### THIRD AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **THIRD AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT**, dated as of January 29, 2024 (the "**Agreement**") between **LAGO INNOVATION FUND II, LLC**, a Delaware limited liability company, as administrative agent and collateral agent ("**Agent**") for certain lenders (the "**Lenders**"), and **BUCK MASON, INC.**, a Delaware corporation ("**Grantor**"), is made with reference to the Second Amended and Restated Loan and Security Agreement, dated as of December 8, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "**Loan Agreement**"), among Agent, Grantor and the Lenders. Terms defined in the Loan Agreement have the same meaning when used in this Agreement.

For good and valuable consideration, receipt of which is hereby acknowledged, Grantor hereby covenants and agrees as follows:

To secure the Obligations under the Loan Agreement, Grantor grants to Agent for the ratable benefit of the Lenders a security interest in all right, title, and interest of Grantor in any of the following, whether now existing or hereafter acquired or created in any and all of the following property (collectively, the "**Intellectual Property Collateral**"):

(a) copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held (collectively, the "**Copyrights**"), including the registered Copyrights described in **Exhibit A**;

(b) trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Borrower connected with and symbolized by such trademarks (collectively, the "**Trademarks**"), including the Trademarks described in **Exhibit B**;

(c) patents, patent applications and like protections including without limitation improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same (collectively, the "**Patents**"), including the Patents described in **Exhibit C**;

(d) mask work or similar rights available for the protection of semiconductor chips or other products (collectively, the "**Mask Works**"), if any;

(e) trade secrets, and any and all intellectual property rights in computer software and computer software products;

(f) design rights, if any;

(g) claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) licenses or other rights to use any of the Copyrights, Patents, Trademarks or Mask Works, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) amendments, renewals and extensions of any of the Copyrights, Patents, Trademarks or Mask Works; and

(j) proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

The rights and remedies of Agent with respect to the security interests granted hereunder are in addition to those set forth in the Loan Agreement, and those which are now or hereafter available to Agent as a matter of law or equity. Each right, power and remedy of Agent provided for herein or in the Loan Agreement, or now or hereafter

existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein, and the exercise by Agent of any one or more of such rights, powers or remedies does not preclude the simultaneous or later exercise by Agent of any other rights, powers or remedies.

This Agreement amends and restates, without novation, that certain Second Amended and Restated Intellectual Property Security Agreement, dated as of December 8, 2022, by and between LAGO Innovation Fund II, LLC, as agent, and Grantor.

[signatures follow on next page]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
