ZIMVIE TRADEMARK ASSIGNMENT

This Trademark Assignment ("Trademark Assignment") is entered into and effective as of the last signature date below by and between Zimmer Biomet Spine, Inc., a Delaware corporation having a business address of 10225 Westmoor Drive, Westminster, Colorado 80021, United States of America ("Transferor") and ZimVie US Corp LLC a Delaware Limited Liability Company having a business address of 4555 Riverside Drive, Palm Beach Gardens, Florida 33410, United States of America ("Transferee") and, together with Transferor, the "Parties" and each a "Party".

WHEREAS, Transferor is the owner of the trademarks listed in Exhibit A, and the goodwill thereto, including registrations and applications thereon, whether registered or pending, whether active or inactive, and associated common law rights (collectively, the "Trademark");

WHEREAS, Transferor desires to transfer to Transferee all of its right, title and interest in and to the Trademark, together with the business to which the Trademark pertains, and the goodwill of the business symbolized by the Trademark;

WHEREAS, Transferee desires to obtain the right, title and interest in and to the Trademark, together with the business to which the Trademark pertains, and the goodwill of the business symbolized by the Trademark;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Transferor hereby irrevocably sells, transfers, conveys, assigns and delivers to Transferee and Transferee's successors and assigns, and Transferee hereby takes assignment and transfer thereof, all of Transferor's worldwide rights, title and interest in, to and under the Trademark, together with their common law rights, goodwill and the business to which the Trademark pertains, together with all rights of action, in law or in equity, including, without limitation, all rights to sue for past, present and future infringements and damages, the same to be held and enjoyed by Transferee, for its own use and on behalf of its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Transferor had this Trademark Assignment not been made.

2. Transferor authorizes and requests any official in the countries or registering organizations listed on the attached Exhibit A whose duty it is to register and record ownership in trademark registrations and applications for registration of trademarks, to record Transferee as the Transferee and owner of any and all of Transferor's right, title and interest in and to the Trademark.

3. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware.

4. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Trademark Assignment by facsimile or electronic transmission shall be effective to the fullest extent permitted by applicable law.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be executed effective as of the signature dates below.
