(together, “Assignor”), each a debtor and debtor-in-possession in Case No. 23-11131 (TMH) (Jointly Administered) in the United States Bankruptcy Court for the District of Delaware, in favor of THG BEAUTY USA, LLC (“Assignee”).

BACKGROUND

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated as of November 30, 2023 (as amended from time to time, the “Purchase Agreement”), pursuant to which the Assignor has agreed, among other things, to assign and transfer to Assignee certain trademarks and related intellectual property (“Assigned Intellectual Property”).

WHEREAS, it is a condition to the Closing of the Purchase Agreement that Assignor enters into this Assignment to transfer to Assignee such Assigned Intellectual Property.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained herein, and for other good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, and subject to and on the terms and conditions herein set forth, the parties do hereby agree as follows:

1. Assignor hereby irrevocably sells, assigns, transfers and sets over to Assignee, its successors and assigns, without reservation, all of Assignor’s rights, title and interests in and to: (a) the trademark registrations and trademark applications of Assignor set forth on Schedule 1 hereto and all issuances, extensions and renewals thereof and all goodwill therein; (b) the domain names of Assignor set forth on Schedule 2 hereto; (c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world; and (d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing.

2. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Agreement upon request by Assignee. Assignor hereby agrees to execute and deliver all papers, instruments, and assignments, and to perform any other reasonable acts the Assignee may require in order to effect, evidence or perfect the assignments set forth in this Agreement to Assignee, or any assignee or successor thereto, including, without limitation, the execution and delivery of any reasonably necessary documentation and the provision of reasonable cooperation, and the execution of any further documentation and/or Power of Attorney forms to enable the assignments to be recorded at the various Trade Mark Offices.

3. Assignor and Assignee shall use their commercially reasonable efforts to (i) take all actions necessary or appropriate to consummate the transactions contemplated by this Assignment and (ii) from time to time, execute and deliver such other documents, certificates, agreements and other writings, and take such other actions as may be reasonably necessary in order to consummate or evidence or implement expeditiously the transactions contemplated by this Assignment; provided that, as between the parties, Assignee shall be responsible for the preparation of such documents and other instruments that may be necessary to record and/or perfect Assignee's right, title and interest in and to the Assigned Intellectual Property (including, without limitation, with any applicable governmental authorities or Internet domain registrars), and for any and all costs, expenses and fees associated therewith.

4. Nothing contained herein shall be deemed to alter or amend the terms and provisions of the Purchase Agreement, and in the event of any conflict or inconsistency between the terms and provisions of this Assignment and the Purchase Agreement, the terms and provisions of the Purchase Agreement shall be deemed to govern and be controlling in all circumstances.

5. This Assignment, together with the Purchase Agreement, contains the entire agreement of the parties hereto, and no representations, inducements, promises or agreements, oral or otherwise, between the parties not in writing signed by the parties shall be of any force or effect.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to conflicts of law principles thereof.

7. This Agreement shall be binding upon the parties, their successors and assigns, and all others acting by, through, with or under their direction, and all those in privity with them.

8. If any term or provision of this Assignment or any application thereof shall be invalid or unenforceable, the remainder of this Assignment and any other application of such term shall not be affected thereby.
