TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “Agreement”) , dated as of April 1, 2024, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of BYLINE BANK, an Illinois banking corporation, as the administrative agent and collateral agent (the “Agent”) for the lenders under that certain Credit Agreement (defined below).

WHEREAS, MISSION SCIENTIFIC ACQUISITION, LLC, a Delaware limited liability company, as the Initial Borrower (“Initial Borrower”), and immediately after giving effect to the Acquisition, R. M. YOUNG COMPANY, LLC, a Michigan limited liability company (“Company”, and together with Initial Borrower, individually and collectively, the “Borrower”), is a borrower under that certain Revolving Credit and Term Loan Agreement dated as of the date hereof among Borrower, MISSION SCIENTIFIC INTERMEDIATE, LLC, a Delaware limited liability company (“Parent”), the Lenders party thereto, and the Agent (as amended, amended and restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”).

WHEREAS, the Borrower and Parent are party to that certain Security Agreement of even date herewith in favor of the Agent (as amended, amended and restated, supplemented, or otherwise modified from time to time, the “Security Agreement”).

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

SECTION 1. Defined Terms. Except as otherwise expressly defined herein, all capitalized terms used in this Agreement shall have the meanings ascribed to them in the Security Agreement and, if not defined therein, in the Credit Agreement. Any term used in the UCC and not defined in this Agreement, the Security Agreement, or the Credit Agreement shall have the meaning given to such term in the UCC.

SECTION 2. Security Interest. As security for the Obligations, each Grantor hereby grants to the Agent (for the benefit of the Lenders) a continuing first priority security interest in and to and a lien on all of such Grantor’s right, title, and interest, whether now existing or hereafter arising or acquired, in and to its Trademarks, including but not limited to the Trademarks listed on Exhibit A attached hereto (the “Collateral”). Each Grantor hereby requests that the U.S. Commissioner of Patents and Trademarks record this Agreement with respect to the U.S. Trademarks listed on Exhibit A attached hereto. For the avoidance of doubt, no security interest or lien is granted with respect to any intent to use application for a Trademark that would otherwise be deemed invalidated, cancelled or abandoned due to the grant of a Lien thereon unless and until such time as the grant of such Lien will not affect the validity of such trademark.

SECTION 3. Incorporation by Reference. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

SECTION 4. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

[Remainder of page left intentionally blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered as of the date first above written.
