WHEREAS, Secured Party has agreed to enter into or has entered into financing arrangements, pursuant to a Loan and Security Agreement (Accounts, Contract Rights, Instruments and Goods pertaining thereto) (the "Accounts Agreement"), and the other documents as described therein (all of the foregoing, together with this Agreement, and all other related documents, agreements, instruments or notes, as the same may now exist or may hereafter be amended or supplemented, are collectively referred to herein as the "Agreements").

NOW, THEREFORE, in order to induce Secured Party to enter into the Agreements and in consideration thereof, Debtor hereby grants to Secured Party a security interest in: (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: all of Debtor's trademarks, trade names, trade styles and service marks; all prints and labels on which said trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications, registrations and recordings relating to the foregoing in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other countries, and all reissues, extensions and renewals thereof including those trademarks, terms, design and applications described in Schedule A hereto (the "Trademarks"); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; and (c) all of Debtor's now existing or hereafter acquired right, title and interest in and to: all of Debtor's interests in any patents; all applications, registrations and recordings relating to such patents in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof, any political subdivision thereof and all reissues, extensions and renewals thereof, including, without limitation, those patents, applications, registrations and recordings described in Schedule B hereto (the "Patents"); and (d) any and all proceeds of any of the foregoing, including, without limitation, any

2. OBLIGATIONS SECURED.

The security interests granted to Secured Party in this Agreement shall secure the prompt and indefeasible payment and performance of all now existing and future obligations, liabilities and indebtedness of Debtor to Secured Party of every kind, nature and description, direct or indirect, absolute or contingent, whether arising under this Agreement, the other Agreements, or any other agreement, document or instrument or by operation of law or otherwise, including, without limitation, "Obligations" as defined in the Accounts Agreement (all the foregoing hereinafter referred to as "Obligations").

3. WARRANTIES AND COVENANTS.

D. Any other event of default pursuant to the Agreements shall have occurred, including, but not limited to, any event of default under the Accounts Agreement.

5. RIGHTS AND REMEDIES.

Upon the occurrence of any such Event of Default and at any time thereafter, in addition to all other rights and remedies of Secured Party, whether provided under law, the Agreements or otherwise, and after expiration of any grace period, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder.

A. Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or any marks similar thereto or any Patent for any purpose whatsoever. Secured Party may make use of any Trademarks or Patents for the sale of goods, or rendering of services in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary of Debtor.

B. Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its sole discretion deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

C. Secured Party may assign, sell, or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations, except that Secured Party agrees to provide Debtor with ten (10) days prior written notice of any proposed disposition of the Collateral. Secured Party shall have the power to buy the Collateral. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in Secured Party's sole discretion, deem appropriate or proper to complete such assignment, sale or disposition. In any such event, Debtor shall be liable for any deficiency.

D. In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to subparagraph 5C hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in subparagraph 3E hereof, one or more instruments of assignment of the Trademarks or Patents (or any application, registration, or recording relating thereto), in form suitable for filing, recording or registration. Debtor agrees to pay Secured Party on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees.

E. Secured Party may apply the proceeds actually received from any such license, assignment, sale, or other disposition of Collateral first to the reasonable costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel, and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its sole discretion determine. Debtor shall remain liable to Secured Party for any expenses or obligations remaining unpaid after the application of such proceeds, and Debtor will pay Secured Party on demand any such unpaid amount, together with interest at the rate set forth in the Agreements.

F. In the event that any such license, assignment, sale or disposition of the Collateral (or any part thereof) is made after the occurrence of an Event of Default, Debtor shall supply to Secured Party or Secured Party's designee Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks or to which the Patents relate and Debtor's customer lists and other records relating to the Trademarks and Patents and the distribution thereof.

Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under law, the Agreements, this Agreement, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. MISCELLANEOUS.

A. Any failure or delay by Secured Party to require strict performance by Debtor of any of the provisions, warranties, terms and conditions contained herein or in any other agreement, document, or instrument, shall not affect Secured Party's right to demand strict compliance and performance therewith, and any waiver of any default shall not waive or affect any other default, whether prior or subsequent thereto, and whether of

*the same or of a different type. None of the warranties, conditions, provisions, and terms contained herein or in any other agreement, document, or instrument shall be deemed to have been waived by any act or knowledge of Secured Party, its agents, officers, or employees, but only by an instrument in writing, signed by an officer of Secured Party and directed to Debtor, specifying such waiver.*
