Intellectual Property Assignment

WHEREAS, Idera, Inc., a Texas corporation, (“Assignor”) is the owner of, and was prior to and as of January 1, 2024, various trademarks, patents, copyrights and intellectual property rights in the United States and throughout the world (the “IP”), including but not limited to the trademark registrations listed in Exhibit A, the patents listed in Exhibit B and the copyright registrations listed in Exhibit C; and

WHEREAS, Assignor now desires to transfer and assign all right, title and interest in and to said IP, and the registrations and any pending applications therefor, to CoreCo Idera Ops, Inc., a Delaware corporation, (“Assignee”); and

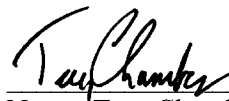

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the IP, and the goodwill associated therewith, and the registrations and any pending applications therefor; and

WHEREAS, Assignor hereby confirms, *nunc pro tunc* January 1, 2024, the assignment of the entirety of the IP to Assignee, together with the goodwill of the business of Assignor associated with the use and symbolized by the IP since at least as early as January 1, 2024; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee all right, title and interest in and to the IP and the registration and pending applications therefor, whether now known or hereinafter discovered, together with the goodwill of the business of Assignor associated with the use of and symbolized by the IP, and the goodwill associated with such IP, and any and all causes of action or other rights to file and prosecute administrative or legal actions, past, present and future, including but not limited to all claims and causes of action against any third parties, res judicata rights and any and all other appurtenant rights, copyrights, authorship rights, title and right to sue for past infringement and to establish or enforce any of such intellectual property rights, including the right to sue for and collect damages for infringement and the right to do any and all acts or things necessary or appropriate to protect the rights granted hereunder, and to institute any actions for such purpose in the name(s) of the Assignee, Assignor or both.

Executed February 19, 2024, *nunc pro tunc* January 1, 2024.
