions, research and development information, databases and data, including, without limitation, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans and customer and supplier lists and information, and all other intellectual, industrial and intangible property of any type, including, without limitation, industrial designs and mask works; (v) all registrations and applications for registration for any of the foregoing; (vi) all agreements, permits, consents, orders and franchises relating to the license, development, use or disclosure of any of the foregoing to which such Grantor then was or thereafter became a party or a beneficiary, including, without limitation, the agreements granting any exclusive right to the Grantor in or to any registered copyright set forth in Schedule D hereto; (vii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto; (viii) any and all claims for damages, other payments and/or injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages, payments or other relief and (ix) any and all Proceeds of, collateral for, income, royalties and other payments then or thereafter due and/or payable with respect to, and supporting obligations relating to, any and all of the foregoing, and, to the extent not otherwise included, all payments under insurance (whether or not the Agent was the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or

otherwise with respect to any of the foregoing; but excluding “intent-to-use” trademark applications and certain other assets as and to the extent set forth therein (clauses (i) through (ix), the “**IP Collateral**”); and

WHEREAS, the Grantor has requested the Agent to release the Security Interest in the IP Collateral.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby (i) terminates the IP Security Agreement, (ii) releases, discharges, terminates and cancels in its entirety the Security Interest in the IP Collateral and (iii) re-assigns to the Grantor, for the benefit of the Grantor, and its successors and assigns, any right, title or interest it may have in the IP Collateral, in each case without recourse to the Agent and without representation or warranty of any kind.

The Agent acknowledges that this Release may be filed along with any other necessary documentation with the USPTO, the USCO or any other governmental office to evidence the release granted herein. The Grantor, and any successor to such Grantor (including any person or entity hereafter holding any right, title or interest in or to the IP Collateral), or its or their legal representatives, is hereby authorized by Agent to record this Release in the USPTO and the USCO, as applicable, or any other governmental office.

This Release shall be governed by, and construed in accordance with, the laws of the State of New York. Delivery of an executed signature page by electronic transmission (e.g., “.pdf” or DocuSign) shall be as effective as a manually executed counterpart hereof.

[Signature Page Follows]

IN WITNESS WHEREOF, the Agent has caused this Release to be executed and delivered by its duly authorized representative as of the Effective Date.
