TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of February 16, 2024 (the “Trademark Security Agreement”), is by CQL, LLC, a Delaware limited liability company (“Grantor”), in favor of WOODFOREST NATIONAL BANK, in its capacity as administrative agent (“Administrative Agent”) for the Secured Parties (as defined in the Security Agreement (as defined below)).

WHEREAS, pursuant to the terms of the Security Agreement dated of even date herewith (as said Agreement may be amended, restated, amended and restated, supplemented or otherwise modified and in effect from time to time, the “Security Agreement”; terms used herein but not defined herein shall have the meanings given to them in the Security Agreement), among Grantor, each other Debtor party thereto, and Woodforest National Bank, as administrative agent for its benefit and the benefit of each of the other Secured Parties (“Administrative Agent”), Grantor has granted to Administrative Agent for its benefit and the benefit of the Secured Parties a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks, trademark registrations, trademark applications and Trademark Licenses, together with the goodwill of the business symbolized by Grantor’s trademarks, and all proceeds thereof, to secure the payment of all Secured Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees with Administrative Agent as follows:

1. Grant of Security Interest in Trademark Collateral. Grantor does hereby grant to Secured Party a continuing security interest in all of Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “Trademark Collateral”), whether presently existing or hereafter created or acquired:

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed with any Governmental Authority in connection therewith, and all extensions or renewals thereof, including the trademark application set forth in Schedule 1, together with any renewals or extensions thereof;
- (b) all goodwill associated therewith or symbolized thereby;
- (c) all other assets, rights and interests that uniquely reflect or embody such goodwill;
- (d) all rights of Grantor to use and/or sell any of the foregoing; and
- (e) the portion of the business to which each trademark pertains.

2. Security Agreement. This security interest is granted in conjunction with the security interests granted to Administrative Agent for its benefit and the benefit of the Secured Parties pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Secured Parties with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. Governing Law. This Trademark Security Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the Law of the State of Texas.

4. Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement shall become effective when it shall have been executed by Administrative Agent and when Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or in electronic (e.g., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.
