ASSIGNMENT OF TRADEMARKS AND APPLICATIONS

Full Circle Media Corporation, a Connecticut corporation with its principal place of business at 40 Richards Avenue, Norwalk, Connecticut ("Assignor"), has adopted, used, is using, and has applied to register the mark "EMS Expo (and design)" which is identified in the U.S. Patent and Trademark Office under serial no. 75/125,144, and the mark "EMS Expo (stylized)" which is identified in the U.S. Patent and Trademark Office under serial no. 75/118,691. The foregoing marks are referred to collectively as the "Trademarks", and the foregoing applications are referred to collectively as the "Applications." Summer Communications, Inc. ("Assignee") wishes to acquire the Trademarks, all rights arising in connection with the Applications, and the pending registrations of the Trademarks.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns unto Assignee all of its rights, title, and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks, the Applications, and the registrations of the Trademarks. This assignment is made without warranty of any kind whatsoever.

Assignor further assigns to Assignee all right to sue for and receive damages accruing from past infringement of either Trademark.

This Assignment is binding upon the parties, their respective successors and assigns, and all others acting by, through, with, or under their direction, and all those in privity therewith.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized representative as of this 9th day of April, 1998.

REMARKS

This application has been suspended pending the disposition of S.N. 75/118,691. Assignments of that mark to applicant have been sent to the Patent and Trademark Office for recordation. A copy of the assignment and transmittal is attached.

In the present amendment, applicant has identified itself as a California corporation. Further, the recitation of services has been amended in accordance with the Trademark Attorney's kind suggestion. Finally, the required disclaimer has been added. However, it is respectfully suggested that in view of the common ownership of the potentially conflicting marks, and the ownership of the registered mark "EMS®" for a magazine, the requirement for the disclaimer should be reconsidered and withdrawn and that the entry of the disclaimer not be made.

It is noted that no similar registered mark has been found that would bar registration. Accordingly, the Trademark Attorney is respectfully requested to pass the application to publication.

Respectfully submitted,
