Assistant Commissioner for Trademarks

ATTN: ASSIGNMENT BRANCH

Sir:

Registrant/Applicant, Immunex Corporation, a corporation of the State of Washington, having a principal place of business at 51 University Street, Seattle, Washington 98101, hereby requests the examiner to expedite recordation of the assignment documents attached hereto. Immunex Corporation is the owner of the twelve above-identified registrations and one application and the marks shown therein as is evidenced by the attached documents.

The reason for the present request to expedite recordation is that Registrant/Applicant will soon file §§ 8 and 15 Affidavits with respect to some of the above-identified registrations. Accordingly, Registrant/Applicant wishes to ensure that the assignment records of the U.S. Patent and Trademark Office are immediately updated in order to provide as soon as possible an accurate chain of title for the use of the post-registration examiner.

ASSIGNMENT BRANCH

Regarding 13 Marks of
Immunex Corporation

To assist the assignments examiner, Registrant/Applicant provides the attached Chain of Title Diagram. As the diagram shows, two sets of documents are presented for recordation. The two sets of documents effect transfer of ownership of a total of thirteen trademarks to Registrant/Applicant, Immunex Corporation, a corporation of the State of Washington.

The assignment and merger documents relate to two groups of trademarks, "Group A" and "Group B." Group A consists of five marks. Group B consists of eight marks.

The attached set of documents, ("Set 2") pertains to documents regarding both Group A and Group B marks. The documents of Set 2 have an effective date of April 29, 1994. Set 2 includes a *nunc pro tunc* assignment of the five Group A marks and eight Group B marks to the present Registrant/Applicant.¹

Registrant/Applicant believes that the attached documents comply with §501.01 of *seq.* of the Trademark Manual of Examining Procedure. Moreover, Registrant/Applicant urges that the attached assignment and merger documents, along with the attached Chain of Title Diagram, establish with certainty that Immunex Corporation, a corporation of the State of Washington, is the owner of the thirteen above-identified registrations and application and the marks shown therein. Accordingly, Registrant/Applicant requests expedited recordation of the attached assignment and merger documents.

A first set of documents ("Set 1") is filed contemporaneously under separate Form PTO-1594 cover and pertains to documents regarding only the Group A marks. The documents of Set 1 have an effective date of June 1, 1993. Set 1 includes a *nunc pro tunc* assignment of the five Group A registrations to the predecessor of the present Registrant/Applicant.
