**§ 3.25 Recording requirements for trademark applications and registrations.**

(a) **Documents affecting title.** To record documents affecting title to a trademark application or registration, a legible cover sheet (see § 3.31) and one of the following must be submitted:

- (1) The original document;
- (2) A copy of the document;
- (3) A copy of an extract from the document evidencing the effect on title; or
- (4) A statement signed by both the party conveying the interest and the party receiving the interest explaining how the conveyance affects title.

(b) **Name changes.** Only a legible cover sheet is required (See § 3.31).

(c) **All documents.** All documents submitted to the Office should be on white and non-shiny paper that is no larger than 8 1/2 x 14 inches (21.6 x 33.1 cm.) with a one-inch (2.5 cm) margin on all sides. Only one side of each page should be used.

62. Revise § 3.28 to read as follows:

**§ 3.28 Requests for recording.**

Each document submitted to the Office for recording must include at least one cover sheet as specified in § 3.31 referring either to those patent applications and patents, or to those trademark applications and registrations, against which the document is to be recorded. If a document to be recorded includes interests in, or transactions involving, both patents and trademarks, separate patent and trademark cover sheets should be submitted. Only one set of documents and cover sheets to be recorded should be filed. If a document to be recorded is not accompanied by a completed cover sheet, the document and the incomplete cover sheet will be returned pursuant to § 3.51 for proper completion. The document and a completed cover sheet should be resubmitted.

63. Amend § 3.31 by revising paragraphs (a) and (b) and by adding paragraphs (d) and (e) to read as follows:

**§ 3.31 Cover sheet content.**

(a) Each patent or trademark cover sheet required by § 3.28 must contain:

- (1) The name of the party conveying the interest;
- (2) The name and address of the party receiving the interest;
- (3) A description of the interest conveyed or transaction to be recorded;
- (4) Identification of the interests involved:

(i) **For trademark assignments and trademark name changes:** Each trademark registration number and each trademark application number, if known, against which the Office is to record the document. If the trademark application number is not known, a copy of the application or a reproduction of the trademark must be submitted, along with an estimate of the date that the Office received the application; or

(ii) **For any other document affecting title to a trademark or patent application, registration or patent:** Each trademark or patent application number or each trademark registration number or patent against which the document is to be recorded, or an indication that the document is filed together with a patent application;

(5) The name and address of the party to whom correspondence concerning the request to record the document should be mailed;

(6) The date the document was executed;

(7) An indication that the assignee of a trademark application or registration who is not domiciled in the United States has designated a domestic representative (see § 3.61); and

(8) The signature of the party submitting the document.

(b) A cover sheet should not refer to both patents and trademarks, since any information, including information about pending patent applications, submitted with a request for recordation of a document against a trademark application or trademark registration will become public record upon recordation.
