TRADEMARK AND TRADEMARK APPLICATIONS SECURITY AGREEMENT

This Trademark and Trademark Applications Security Agreement (the "Trademark Security Agreement") is made as of the 15th day of December, 1999 by Pacific Bestours, Inc., a New Jersey Corporation with its principal office at 80 S.W. 8th Street, Miami, Florida (the "Company"), and BankBoston, N.A., a national banking association with its offices at 100 Federal Street, Boston, Massachusetts (the "Secured Party").

RECITALS

WHEREAS, pursuant to a certain Revolving Credit and Term Loan Agreement dated as of June 30, 1999 (as amended and in effect from time to time, the "Loan Agreement") made between Far & Wide Travel Corporation ("Far & Wide") and the Secured Party, as Agent for itself and certain other lenders, the Secured Party has entered into a certain loan arrangement with Far & Wide (the "Loan");

WHEREAS, as additional security for the Loan and in order to induce the Secured Party to enter into the Loan, the Company executed and delivered to the Secured Party, among other documents, instruments and agreements, (a) a certain Unlimited Guaranty of even date herewith and (b) a certain Security Agreement of even date herewith (the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Company has granted to the Secured Party a security interest in the Company's Collateral (as defined in the Security Agreement) to secure the Obligations (as defined in the Security Agreement) of the Company to the Secured Party;

WHEREAS, to further secure the Obligations and to more fully vest the security interest granted in the Security Agreement, the Company has executed this Trademark Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Company, and the Secured Party agree as follows:

1. All capitalized terms used herein and not otherwise defined have the same meaning herein as in the Security Agreement.
2. To secure the Obligations, the Company hereby grants a security interest in favor of, and collaterally assigns to the Secured Party, with power of sale in and to the following and all proceeds thereof:
 - (1) All of the Company's now owned or existing or hereafter acquired or arising trademarks, trademark applications, service marks,

registered service marks, service mark applications including, without limitation, those listed on **EXHIBIT A** annexed hereto and made a part hereof, together with any goodwill connected with and symbolized by any such trademarks, trademark applications, service marks, registered service marks, and service mark applications.

(2) All renewals of any of the foregoing.

(3) All income, royalties, damages and payments now and hereafter due and/or payable under and with respect to any of the foregoing, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof.

(4) The right to sue for past, present and future infringements and dilutions of any of the foregoing.

(5) All of Company's rights corresponding to any of the foregoing throughout the world.

All of the foregoing trademarks, trademark applications, service marks, registered service marks, and service mark applications described in Subsection 2.(a), together with the items respectively described in Subsections 2.(b) through and including 2.(e) are hereinafter individually and/or collectively referred to as the "**Trademarks**".

3. Until this Trademark Security Agreement is terminated in writing by a duly authorized officer of the Secured Party, the Company shall undertake the following with respect to each Trademark:

(1) Pay all renewal fees and other fees and costs associated with maintaining the Trademarks and with the processing of the Trademarks.

(2) At Company's sole cost, expense, and risk, take any and all action which may be necessary or desirable, as determined by the Company, to protect the Trademarks, including, without limitation, the prosecution and defense of infringement actions.

4. The Company represents and warrants that:

(1) **EXHIBIT A** includes all of the registered trademarks, Federal trademark applications, registered service marks and Federal service mark applications now owned by the Company.

(2) No liens, claims or security interests have been granted in any Trademark by the Company to any person other than to the Secured Party, and the Trademarks shall hereafter remain free and clear of all liens, encumbrances, or security interests to any person other than to the Secured Party.

5. In order to further secure the Obligations:

(1) The Company shall give the Secured Party written notice (with reasonable detail) within thirty (30) days following the occurrence of any of the following:

(1) The Company obtains rights to, and files applications for registration of, any new trademarks, or service marks, or otherwise acquires ownership of any newly registered trademarks, registered service marks, trademark applications, or servicemark applications, (other than the Company's right to sell products containing the trademarks of others in the ordinary course of Company's business).

(2) The Company's becoming entitled to the benefit of any registered trademarks, trademark applications, trademark licenses, trademark license renewals, registered service marks, service mark applications, service mark licenses or service mark license renewals whether as licensee or licensor (other than Company's right to sell products containing the trademarks of others in the ordinary course of Company's business).

