(5) all rights to sue for past, present, and future infringements thereof; and

(6) all rights corresponding to any of the foregoing throughout the world.

WHEREAS, pursuant to the US Security Agreement and the Copyright Security Agreements, each Grantor party thereto pledged and granted to the Collateral Trustee, on behalf of and for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest, wherever located and whether then owned or thereafter acquired (the “Copyright Security Interest”), in and to (collectively, the “Released Copyright Collateral”):

(1) all copyrights, rights and interests in copyrights, works protectable by copyright, copyright registrations, and copyright applications (“Copyrights”), including the Copyrights listed in Schedule III attached hereto (under the applicable Volume/Document number);

(2) all extensions of any of the foregoing;

(3) all income, royalties, damages, claims and payments now or hereafter due and/or payable under any of the foregoing, including, without limitation, damages or payments for past or future infringements for any of the foregoing;

(4) the right to sue for past, present, and future infringements of any of the foregoing; and

(5) all rights corresponding to any of the foregoing throughout the world; and

WHEREAS, the Collateral Trustee, without recourse, representation or warranty of any kind (express or implied), has agreed to release and fully discharge its security interest, including the Trademark Security Interest, Patent Security Interest and Copyright Security Interest (collectively, the “Security Interests”), in and to the respective Released Trademark Collateral, Released Patent Collateral and Released Copyright Collateral (collectively, the “Released IP Collateral”) that was granted pursuant to the US Security Agreement and respective Trademark Security Agreements, Patent Security Agreements, and Copyright Security Agreements (collectively, the “IP Security Agreements”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Trustee hereby agrees as follows:

SECTION 1. Release of Grant of Security. The Collateral Trustee, without any recourse, representation, warranty or other assurance of any kind, hereby (i) terminates and cancels the IP Security Agreements, (ii) releases and fully discharges its Security Interests in (and any other of its right, title and interest in and to) the Released IP Collateral that was pledged, assigned or granted to it pursuant to the IP Security Agreements or US Security Agreement, as applicable, and (iii) re-assigns to each applicable Grantor any right, title or interest it may have in or to the Released IP Collateral of such Grantor.

SECTION 2. Recordation. The Collateral Trustee authorizes and requests, at the Grantors' sole cost and expense, and without recourse, representation or warranty of any kind (express or implied), that the Commissioner for Trademarks of the United States Patent and Trademark Office, the Commissioner for Patents of the United States Patent and Trademark office, the Register of Copyrights of the United States Copyright Office, and any other applicable government officer record this Release.

SECTION 3. Execution. Delivery of an executed signature page of this Release by email or other electronic means (including in ".pdf" or ".tif" format) shall be as effective as delivery of a manually executed signature page of this Release.

SECTION 4. Governing Law. THIS RELEASE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

[REST OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Collateral Trustee has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
