INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT ("Agreement") is entered into as of March 20, 2024, by and between (a) STIFEL BANK, a Missouri state-chartered bank ("Bank"), and (b) INNOVAPPTIVE, INC., a Delaware corporation ("Grantor").

RECITALS

A. Bank has agreed to make certain advances of money and to extend certain financial accommodation (the "Loans") to Grantor, in the amounts and manner set forth in that certain Loan and Security Agreement by and between Bank and Grantor dated as of the same date hereof (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Loan Agreement"). Capitalized terms used but not defined in this Agreement shall have the meaning ascribed to them in the Loan Agreement. Bank is willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to Bank a security interest in the Collateral, including certain Copyrights, Trademarks, and Patents (as each term is described below) to secure the obligations of Grantor under the Loan Agreement.

B. Pursuant to the terms of the Loan Agreement, Grantor has granted to Bank a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement, the parties hereby agree as follows:

AGREEMENT

1. Grant of Security Interest. Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under each of the following to the extent included in the Collateral and not comprising Excluded Assets (all of which shall collectively be called the "Intellectual Property Collateral"):

(a) Any and all copyright rights, copyright applications, copyright registrations and copyright protections in each work of authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those U.S. copyright applications and registrations set forth on Exhibit A attached hereto (collectively, the "Copyrights");

(b) Any and all rights in trade secrets now or hereafter existing, created, acquired or held;

(c) All patents, patent applications, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the U.S. patents and patent applications set forth on Exhibit B attached hereto (collectively, the "Patents");

(d) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation the U.S. trademarks and trademark applications set forth on Exhibit C attached hereto (collectively, the "Trademarks");

(e) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(f) All license fees and royalties arising from such use of the Copyrights, Patents, or Trademarks;

(g) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, or Patents; and

(h) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. Recordation. The parties hereto authorize and request that the Commissioner of Patents, the Commissioner for Trademarks and the Register of Copyrights of the United States record this security interest in the Intellectual Property Collateral.

3. Loan Documents. The provisions of the Loan Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of Bank with respect to the Intellectual Property Collateral are as provided by the Loan Agreement and related documents, and nothing in this Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Agreement.

5. Successors and Assigns. This Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

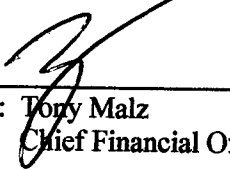

6. Governing Law. This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the United States and the State of New York, without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction).
