(b) All present and future copyrights, Mask Works, computer programs and other rights subject to (or capable of becoming subject to) copyright protection which are not registered in the copyright office of any jurisdiction (collectively, the “Unregistered Copyrights”), whether now owned or hereafter acquired, and any and all royalties, payments, and other amounts payable to Grantor in connection with the Unregistered Copyrights, together with all renewals and extensions of the Unregistered Copyrights, the right to recover for all past, present and future infringements of the Unregistered Copyrights, and all computer programs and all tangible property embodying or incorporating the Unregistered Copyrights, and all other rights of every kind whatsoever accruing thereunder or pertaining thereto. The Registered Copyrights and the Unregistered Copyrights collectively are referred to herein as the “Copyrights”;

(c) All present and future license agreements with respect to the Copyrights;

(d) All present and future accounts, accounts receivable, royalties, and other rights to payment arising from, in connection with, or relating to the Copyrights;
