## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is dated as of February 6, 2024 by XEROX CORPORATION, a New York corporation and XEROX BUSINESS SOLUTIONS, LLC, a Delaware limited liability company (each, individually, a “Grantor” and, collectively, the “Grantors”), in favor of CITIBANK, N.A., in its capacity as administrative agent and collateral agent (in such capacity, the “Collateral Agent”).

WITNESETH:

WHEREAS, the Grantors are party to that certain Second Amended and Restated Collateral Agreement, dated as of February 6, 2024 (as amended, amended and restated, supplemented and/or otherwise modified from time to time, the “Collateral Agreement”) in favor of the Collateral Agent, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

**SECTION 1. Terms.** Capitalized terms used in this Trademark Security Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Trademark Security Agreement

**SECTION 2. Grant of Security Interest.** As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of the Secured Obligations (other than contingent obligations), each Grantor, hereby grants to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in, all of its right, title, and interest in or to any and all of the following assets and properties (to the extent that they are part of the Article 9 Collateral) now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration applications filed in connection therewith, and all renewals thereof, including registrations and registration applications in the United States Patent and Trademark Office, and all extensions or renewals thereof, including those registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I and II (the “Trademarks”)

(b) all goodwill associated with or symbolized by the Trademarks;

(c) all claims for, and rights to sue for, past or future infringement, dilution, or other violations of any of the foregoing;

(d) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement, dilution, or other violations thereof; and

(e) all other rights, priorities and privileges accruing thereunder or pertaining thereto throughout the world.

SECTION 3. Collateral Agreement. The security interests granted to the Collateral Agent herein are granted solely in furtherance, and not in limitation or expansion, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Collateral Agent and each Grantor hereby acknowledge and affirm that the rights and remedies of the other parties hereto with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by electronic signature, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT, THE OTHER LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

[Signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
