RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST ("**Release**") is made and effective as of **December 26, 2023** and granted by Partners for Growth II, L.P., a Delaware limited partnership having a place of business at 180 Pacific Avenue, San Francisco, CA 94111 ("**PFG**"), in favor of CTC Global Corporation (successor-by-assignment to CTC Cable Corporation), a Delaware corporation having a place of business at 2026 McGaw Avenue, Irvine, CA 92614 ("**CTC Global**") and its successors, assigns and legal representatives.

WHEREAS, pursuant to that certain Loan and Security Agreement dated April 12, 2010, by and between PFG and CTC Global ("the "**Loan and Security Agreement**") and the Intellectual Property Security Agreement (the "**2010 IP Security Agreement**") dated April 12, 2010, by and between PFG and CTC Global, CTC Global executed and delivered to PFG that certain Patent Collateral Agreement and Notice by and between PFG and CTC Global dated April 12, 2010 (the "**Patent Collateral Agreement**"), that certain Trademark Collateral Agreement and Notice by and between PFG and CTC Global dated April 12, 2010 (the "**Trademark Collateral Agreement**"), and that certain Copyright Collateral Agreement and Notice by and between PFG and CTC Global dated April 12, 2010 ("**Copyright Collateral Agreement**", together with the Loan and Security Agreement, 2010 IP Security Agreement, Patent Collateral Agreement, and Trademark Collateral Agreement, the "**2010 Security Agreements**");

WHEREAS, pursuant to that certain Assumption and Security Agreement dated August 15, 2011, between PFG and CTC Global ("the "**Assumption and Security Agreement**"), CTC Global executed and delivered to PFG that certain Intellectual Property Security Agreement by and between PFG and CTC Global dated August 15, 2011 (the "**2011 IP Security Agreement**", together with the Assumption and Security Agreement, the "**2011 Security Agreements**"; together with the 2010 Security Agreements, the "**Security Agreements**");

WHEREAS, pursuant to the Security Agreements, CTC Global pledged and granted to PFG a security interest and lien in and to the Patents (as defined in the Patent Collateral Agreement), the Marks (as defined in the Trademark Collateral Agreement), the Copyrights (as defined in the Copyright Collateral Agreement), and all proceeds thereof and all other related claims and rights as more fully described in the 2010 IP Security Agreement (collectively, the "**2010 IP Collateral**") and granted a security interest in all of CTC Global's right, title and interest in CTC Global's Intellectual Property (as defined in the Assumption and Security Agreement), including without limitation (i) the trademarks and servicemarks listed on Schedule A hereto, whether registered or not, and all applications to register and registrations of the same and like protections, and the entire goodwill of the business of CTC Global connected with and symbolized by such trademarks, and (ii) the patents and patent applications listed on Schedule B hereto and all like protections including, without limitation, all improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, and (iii) all copyrights, maskworks, software, computer programs and other works of authorship listed on Schedule C hereto, and all extensions and renewals thereof, and (iv) all rights to recover for past or future infringement of any of the foregoing, and (v) all right, title and interest in and to any and all present and future license agreements with respect to any of the foregoing, and (vi) all present and future accounts, accounts receivable and other rights to payment arising from, in connection with or relating to any of the foregoing (collectively, together with the 2010 IP Collateral, the "**IP Collateral**");

WHEREAS, (i) the Patent Collateral Agreement was recorded with the United States Patent and

Trademark Office at Reel 024218, Frame 0489 on April 12, 2010, (ii) the Trademark Collateral Agreement was recorded with the United States Patent and Trademark Office at Reel 4184, Frame 0122 on April 12, 2010, (iii) the Copyright Collateral Agreement was recorded with the U.S. Copyright Office at Volume 3587, Doc. No. 360 on April 13, 2010, and (iv) the 2011 IP Security Agreement was recorded with the United States Patent and Trademark Office at Reel 026764, Frame 0414 on August 17, 2011;

WHEREAS, CTC Global has requested that PFG enter into this Release in order to effectuate, evidence and record the release and reassignment to CTC Global of any and all right, title and interest PFG may have in the IP Collateral pursuant to the Security Agreements.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, PFG hereby states as follows:

1. Release of Security Interest. PFG, on behalf of itself, its successors, legal representatives and assigns, hereby terminates the Security Agreements and terminates, releases and discharges any and all security interests and liens that it has pursuant to the Security Agreements in any and all right, title and interest of CTC Global, and reassigns to CTC Global any and all right, title and interest that it may have, in, to and under the IP Collateral, including without limitation, the IP Collateral listed on the Schedules attached hereto.

2. Further Assurances. PFG agrees, at CTC Global's expense, to take all further actions, and provide to CTC Global, its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as CTC Global and its successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release.

3. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of California, without giving effect to any choice or conflict of law provision or rule.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, PFG has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

Partners for Growth, LP

Aluminum Conductor Composite Core Reinforced Cable and Method of Manufacture	Serial# 12/074,996	Pending
Method for the Manufacture of a Composite Core For An Electrical Cable	Serial# 12/719,708	Pending

National Phase Applications based on PCT/US03/12520 - Aluminum Conductor Composite Core Reinforced Cable and Method of Manufacture

Country	Patent/Application Number	Status/Notes
United States	Patent # 7,368,162 B2	Issued 5/6/08

National Phase Based on PCT/US04/035199 - A Collet-Type Splice and Dead End For Use With an Aluminum Conductor Cable

Country/Title	Patent/Application Number	Status/Notes
A Collet-Type Splice and Dead End for Use With an Aluminum Conductor Composite Core Reinforced Cable	PCT/US2004/035199	Entered National Phase in Multiple Countries, including the US; see chart below.

United States	Patent# 7,563,983	Issued on July 21, 2009
---------------	-------------------	-------------------------

National Phase Based on PCT/US04/035201 - Aluminum Conductor Composite Core Reinforced Cable and Method of Manufacture

Country/Title	Patent/Application Number	Status/Notes
Aluminum Conductor Composite Core Reinforced Cable and Method of Manufacture	PCT/US2004/035201	Entered National Phase in Multiple Countries, including the US; see chart below.
United States	Serial# 10/595,459	Pending
United States	Serial# 12/719,695	Pending
