THIS PATENT, TRADEMARK AND LICENSE MORTGAGE ("Mortgage") made as of this 11th day of August, 1999, by **VILTER MANUFACTURING CORPORATION**, a Wisconsin corporation, with its principal place of business at 5555 South Packard Avenue, Cudahy, Wisconsin 53110 ("Mortgagor"), in favor of **LASALLE BUSINESS CREDIT, INC.**, with an office at 135 South LaSalle Street, Chicago, Illinois 60603 ("Mortgagee"):

WITNESSETH:

WHEREAS, Mortgagor and Mortgagee are parties to a certain Loan and Security Agreement ("Security Agreement") and other related loan documents of even date herewith (collectively, with the Security Agreement, "Loan Agreements"), which Loan Agreements provide (i) for Mortgagee to, from time to time, extend credit to or for the account of Mortgagor and (ii) for the grant by Mortgagor to Mortgagee of a security interest in certain of Mortgagor's assets including, without limitation, its patents, patent applications, trademarks, trademark applications, tradenames, service marks, service mark applications, goodwill and licenses;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, Mortgagor agrees as follows:

1. Capitalized Terms. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreements.

2. Mortgage of Patents, Trademarks and Licenses. To secure the complete and timely satisfaction of all of Mortgagor's "Liabilities" (as defined in the Security Agreement), Mortgagor hereby grants, bargains, assigns, mortgages, pledges, sells, creates a security interest in, transfers and conveys to Mortgagee, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale, to the extent permitted by law or by the specific license agreements, upon the occurrence of an "Event of Default" (as defined in the Security Agreement) all of Mortgagor's right, title and interest in and to all of its now existing and hereafter created or acquired:

(i) patents and patent applications including, without limitation, the inventions and improvements described and claimed therein, and those patents listed on Exhibit A attached hereto and hereby made a part hereof, and (a) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (b) all income, royalties, damages and payments now and hereafter

due or payable under or with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for, or bring injunctive proceedings with respect to, past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (all of the foregoing patents and applications, together with the items described in clauses (a)-(d) of this subsection 2(i), are sometimes hereinafter referred to individually as a "Patent" and, collectively, as the "Patents");

(ii) trademarks, trademark registrations, trademark applications, tradenames and tradestyles, service marks, service mark registrations and service mark applications including, without limitation, the trademarks, tradenames, service marks and applications and registrations thereof listed on Exhibit B attached hereto and hereby made a part hereof, and (a) renewals or extensions thereof, (b) all income, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for, or bring injunctive proceedings with respect to, past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (all of the foregoing trademarks, tradenames and tradestyles, service marks and applications and registrations thereof, together with the items described in clauses (a)-(d) of this subsection 2(ii), are sometimes hereinafter referred individually as a "Trademark" and, collectively, as "Trademarks");

(iii) all license agreements with respect to any of the Patents or the Trademarks or any other patent, trademark, service mark or any application or registration thereof or any other tradename or tradestyle between Mortgagor and any other party, whether Mortgagor is a licensor or licensee under any such license agreement including, without limitation, the licenses listed on Exhibit C attached hereto and hereby made a part hereof, but specifically excluding all such license agreements and licenses if and to the extent that Mortgagor is prohibited from transferring, assigning or granting a security interest in the same (all of the foregoing license agreements and Mortgagor's rights thereunder, subject to the exclusions set forth in this Section 2(iii), are referred to collectively as "Licenses");

(iv) the goodwill of Mortgagor's business connected with and symbolized by the Trademarks; and

(v) the books, records, computer tapes or disks, instructions, flow diagrams, specification sheets, source codes, object codes, and any other physical manifestations or documentation relating to any of the foregoing.

