**AFFIDAVIT IN SUPPORT OF REQUEST FOR CORRECTION OF ERRORS IN ORIGINAL  
ASSIGNMENT DOCUMENT AND REQUEST FOR DIVISION**

**Declaration of Donnell Rehagen**

**Registrant: Clean Fuels Alliance America (formerly doing business as National Biodiesel Board)**

**Mark: BIOHEAT**

**Reg. Nos.: 2,492,998 and 3,526,098**

I, Donnell Rehagen, declare under penalty of perjury as follows:

1. I am over the age of eighteen and competent to make this Declaration.
2. The facts stated in this Declaration are within my personal knowledge and are true.
3. I am the Chief Executive Officer of Clean Fuels Alliance America, an Iowa non-profit corporation formerly doing business as National Biodiesel Board, an Iowa non-profit corporation.
4. On July 9, 2005, Mr. Robert Wilcox, the former owner and registrant of Reg. No. 2,492,998 (the "**Parent Registration**") executed a trademark assignment transferring ownership of rights in the Class 4 goods of the Parent Registration to National Biodiesel Board (the "**Class 4 Assignment**"). The Class 4 Assignment was recorded with the United States Patent and Trademark Office Assignments Division (the "**Assignments Division**") at Reel/Frame No. 3127/0129 on July 25, 2005. See attached **Exhibit A** for a copy of the cover sheet and Class 4 Assignment.
5. The Class 4 Assignment and the corresponding cover sheet incorrectly identified National Biodiesel Board as a Missouri non-profit corporation. *Id.*
6. At the time of execution and recordal of the Class 4 Assignment, National Biodiesel Board was, and always has been, an Iowa non-profit corporation. See attached **Exhibit B** for a copy of the Biennial Report for National Biodiesel Board dated March 30, 2005 and filed with the Iowa Secretary of State.
7. On September 15, 2008, National Biodiesel Board filed a request to divide the **Parent Registration**, with the goods in Classes 10, 11, 25, and 28 remaining in the **Parent Registration** and the goods in Class 4 transferring to a newly formed child registration, namely Reg. No. 3,526,098 (the "**Child Registration**"). The registration for the **Child Registration** issued on November 18, 2008. See attached **Exhibit C** for a copy of the Registration Certificate for Reg. No. 3,526,098.
8. Because National Biodiesel Board was still improperly identified as a Missouri non-profit corporation in the **Parent Registration** as of November 18, 2008, it was also improperly identified as a Missouri non-profit corporation in the **Child Registration**. *Id.*
9. On October 14, 2021, National Biodiesel Board changed its entity name with the Iowa Secretary of State to Clean Fuels Alliance America. See attached **Exhibit D** for a copy of the Articles of Amendment to the Articles of Incorporation of National Biodiesel Board dated October 14, 2021 and filed with the Iowa Secretary of State. National Biodiesel Board recorded this name change against the **Child Registration**, among other registrations, with the Assignments Division on March 22, 2022. See attached **Exhibit E** for a copy of the cover sheet and name change.

10. On December 3, 2021, a Quitclaim Trademark Assignment (Nunc Pro Tunc) was executed, transferring ownership rights in the Child Registration from National Biodiesel Board, a Missouri non-profit corporation, to National Biodiesel Board, an Iowa non-profit corporation (the "NPT Assignment"). Presumably in an effort to correct the error in the chain of title caused by the Class 4 Assignment, the NPT Assignment was recorded with the Assignments Division on December 22, 2021. See attached **Exhibit F** for a copy of the cover sheet and NPT Assignment.

11. The NPT Assignment is invalid as it improperly assigns ownership of the Child Registration from a non-existent entity, namely, the Missouri National Biodiesel Board.

12. Registrant Clean Fuels Alliance America now respectfully requests a correction of the various records to reflect the accurate entity jurisdiction, as follows:

- (a) A correction of the Class 4 Assignment in the records of the Parent Registration to properly identify the assignee, National Biodiesel Board, as an Iowa non-profit corporation.
- (b) A correction of the chain of title of the Child Registration to show the original registrant as National Biodiesel Board, an Iowa non-profit corporation.
- (c) An update of the Child Registration records to accurately reflect Clean Fuels Alliance America as the current, rightful owner, whether such update is accomplished through an expungement of the NPT Assignment or otherwise.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application or any resulting registration, declares that all statements made of his own knowledge are true and that all statements made on information are believed to be true.
