WHEREAS, Assignor is the owner of all right, title and interest in and to the Intellectual Property assets (collectively, the "IP Assets") including:

Upon Assignee's request, Assignor will promptly take such actions (including, without limitation, the prompt execution and delivery of documents in recordable form or testifying as to any material fact or thing) as may be necessary to vest in and secure unto Assignee the full right, title and interest in and to the IP Assets and to protect and enforce the IP Assets.
