RECITALS

WHEREAS, Grantors have entered into that certain Credit Agreement with the Administrative Agent, the lenders from time to time party thereto (collectively, the “Lenders”; and together with the Administrative Agent, collectively, the “Secured Parties”), dated as of the date hereof (as amended from time to time and as the same may be further amended, amended and restated, extended, replaced, supplemented or otherwise modified, the “Credit Agreement”);

WHEREAS, under the terms of the Credit Agreement and the other Loan Documents, each Grantor has granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, all Intellectual Property (as defined in the Security Agreement) of such Grantor, and has agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office and/or the United States Copyright Office, as applicable.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors hereby agree as follows:

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement and shall be fully admissible in any enforcement proceedings regarding this Agreement.

Grants, Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Credit Agreement and the other Loan Documents. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Credit Agreement and the other Loan Documents, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
