NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of February 1, 2024 (the “Trademark Security Agreement”), by Cybera, Inc., a Delaware corporation, Drop Tank, LLC, a Delaware limited liability company, Echosat, Inc., a Delaware corporation, Excentus Corporation, a Texas corporation, GasBuddy, LLC, a Delaware limited liability company, GreenPrint Holdings, LLC, a Delaware limited liability company, National Payment Card Association, a Delaware corporation, PDI Technologies, Inc., a Texas corporation, Skupos Inc., a Delaware corporation, and TOUCHSTAR AMERICAS, LLC, an Oklahoma limited liability company (each individually, a “Grantor”, and, collectively, the “Grantors”), in favor of GOLUB CAPITAL MARKETS LLC, as Collateral Agent.

W I T N E S S E T H:

WHEREAS, the Grantors are party to a Security Agreement dated as of February 1, 2024 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademarks. Each Grantor hereby pledges to the Collateral Agent, for the benefit of the Secured Parties and hereby grants to the Collateral Agent, its successors and permitted assigns for the benefit of the Secured Parties, a security interest in all of right, title and interest in or to the following Collateral (excluding any Excluded Assets) of such Grantor

(a) all Trademark registrations and applications of such Grantor, including those listed on Schedule I attached hereto; and

(b) all goodwill of the business connected with the use of, and symbolized by, each such Trademark.

Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder on or in any “intent to use” Trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, that granting a security interest in such Trademark application prior to such filing would impair the enforceability or validity, or result in the voiding, of such Trademark application (or any registration that may issue therefrom) under applicable federal Law.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest

in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. This Trademark Security Agreement shall terminate in accordance with, and subject to the terms and conditions set forth in, Section 6.11 of the Security Agreement. Upon the termination of this Trademark Security Agreement, the Collateral Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors all documents, instruments, make all filings, and take all other actions reasonably requested by such Grantor in writing to evidence the release of the Lien on and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

SECTION 6. Intercreditor Agreements. Notwithstanding any provision to the contrary contained herein, the terms of this Trademark Security Agreement, the Liens created hereby and the rights and remedies of the Collateral Agent hereunder are subject to the terms of each applicable Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of this Trademark Security Agreement and an Intercreditor Agreement, the terms of that Intercreditor Agreement shall govern.

SECTION 7. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS NOTICE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

[Signature pages follow.]

IN WITNESS WHEREOF, the Grantors have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
