## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (the “**Assignment**”) is made and entered into as of December 31, 2023 (the “**Effective Date**”), by and between James Wan (“**Assignor**”) and AM AssetCo 1 LLC, a Delaware limited liability company (“**Assignee**”). Defined terms not specifically defined herein shall have the meanings ascribed to them in the Contribution Agreement, dated as of December 31, 2023 (the “**Contribution Agreement**”), by and between Assignor and Assignee.

WHEREAS, pursuant to the Contribution Agreement, Assignor has agreed to assign to Assignee certain trademarks and trademark applications as listed on Exhibit A to this Assignment (the “**Trademarks**”); and

WHEREAS, to effect the transfer of the Trademarks as contemplated in the Contribution Agreement, Assignor and Assignee desire to enter into this Assignment.

NOW, THEREFORE, in consideration of the mutual promises of the parties, and for good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignment. Assignor does hereby sell, assign, transfer, convey and deliver to Assignee all right, title, and interest in and to the following:

(a) the Trademarks and all issuances, extensions, and renewals thereof, together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee. Following the date hereof, at Assignee’s expense, Assignor shall take such reasonable steps and actions, and provide such reasonable cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the

execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Trademarks to Assignee, or any assignee or successor thereto.

3. Power of Attorney. Assignor hereby irrevocably grants Assignee power of attorney to execute and deliver any of the documents referenced in Section 2 on Assignor's behalf in its name and to do all other lawfully permitted acts to transfer the Trademarks to Assignee and further the transfer, issuance, prosecution, and maintenance of all intellectual property rights therein, to the full extent permitted by law.

4. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflict of laws, rules or principles. Any suit involving any dispute or matter arising under this Assignment may only be brought in any state or federal court located in the State of Delaware having jurisdiction over the subject matter of the dispute or matter, and each party consents to the exercise of personal jurisdiction by any such court with respect to any such proceeding.

5. Notices. All notices and other communications hereunder shall be given as provided in the Contribution Agreement.

6. Amendment. Any term of this Assignment may be amended, modified, rescinded, canceled or waived, in whole or in part, only by a written instrument signed by each of the parties' authorized representatives or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Section shall be binding upon the parties and their respective successors and assigns.

7. Counterparts; Delivery. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of facsimile or .pdf, or other electronic copies (complying with the U.S. federal ESIGN Act of 2000 (e.g., www.docuSign.com)) of signature pages for this Agreement shall be valid and treated for all purposes as delivery of the originals.
