## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (“Trademark Assignment”), dated as of January 1, 2024, is made by Albemarle Corporation, a Virginia Corporation (the “Assignor”), in favor of Ketjen Limited Liability Company, a Delaware limited liability company (the “Assignee” and together with the Assignor, the “Parties”).

**WHEREAS**, Assignor and Assignee have entered into the Contribution, Assignment and Assumption Agreement dated as of January 1, 2024 (the “Asset Purchase Agreement”) which sets forth, among other things, the terms of the sale, conveyance, assignment, transfer and delivery from Assignor to Assignee of certain intellectual property of Assignor, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions.

**NOW THEREFORE**, the Parties agree as follows:

1. **Assignment.** For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following:

(a) the trademark registrations and trademark applications set forth on Schedule I hereto and all issuances, extensions, and renewals thereof (the “Assigned Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks; provided that, with respect to the United States intent-to-use trademark applications set forth on Schedule I hereto, the transfer of such applications accompanies, pursuant to the Asset Purchase Agreement, the transfer of Assignor's business, or that portion of the business to which the trademark pertains, and that business is ongoing and existing;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. **Recordation and Further Actions.** Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, upon Assignee's

reasonable request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

3. **Terms of the Asset Purchase Agreement.** The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and A with respect to the Assigned Trademarks. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. **Counterparts.** This Trademark Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall be deemed to be one and the same instrument. The exchange of copies of this Trademark Assignment and of signature pages by facsimile transmission, e-mail or other electronic delivery (including by .pdf) shall constitute effective execution and delivery of this Trademark Assignment as to the Parties and may be used in lieu of the original executed version of this Trademark Assignment for all purposes.

5. **Successors and Assigns.** Neither this Trademark Assignment nor any of the rights, interests or obligations hereunder shall be assigned by any of the Parties hereto without the prior written consent of the other Parties. Subject to the preceding sentence, this Trademark Assignment will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

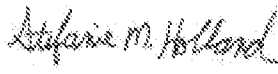

6. **Governing Law.** This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to its conflicts of laws doctrines.
