**CONTINUING SECURITY INTEREST AND
CONDITIONAL ASSIGNMENT OF
PATENTS, TRADEMARKS, COPYRIGHTS AND LICENSES**

This CONTINUING SECURITY INTEREST AND CONDITIONAL ASSIGNMENT OF PATENTS, TRADEMARKS, COPYRIGHTS AND LICENSES (this "Agreement") is dated as of September 24, 1998 by and between CORNERSTONE ACQUISITION, INC., a California corporation (the "Obligor"), and SANWA BUSINESS CREDIT CORPORATION (the "Lender") under that certain Loan and Security Agreement dated as of the date hereof (the "Loan Agreement"; terms used but not otherwise defined herein shall have the respective meanings provided for in the Loan Agreement) among the Obligor and the Lender.

WITNESSETH:

WHEREAS, Obligor (i) owns the patents and patent applications listed on Schedule 1 annexed hereto, and is a party to the patent licenses listed on Schedule 1 annexed hereto, (ii) owns the trademarks, trademark registrations, and trademark registration applications listed on Schedule 2 annexed hereto, and is a party to the trademark licenses listed on Schedule 2 annexed hereto and (iii) owns the copyrights, copyright registrations and copyright registration applications listed on Schedule 3 annexed hereto, and is a party to the copyright licenses listed on Schedule 3 annexed hereto; and

WHEREAS, pursuant to the terms of the Loan Agreement, Obligor has granted to Lender, a security interest in substantially all the assets of Obligor, including all right, title and interest of Obligor in, to and under all now owned and hereafter acquired intellectual property, together with all proceeds thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Obligor hereby agrees as follows:

A. Obligor hereby grants to Lender a continuing security interest in all of Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Patents"), whether presently existing or hereafter created or acquired:

- (1) each patent and patent application of Obligor therefor, including, without limitation, each patent and patent application referred to in Schedule 1 annexed hereto;
- (2) each patent license to which Obligor is a party, including, without limitation, each patent license listed on Schedule 1 annexed hereto; and
- (3) all proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

B. Subject to Section D below, Obligor hereby grants to Lender a continuing security interest in all of Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademarks"), whether presently existing or hereafter created or acquired:

- (1) each trademark, trademark registration and trademark registration application of Obligor, including, without limitation, the trademarks, trademark registrations and trademark registration applications referred to in Schedule 2 annexed hereto and the goodwill associated therewith;
- (2) each trademark license to which Obligor is a party, including, without limitation, each trademark license listed on Schedule 2 annexed hereto; and
- (3) all products and proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

C. Obligor hereby grants to Lender a continuing security interest in all of Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Copyrights"), whether presently existing or hereafter created or acquired:

- (1) each copyright, copyright registration and copyright registration application of Obligor, including, without limitation, the copyright, copyright registrations and copyright registration applications referred to in Schedule 3 annexed hereto;
- (2) each copyright license to which Obligor is a party, including, without limitation, each copyright licensed listed on Schedule 3 annexed hereto; and
- (3) all products and proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

This security interest is granted in conjunction with the security interests granted to Lender pursuant to the Loan Agreement. Obligor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the Patents, Trademarks and Copyrights made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

D. Notwithstanding anything herein to the contrary, this Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Lender of any applications by Obligor for a Trademark based on an intent to use the same if and so long as such application is pending and not matured into a registered Trademark (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use" Applications"), but rather, if and so long as Obligor's Intent-To-Use Application is pending this Agreement shall operate only to create a security interest for collateral purposes in favor of the Lender on such Intent-To-Use Application as collateral security for the Liabilities.

E. In addition to, and not by way of limitation of, all other rights granted to Lender under the Loan Agreement, this Agreement and the Ancillary Agreements, as collateral security only for the complete payment when due of all Liabilities, Obligor hereby, upon the maturity of the Liabilities or the earlier acceleration of any Liability in accordance with the Loan Agreement, and the exercise by Lender of any or all of its rights or remedies with respect to any or all of the Collateral pursuant to Section 11 of the Loan Agreement, sells, assigns, grants, conveys, transfers

and sets over to Lender any and all rights of Obligor under any license and any license agreement with any other party, whether Obligor is a licensor or licensee under such license agreement, and the right to prepare for sale, sell and advertise for sale all Collateral now or hereafter owned by Obligor and now or hereafter covered by such license (all to the extent allowable under such license) and agrees that it will not take any unreasonable action, or permit any unreasonable action to be taken by others subject to its control, including licensees, or fail to take any reasonable action, which could affect the validity or enforcement of the rights transferred to Lender under this Agreement which rights are material to the conduct of Obligor's business. Obligor hereby covenants that, within ten (10) days thereafter, it will notify Lender if any Patent described in subsection (A)(1) hereof, Copyright described in subsection (C)(1) hereof or Trademark described in subsection (B)(1) hereof shall at any time hereafter become subject to any such license agreement and that, together with such notice, it will provide Lender with full identification thereof and with such further documentation as Lender may reasonably request to accomplish or assure the accomplishment of the purpose of this Section E.

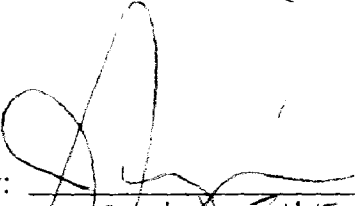

F. Obligor hereby agrees that, upon the maturity of the Liabilities or the earlier acceleration of any Liability in accordance with the Loan Agreement, and the exercise by Lender of any or all of its rights or remedies with respect to any or all of the Collateral pursuant to Section 11 of the Loan Agreement, Lender's right to use all Patents, Copyrights and Trademarks as described above shall be worldwide, to the extent of the Obligor's right to use the same, and without any liability for royalties or other related charges from Lender to any Obligor. The term of the collateral assignments and grant of security interest granted herein shall extend until the expiration of each of the Patents, Copyrights and Trademarks collaterally assigned hereunder, or until the Liabilities have been paid in full in cash and all commitments to lend thereunder terminated.

G. Obligor represents and warrants that the United States and foreign Patents, Copyrights and Trademarks constitute all of the patents, patent applications, copyrights, copyright registrations, copyright registration applications, trademarks, trademark registrations, trademark registration applications and licenses with respect to any of the foregoing now owned by Obligor. Within ten (10) days after the creation thereof, Obligor shall identify in writing to Lender all new applications for United States and foreign letters patent, copyright registrations and trademark registrations and licenses of Obligor, which new applications, patents, copyright registrations, trademark registrations and licenses shall be subject to the terms and conditions of the Loan Agreement and this Agreement.

[signature pages follow]

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed by its duly authorized officer as of September 24, 1998.