3. Warranties and Representations. Mortgagor warrants and represents

o Mortgagee that:

(i) The Patents, Trademarks and Licenses have not been adjudged invalid or unenforceable and have not been cancelled, in whole or in part, and are presently subsisting;

(ii) Each of the Patents, Trademarks and Licenses is valid and enforceable;

(iii) Mortgagor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Licenses, free and clear of any liens, charges and encumbrances including, without limitation, licenses, shop rights and covenants by Mortgagor not to sue third persons;

(iv) Mortgagor has adopted, used and is currently using all of the Trademarks;

(v) Mortgagor has no notice of any suits or actions commenced or threatened with reference to the Patents, Trademarks or Licenses and no claim has been made that the ownership or use of any of the Patents, Trademarks and Licenses owned or used by Borrower, or the manufacture, use or sale of any product made in accordance therewith or service rendered thereunder, does or may violate the rights of any third Person, and Borrower has no knowledge of any third-party rights which may be infringed or otherwise violated by the use of any of the Patents, Trademarks and Licenses;

(vi) Each of the Patents has been properly registered in the United States Patent Office, or the appropriate Foreign Filing Offices, as the case may be, and each of the Trademarks has been properly registered with the United States Patent and Trademark Office, or the appropriate Foreign Filing Offices, as the case may be. Borrower has properly completed all required filings, payments, renewals and obligations in the United States Patent and Trademark or the appropriate Foreign Filing Offices, as the case may be, to maintain the Patents, Trademarks and Licenses as fully valid and enforceable; and

(vii) Mortgagor has the right to execute and deliver this Mortgage and perform its terms and has entered into or will enter into written agreements with each of its present and future employees, agents and consultants which will enable it to comply with the covenants contained herein.

(viii) The Patents, Trademarks and Licenses described on Exhibits A, B and C hereto constitute all the Patents, Trademarks and Licenses which or in which Mortgagor, as of the date hereof, owns, possesses or has an interest.

4. Restrictions on Future Agreements. Mortgagor agrees that until Mortgagor's Liabilities shall have been satisfied in full and the Loan Agreements shall have been terminated, Mortgagor shall not sell or assign its interest in, or grant any license under, the Patents, Trademarks or Licenses, or enter into any other agreement with respect to the Patents, Trademarks or Licenses which is inconsistent with Mortgagor's obligations under this Mortgage, without the prior written consent of Mortgagee, and Mortgagor further agrees that it shall not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action (solely with respect to the Patents and the Tradenames), which would affect the validity or enforcement of the rights transferred to Mortgagee under this Mortgage.

5. New Patents, Trademarks, and Licenses. Mortgagor represents and warrants that, to the best of Mortgagor's knowledge, the Patents, Trademarks and Licenses listed on Exhibits A, B and C, respectively, constitute all of the Patents, Trademarks, and Licenses now owned by Mortgagor. If, before Mortgagor's Liabilities shall have been satisfied in full or before the Loan Agreements have been terminated, Mortgagor shall (i) become aware of any existing Patents, Trademarks or Licenses of which Mortgagor has not previously informed Mortgagee, (ii) obtain rights to any new patentable inventions, Patents, Trademarks or Licenses, or (iii) become entitled to the benefit of any Patents, Trademarks or Licenses or any improvement on any Patent, the provisions of this Mortgage above shall automatically apply thereto and Mortgagor shall give to Mortgagee prompt written notice thereof. Mortgagor hereby authorizes Mortgagee to modify this Mortgage by amending Exhibits A, B and C, as applicable, to include any such Patents, Trademarks and Licenses.

6. Royalties; Terms. The term of the mortgages granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Trademarks and Licenses assigned hereunder, and (ii) Mortgagor's Liabilities have been paid in full and the Loan Agreements have been terminated. Upon the occurrence of an Event of Default, Mortgagor agrees that the use by Mortgagee of all Patents, Trademarks and Licenses shall be worldwide and without any liability for royalties or other related charges from Mortgagee to the Mortgagor.

7. Grant of License to Mortgagor. Unless and until an Event of Default shall have occurred, Mortgagee hereby grants to Mortgagor the exclusive, nontransferable right and license to use the Trademarks in the ordinary course of its business, to exercise Mortgagee's rights under the Licenses, and to make, have made, use and sell the inventions disclosed and claimed in the Patents for Mortgagor's own benefit and account and for none other. Mortgagor shall use the Trademarks only on goods of at least as high quality as the goods on which Mortgagor or its predecessor used the goods prior to the date hereof.

