Arizona on any Business Day shall be credited against this Note on the next Business Day and interest will continue to accrue until so credited.

3. Prepayment. Borrower shall have the right to prepay all or any portion of the Loan Amount at any time during the term of this Note.

4. Payment Mechanics.

4.1 Manner of Payment. All payments of interest and principal shall be made in lawful money of the United States of America no later than 12:00 PM on the date on which such payment is due by cashier's check, certified check, or by wire transfer of immediately available funds to the Noteholder's account at a bank specified by the Noteholder in writing to the Maker from time to time.

4.2 Application of Payments. All payments made hereunder shall be applied *first* to the payment of any fees or charges outstanding hereunder, *second* to accrued interest, and *third* to the payment of the principal amount outstanding under the Note.

4.3 Business Day Convention. Whenever any payment to be made hereunder shall be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension will be taken into account in calculating the amount of interest payable under this Note.

4.4 Evidence of Debt. The Noteholder is authorized to record on the grid attached hereto as Exhibit A, the Loan made to the Maker and each payment or prepayment thereof. The entries made by the Noteholder shall, to the extent permitted by applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Maker therein recorded; *provided, however*, that the failure of the Noteholder to record such payments or prepayments, or any inaccuracy therein, shall not in any manner affect the obligation of the Maker to repay (with applicable interest) the Loan in accordance with the terms of this Note.

4.5 Reports. The Maker shall deliver to the Noteholder: (i) the Maker's consolidated and consolidating balance sheet, income statement, and statement of cash flows ("Reports") audited for the year ended December 31, 2022 as soon as available; and (ii) the Maker's monthly Reports as soon as available, but in any event within 45 days after the end of each month until the balance of this Note is paid in full.

5. Representations and Warranties. The Maker hereby represents and warrants to the Noteholder on the date hereof as follows:

5.1 Existence. The Maker was validly formed and is validly existing and in good standing under the laws of the state of Delaware.

5.2 Power and Authority. The Maker has the requisite power and authority, and the legal right, to execute and deliver this Note and to perform its obligations hereunder.

5.3 Authorization; Execution and Delivery. The execution and delivery of this Note by the Maker and the performance of its obligations hereunder have been duly authorized by

all necessary action in accordance with all applicable Laws. The Maker has duly executed and delivered this Note.

5.4 No Approvals. No consent or authorization of, filing with, notice to, or other act by, or in respect of, any Governmental Authority or any other Person is required in order for the Maker to execute, deliver, or perform any of its obligations under this Note.

5.5 No Violations. The execution and delivery of this Note and the consummation by the Maker of the transactions contemplated hereby do not and will not (a) violate any Law applicable to the Maker; or (b) constitute a default under any material agreement or contract by which the Maker may be bound.

5.6 Enforceability. This Note is a valid, legal, and binding obligation of the Maker, enforceable against the Maker in accordance with its terms.

6. Events of Default. The occurrence of any of the following shall constitute an Event of Default hereunder:

6.1 Failure to Pay. The Maker fails to pay (a) any principal amount of the Loan when due; or (b) interest or any other amount when due.

6.2 Breach of Representations and Warranties. Any representation or warranty made by the Maker to the Noteholder herein is incorrect in any material respect on the date as of which such representation or warranty was made.

6.3 Breach of Covenants. The Maker fails to observe or perform any covenant, obligation, condition, or agreement contained in this Note, other than that specified in Section 6.1 and such failure continues for 15 days.

6.4 Bankruptcy.

(a) The Maker commences any case, proceeding, or other action (i) under any existing or future law relating to bankruptcy, insolvency, reorganization, or other relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition, or other relief with respect to it or its debts, or (ii) seeking appointment of a receiver, trustee, custodian, conservator, or other similar official for it or for all or any substantial part of its assets, or the Maker makes a general assignment for the benefit of its creditors;

(b) There is commenced against the Maker any case, proceeding, or other action of a nature referred to in Section 6.4(a) which (i) results in the entry of an order for relief or any such adjudication or appointment or (ii) remains undismissed, undischarged, or unbonded for a period of 60 days;

(c) There is commenced against the Maker any case, proceeding, or other action seeking issuance of a warrant of attachment, execution, or similar process against all or any substantial part of its assets which results in the entry of an order for any such

2 is authorized and empowered to: (i) market the Collateral for proposed sales outside the
3 ordinary course of Defendant's business; and (ii) enter into such contracts as are reasonable
4 and necessary to sell such Collateral outside the ordinary course of Defendant's business

1 must move the Court for relief from this stay. Notwithstanding the preceding sentence:
2 (i) the stay of this Paragraph 5(e) shall terminate as to the Bell Bank Collateral on the
3 ninety-first (91st) day after entry of this Order, upon which Bell Bank shall be entitled to
4 exercise its rights and remedies with respect to the Bell Bank Collateral, subject to the
5 terms of the Lender Agreements; and (ii) the stay of this Paragraph 5(e) applies only to
6 actions against Defendant and/or the Collateral.

7 (f) No Surcharge; Lender Professional Fees. Notwithstanding any other
8 term or provision of this Order: (i) the Bell Bank Collateral and proceeds thereof shall not
9 be surcharged to pay for any of the costs associated with this receivership; and (ii) under
10 no circumstances will the proceeds of the sale of the Bell Bank Collateral be used to fund

12 shall bear their own respective professional fees in connection with this receivership.

13 (g) Personal Liability. No individual or entity may sue the Receiver or
14 the receivership estate without first obtaining the permission of the Court. Nothing in this
15 Order subjects the Receiver to personal liability for acting as the receiver or for any
16 obligations of Defendant or with respect to the Collateral. Any damages resulting from
