INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of January 29, 2024 (this “Agreement”), between Bausch + Lomb Ireland Limited, a company incorporated in Ireland having company registration number 677764 and having its registered office at 3013 Lake Drive, Citywest Business Campus, Dublin 24 (the “Grantor”) and Citibank, N.A. (“Citi”), as collateral agent (in such capacity, the “Notes Collateral Agent”) for the First Lien Notes Secured Parties.

Reference is made to that certain Debenture, dated as of January 29, 2024 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “Security Agreement”), between the Grantor and the Notes Collateral Agent. Bausch + Lomb Corporation, a corporation incorporated under the Canada Business Corporations Act (the “Issuer”) has issued \$1,400,000,000 aggregate principal amount of its 8.375% Senior Secured Notes due 2028, pursuant to that certain Indenture, dated as of September 29, 2023 (as amended, restated, amended and restated, supplemented, extended, waived, renewed, replaced, refinanced or otherwise modified from time to time, the “Indenture”), by and among the Issuer, the Note Guarantors party thereto and Citi, as Trustee, Registrar, Transfer Agent and Paying Agent and as Notes Collateral Agent. Consistent with the requirements set forth in Section 12.1 of the Indenture and Section 10.1 of the Security Agreement, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or, if not defined therein, in the Indenture.

SECTION 2. Grant of Security Interest. As security for the prompt and complete payment or performance, as the case may be, in full of the First Priority Notes Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Notes Collateral Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the First Lien Notes Secured Parties, a continuing security interest in all right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of the Grantor and regardless of where located (collectively, the “IP Collateral”):

- A. all Intellectual Property (as defined in the Security Agreement), including those registrations and applications therefor in the United States Patent and Trademark Office listed on Schedule I hereto;
- B. all goodwill associated with or symbolized by any Intellectual Property, including any registration, registration applications and pending applications therefor;
- C. the right to sue third parties for past, present and future infringements, dilutions or violations of any Intellectual Property or any registrations, registration applications and pending applications therefor; and
- D. all proceeds of and any right associated with the foregoing;

in each case to the extent the foregoing items constitute Collateral.

Notwithstanding anything to the contrary in (A) through (D) above, this Agreement shall not constitute a grant of a security interest in any Excluded Assets, including any “intent-to-use” Intellectual Property applications prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto.

SECTION 3. Security Agreement. The security interests granted to the Notes Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Notes Collateral Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and

provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