Mortgagor agrees not to sell or assign its interest in, or grant any sublicense under, the license granted to Mortgagor in this Section 7, without the prior written consent of Mortgagee. From and after the occurrence of an Event of Default, Mortgagor's license with respect to the Patents, Trademarks and Licenses set forth in this Section 7 shall terminate forthwith, and Mortgagee shall have, in addition to all other rights and remedies given it by this Mortgage, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any of the jurisdictions in which the Patents, Trademarks or Licenses may be located.

8. Mortgagee's Right to Inspect. Mortgagee shall have the right, at any time and from time to time during normal business hours and prior to payment in full of Mortgagor's Liabilities and termination of the Loan Agreements, to inspect Mortgagor's premises and to examine Mortgagor's books, records and operations, including, without limitation, Mortgagor's quality control processes. Mortgagor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of said products as of the date hereof and (ii) to provide Mortgagee, upon Mortgagee's request from time to time, with a certificate of an officer of Mortgagor certifying Mortgagor's compliance with the foregoing. Upon the occurrence of an Event of Default, Mortgagor agrees that Mortgagee, or a conservator appointed by Mortgagee, shall have the right to establish such additional product quality controls as Mortgagee, or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by Mortgagor under the Trademarks.

9. Release of Mortgage. This Mortgage is made for collateral purposes only. Upon payment in full of Mortgagor's Liabilities and termination of the Loan Agreements, Mortgagee shall execute and deliver to Mortgagor all deeds, assignments and other instruments, and shall take such other actions, as may be necessary or proper to re-vest in Mortgagor full title to the Patents, Trademarks, and Licenses, subject to any disposition thereof which may have been made by Mortgagee pursuant hereto or pursuant to the Loan Agreements.

10. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Mortgagor. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' and paralegals' fees and legal expenses, incurred by Mortgagee in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Patents, Trademarks and Licenses, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents, Trademarks and Licenses, shall be borne by and paid by Mortgagor on demand by Mortgagee and until so paid shall be added to the principal amount of Mortgagor's Liabilities and shall bear interest at the rate for "Revolving Loans" (as defined in the Security Agreement).

11. Duties of Mortgagor. Mortgagor shall have the duty (i) to prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or thereafter until Mortgagor's Liabilities shall have been paid in full, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as appropriate, and to the extent commercially reasonable, (iii) to preserve and maintain all rights in the Patents, Trademarks and Licenses, (iv) to keep the Patents, Trademarks and Licenses free from any and all liens and encumbrances except those granted hereunder and created under the Loan Agreements and Permitted Liens (as defined in the Security Agreement); and (v) to ensure that the Patents, Trademarks and Licenses are and remain enforceable. Any expenses incurred in connection with Mortgagor's obligations under this Section 11 shall be borne by Mortgagor. Mortgagor shall not abandon any right to file a patent, trademark or service mark application, or abandon any pending patent application, or any other Patent, Trademark or License without the consent of Mortgagee.

12. Mortgagee's Right to Sue. After the occurrence of an Event of Default, Mortgagee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, Trademarks and Licenses and, if Mortgagee shall commence any such suit, Mortgagor shall, at the request of Mortgagee, do any and all lawful acts and execute any and all proper documents required by Mortgagee in aid of such enforcement and Mortgagor shall promptly, upon demand, reimburse and indemnify Mortgagee for all reasonable costs and expenses incurred by Mortgagee in the exercise of its rights under this Section 12.

13. Waivers. No course of dealing between Mortgagor and Mortgagee, nor any failure to exercise, nor any delay in exercising, on the part of Mortgagee, any right, power or privilege hereunder or under the Loan Agreements shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Mortgage are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Mortgage in any jurisdiction.