(3) The Company enters into any new trademark license agreement or service mark license agreement.

(2) The provisions of this Trademark Security Agreement shall automatically apply to any such additional property or rights described in Section 5(a) above, all of which shall be deemed to be and treated as "Trademarks" within the meaning of this Trademark Security Agreement.

(3) The Company hereby authorizes the Secured Party to modify this agreement by amending **EXHIBIT A** to include any future registered trademarks, trademark applications, registered service marks and service mark applications, written notice of which is so given, *provided, however*, the modification of said **EXHIBIT** shall not be a condition to the creation or perfection of the security interest created hereby.

6. Prior to the Secured Party's giving of notice to the Company following the occurrence of an Event of Default, the Company shall have the exclusive right to sue for past, present and future infringement of the Trademarks including the right to seek injunctions and/or money damages, in an effort by Company to protect the Trademarks against encroachment by third parties, *provided, however*:

(1) Any money damages awarded or received by the Company on account of such suit (or the threat of such suit) shall constitute Collateral.

(2) Following the occurrence and continuance of any Event of Default, the Secured Party, by notice to the Company may terminate or limit the Company's rights under this Section 6.

7. In the event of

(1) the Company's failure, within ten (10) days of written notice from the Secured Party, to cure any failure by the Company to perform any of the Company's obligations hereunder; and/or

(2) the occurrence of any Event of Default,

the Secured Party, acting in its own name or in that of the Company, may (but shall not be required to) act in the Company's place and stead and/or in the Secured Party's own right in connection therewith.

8. Upon the occurrence and continuance of any Event of Default, the Secured Party may exercise all rights and remedies of a secured party upon default under the Uniform Commercial Code as adopted in Massachusetts (Massachusetts General Laws, Chapter 106), with respect to the Trademarks, in addition to which the Secured Party, subject to the terms of the Loan Agreement, may sell, license, assign, transfer, or otherwise dispose of the Trademarks. Any person may conclusively rely upon an affidavit of an officer of the Secured Party that an Event of Default has occurred and that the Secured Party is authorized to exercise such rights and remedies.
9. The Company hereby irrevocably constitutes and designates the Secured Party as and for the Company's attorney in fact, exercisable following the occurrence and continuance of any Event of Default:
 - (1) To exercise any of the rights and powers referenced in Sections 3 and 6 hereof.
 - (2) To execute all and singular such instruments, documents, and papers as the Secured Party determines to be appropriate in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Trademarks.

The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until the within Trademark Security Agreement is terminated by a duly authorized officer of the Secured Party.

10. Any use by the Secured Party of the Trademarks as authorized hereunder in connection with the exercise of the Secured Party's right and remedies under this Trademark Security Agreement and the Security Agreement shall be

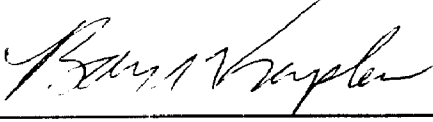

coextensive with Company's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Secured Party to the Company.

11. Following the payment and satisfaction of all Obligations, and the termination of the commitment of the Lenders under the Loan Agreement, this Trademark Security Agreement shall terminate and the Secured Party shall execute and deliver to Company, at Company's cost and expense, all such instruments as the Company reasonably may request to release any encumbrance in favor of the Secured Party created hereby or pursuant hereto, subject, however, to any disposition thereof which may have been made by Secured Party pursuant hereto or pursuant to the Loan Agreement.
12. The Company shall, at the request of the Secured Party, do any and all acts and execute any and all documents reasonably required by the Secured Party in connection with the protection, preservation, and enforcement of the Secured Party's rights hereunder.
13. The Company shall, upon demand, reimburse the Secured Party for all costs and expenses incurred by the Secured Party in the exercise of any rights hereunder (including, without limitation, fees and expenses of counsel).
14. This Trademark Security Agreement is intended to be supplemental of the Security Agreement. In the event of a conflict between this Trademark Security Agreement or the Security Agreement, the terms of this Trademark Security Agreement shall control with respect to the Trademarks.

IN WITNESS WHEREOF, the Company and the Secured Party respectively have caused this Trademark Security Agreement to be executed by officers duly authorized so to do on the date first above written.
