ASSIGNMENT OF TRADEMARKS AND SERVICE MARKS AND ACCOMPANYING GOODWILL

This Assignment of Trademarks and Service Marks and Accompanying Goodwill (this "Assignment") is entered into as of December 29, 2023, by and between C/HCA, Inc., a corporation with a principal business address at One Park Plaza, Nashville, TN 37203 (the "Assignor"), and The Trustees of Columbia University in the City of New York on behalf of the School of Nursing (the "Assignee"), in accordance with the terms of that certain Bill of Sale and Assignment, dated as of December 29, 2023, by and between Assignor and Assignee (the "Controlling Agreement") under which Assignee is acquiring certain specified assets of Assignor. Capitalized terms used in this Assignment and not otherwise defined herein shall have the meanings ascribed in the Controlling Agreement.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, all of Assignor's worldwide rights, title and interest in and to the trademarks and/or service marks identified in Schedule A attached hereto (the "Marks"), any registrations therefore throughout the world and any renewals or extensions of such registrations, and all rights, including all common law rights, and registrations therein and therefor in any other country or locality worldwide, together with the goodwill of the business in connection with which the Marks are used and which are symbolized by the Marks and the resulting right to recover damages and profits for past, present or future infringements or unauthorized uses thereof, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made.

Assignor agrees to execute and deliver at the request of Assignee, any papers, instruments and assignments reasonably necessary to vest in Assignee all of Assignor's right, title and interest in and to the Marks and the registration(s) therefor and/or to provide evidence to support such assignment in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

Notwithstanding anything to the contrary contained herein, the terms of this Assignment are subject to the terms, provisions, conditions and limitations set forth in the Controlling Agreement, and this Assignment is not intended to alter the rights or obligations of the parties to the Controlling Agreement. In the event of any inconsistencies between the terms of this Assignment and the terms of the Controlling Agreement, and with respect to matters addressed in the Controlling Agreement but not addressed herein, the parties hereto agree that the terms of the Controlling Agreement shall control.

This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute only one instrument.
