In addition, Assignor will, at the request and sole cost and expense of Assignee, but without additional compensation, promptly sign, execute, make, and do all such deeds, documents, acts, and things as Assignee may reasonably require:

(a) to apply for, obtain, register, maintain and vest in the name of Assignee alone (unless Assignee otherwise directs) all Intellectual Property Rights relating to any or all of the Transferred Assets in any country throughout the world, and when so obtained or vested, to renew and restore the same;

degree of which may be difficult to ascertain and for which a remedy at law will be inadequate. Accordingly, Assignee will have the right and be entitled to injunctive and other equitable relief to prevent any breach or the threat of any breach of this Agreement by Assignor without showing or proving actual damages, in addition to any other rights and remedies that it may have.

5.2 Binding on Successors. This Agreement will inure to the benefit of, and be binding upon, the parties, together with their respective representatives, successors, and assigns, except that Assignor may not assign this Agreement without the prior written consent of Assignee.

5.3 Governing Law. This Agreement will be governed by, and interpreted and construed in accordance with, the laws of the State of California without reference to its conflicts of law provisions.

5.4 Amendment and Waiver. This Agreement may not be amended or modified unless mutually agreed upon in writing by the parties and no waiver will be effective unless signed by the party from whom such waiver is sought. The waiver by any party of a breach of any provision of this Agreement will not operate or be construed as a waiver of any subsequent breach.

5.5 Severability. If any provision of this Agreement is held invalid by any court of competent jurisdiction, such invalidity will not affect the validity or operation of any other provision, and the invalid provision will be deemed severed from this Agreement.

5.6 Entire Agreement. This Agreement is the entire agreement concerning the subject matter hereof. It supersedes all prior and contemporaneous agreements, assurances, representations, and communications between the parties.
