hereinafter referred to as ASSIGNEE.

WHEREAS

- A. the Assignor is the proprietor and beneficial owner of the Intellectual Property rights, namely the domain names, trademarks and designs, hereinafter referred to as 'the IP Rights', attached hereto as Exhibit A (Trademarks), Exhibit B (Domains) and incorporated by reference herein; and
- B. The Assignor has agreed with the Assignee to assign and transfer the IP Rights plus all of Assignor's rights, titles and interests in and to the IP Rights to the Assignee;
- C. Both Assignor and Assignee are duly authorized of entering into the present Assignment Agreement,

NOW, THEREFORE, Assignor and Assignee have agreed as follows:

1. Assignor irrevocably assigns, sells, grants and transfer to Assignee all rights, title, and interests in and to the IP Rights, including, but not limited to:
  - a. any Trademark registration and/or application rights with respect to the Trademarks in Exhibit A and all goods and services covered by these applications or registrations,
  - b. any Domain registration and/or application rights with respect to the Domains in Exhibit B,
  - c. any goodwill related to the IP Rights and the goodwill of the business concerned
  - d. all rights to sue third parties for past, present, and future infringements or misappropriations of the IP Rights, and
  - e. all income, royalties or claims relating to the IP Rights due or payable on or after the date of this assignment.
2. The IP Rights shall be assigned through a juridical demerger, involves the division of a legal entity, in which the Assignor legally splits its assets, specifically IP assets, to the Assignee at their fiscal value. (The objective

is to effectuate a lawful transfer of these assets to the Assignee in compliance with pertinent legal and fiscal regulations)

3. Assignor represents and warrants that:
  - a. Assignor is the exclusive proprietor of the IP Rights,
  - b. Assignor possesses all rights, title, and interest in and to the IP Rights,
  - c. Assignor has the power to enter into this Assignment Agreement,
  - d. To the best of Assignor's knowledge, as of the Effective Date of this Assignment Agreement,
    - i. the IP Rights are free and clear of any lien, encumbrances, or adverse claims.
    - ii. the assignment of the IP Rights shall not cause any infringement of IP rights of any third party, and that there is currently no actual or threatened lawsuit or conflict against Assignor by any third party based on an alleged violation of such right on of which Assignee is not aware;
    - iii. there are no outstanding assignments, licenses, obligations or agreements regarding the IP Rights of which the Assignee is not aware.
4. The IP Rights are transferred in the legal status they have at the time of signing this Assignment Agreement.
5. Assignor covenants that on the request of the Assignee, it will execute, all documents, papers, forms, and authorizations that may be necessary for securing, completing, or vesting in Assignee full right, title, and interest in the IP Rights.
6. In case additional declarations or any other requirements in whatever way are necessary for submission or further continuation of the assignment to the competent authorities, Assignor shall sign or provide these and will provide full cooperation in order to realize the assignment before all relevant government agencies.
7. This Assignment Agreement, together with the Exhibit A and B, which is attached hereto, contains the entire understanding and agreement between Assignor and Assignee with respect to its subject matter.
8. This Assignment Agreement and all amendments, modifications, alterations or supplements hereto, shall be construed in writing.
9. Assignee and Assignor appoint IPCO Law B.V. located at Fascinatio Boulevard 216-220, 3065 Rotterdam in The Netherlands and affiliated local agents to arrange the recordal of the assignment before the relevant Trademark authorities.
10. This Assignment Agreement and the relations between the parties are governed by the laws of the Netherlands.

THUS, the IP Rights have become as from the Effective Date of this Assignment Agreement the absolute property of the Assignee.
