Re: Notice of Recordation of Assignment Document

Recordation Date: 01/19/1999  
Reel/Frame: 1841/0263

Dear Ms. Harrell:

The purpose of this letter is to correct a typographical error in the enclosed Recordation Cover Sheet and in the enclosed "Assignment of Marks" that have been recorded. The error in the Recordation Cover Sheet is found in Section 4b. The third trademark registration number "783,988" is in error. The number should be "783,998." Accordingly, I have crossed out the incorrect number, have written in the correct number, and initialled and dated them.

The error in the "Assignment of Marks" is found in Exhibit A. The Registration Number for the "Duplomatic" should be "783,998" instead of "783,988." Accordingly, I have crossed out the incorrect number, have written in the correct number, and initialled and dated them.

Please make these corrections to the recordation and generate a new Notice of Recordation of Assignment Document. I have enclosed a check in the amount of \$40.00 for the requested change.

I am also enclosing a copy of this letter together with a self-addressed, postage-paid envelope. I would appreciate your dating the copy of this letter with the date of receipt of the enclosed document and returning the same to me at your earliest opportunity.

If you have any questions, please call me.

Sincerely yours,

A handwritten signature in black ink, appearing to read "BDH", with a horizontal line extending to the right.
