Assignor hereby assigns, transfers, conveys and delivers to Assignee all of Assignor's right, title and interest in and to the Assigned Trademarks (including any common law rights that may exist and are associated therewith), all past and present GOODWILL associated therewith or symbolized thereby, and all registrations that have been granted thereon, including the federal trademark registrations for the same set forth in Schedule A.

Assignor further assigns to Assignee any and all rights and privileges provided under the trademark and other laws of the United States and the individual states thereof with respect to the Assigned Trademarks; together with all income, royalties, damages, claims and payments hereafter payable under and with respect to the Assigned Trademarks, and the right to bring suit and collect for past, present, and future infringements thereof.

3. This Assignment and all terms hereof shall be binding upon and inure to the benefit of the parties and their respective heirs, personal and legal representative, successors and assigns.
