TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of February 8, 2024, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of Wilmington Trust, National Association, as Collateral Agent (in such capacity, together with its successors and permitted assigns, the “Collateral Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, the Grantors are party to that certain Credit Agreement and Guaranty, dated as of February 8, 2024 (as the same may be amended, restated, supplemented and/or modified from time to time, the “Credit Agreement”), by and among NanoString Technologies, Inc. (the “Company”), the subsidiaries of the Company from time to time party thereto, the Collateral Agent and Wilmington Trust, National Association, as administrative agent, and the lenders party thereto from time to time;

WHEREAS, each Grantor (other than the Company) has agreed, (a) pursuant to the Credit Agreement, to guarantee the Guaranteed Obligations (as defined in the Credit Agreement) of the Company and (b) pursuant to a Security Agreement of even date herewith in favor of Collateral Agent (as such agreement may be amended, restated, supplemented and/or otherwise modified from time to time, the “Security Agreement”), to grant a security interest in the Collateral (as defined in the Security Agreement); and

WHEREAS, the Security Agreement requires the Grantors to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, each Grantor hereby agrees with Collateral Agent as follows:

1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement, and to the extent not defined in the Credit Agreement, as they are defined in the Security Agreement.

2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Collateral Agent for the benefit of the Secured Parties, and grants to Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

(a) all of its Trademarks providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all IP Ancillary Rights.

Notwithstanding anything herein to the contrary, no Lien or security interest is hereby granted on any Excluded Assets; provided, further, that if and when any assets or property shall cease to be an Excluded Asset, a Lien on and security interest in such property shall be deemed granted therein.

3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent of any conflict between the provisions of this Trademark Security Agreement and the Security Agreement, the provisions of the Security Agreement shall control.

4. Continuing Obligation. If, before the Obligations shall have been paid in full in cash, Grantor shall obtain rights to any new Trademarks, the preceding Security Agreement shall automatically apply thereto.

5. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Ancillary Rights subject to a security interest hereunder.

6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or by Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

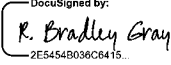

7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

8. Concerning the Collateral Agent. Wilmington Trust, National Association is entering this Trademark Security Agreement not in its individual capacity, but solely in its capacity as the Collateral Agent under the Credit Agreement. In acting hereunder, the Collateral Agent shall be entitled to all of the rights, privileges, indemnities and immunities granted to the Collateral Agent in the Credit Agreement, as if such rights, privileges, indemnities and immunities were set forth herein.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