15. Modification. This Mortgage cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Power of Attorney; Effect on Financing Agreement. All of Mortgagee's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby or by the Loan Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

Upon the occurrence of an Event of Default, Mortgagor hereby authorizes Mortgagee to make, constitute and appoint any officer or agent of Mortgagee as Mortgagee may select, in its sole discretion, as Mortgagor's true and lawful attorney-in-fact, with power to (i) endorse Mortgagor's name on all applications, documents, papers and instruments necessary or desirable for Mortgagee in the use of the Patents, Trademarks and Licenses, or (ii) take any other actions with respect to the Patents, Trademarks and Licenses as Mortgagee deems to be in the best interest of Mortgagee, or (iii) grant or issue any exclusive or non-exclusive license under the Patents, Trademarks or Licenses to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Trademarks or Licenses to anyone at public or private sale or sales, at Mortgagor's office or elsewhere, for cash or on credit or for future delivery and upon such other terms as Mortgagee deems commercially reasonable; or (v) demand, collect, receive payment of, give receipts for, and give discharges and releases of, all or any of the Patents, Trademarks or Licenses; or (vi) to sign the name of Borrower on any invoice relating to any of the Patents, Trademarks or Licenses; or (vii) to commence and prosecute any and all suits, actions, or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Patents, Trademarks or Licenses or to enforce any rights in respect of any Patents, Trademarks or Licenses; or (viii) to settle, compromise, compound, adjust, or defend any actions, suits, or proceedings relating to or pertaining to any or any of the Patents, Trademarks or Licenses; or (ix) to license or, to the extent permitted by applicable law, sub-license, whether general, special, or otherwise, and whether on an exclusive or non-exclusive basis, any Patent, Trademark, or License, throughout the world for such term or terms, on such conditions, and in such a manner as the Mortgagee shall determine; or (x) generally use, sell, assign, transfer, pledge, make any agreement with respect to, or otherwise deal with all or any of the Patents, Trademarks or Licenses, and to do all other acts and things necessary to carry out the purpose of this Agreement, as fully and completely as though the Mortgagee were the absolute owner of the Patents, Trademarks or Licenses for all purposes. Mortgagee hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. Mortgagee may bid or become a purchaser at any public or private sale or sales of the Patents, Trademarks and Licenses free of any right or equity of redemption. Mortgagee may also bid and become a purchaser at any public or private sale or sales of the Patents, Trademarks and Licenses free of any right or equity of redemption. Mortgagor agrees that such attorney shall not be obligated to give more than ten (10) days written notice of the time and place of any public sale or of the time after which any private sale may take place and that such notice shall constitute reasonable notice of such matters. Mortgagor shall be jointly and severally liable for all expenses of retaking, holding, preparing for sale, or the like, and all reasonable attorneys' fees, legal expenses and all other costs and expenses incurred by the Mortgagee in connection with the collection of the Liabilities and the enforcement of the Mortgagee's rights under the Loan Agreement. Such attorney shall not be obligated to make any sale of Patents, Trademarks and Licenses if it shall determine not to do so, regardless of the fact that notice of sale of Patents, Trademarks and Licenses may have been given. Such attorney may, without notice or publication, adjourn from time to time by announcement of the time and place fixed for sale, and such sale may, without further notice, be made at any time and place to which the same was so adjourned. To the fullest extent

permitted by applicable law, Mortgagor agrees that it will not at any time insist upon, pledge, claim or take benefit or advantage of any law nor or hereafter in force providing for any appraisal, valuation, stay, extension or redemption, and Mortgagor for itself, such Mortgagor's representatives, receivers, trustees, successors and assigns, and for any and all Persons claiming any interest in the Patents, Trademarks and Licenses, hereby WAIVES and RELEASES all rights of redemption, valuation, appraisal, and all rights to marshalling of the assets of Mortgagor, including the Patents, Trademarks and Licenses.

This power of attorney shall be irrevocable until Mortgagor's Liabilities shall have been paid in full and the Security Agreement, including any amendments thereto, has been terminated. Mortgagor acknowledges and agrees that this Mortgage is not intended to limit or restrict in any way the rights and remedies of Mortgagee under the Loan Agreements but rather is intended to facilitate the exercise of such rights and remedies. Mortgagee shall have, in addition to all other rights and remedies given it by the terms of this Mortgage and the Loan Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks or Licenses may be located.

17. Binding Effect; Benefits. This Mortgage shall be binding upon the Mortgagor and its respective successors and assigns, and shall inure to the benefit of Mortgagee, its successors, nominees and assigns.

18. Governing Law. This Mortgage shall be governed by and construed in accordance with the internal laws of the State of Illinois.

20. Further Assurances. Mortgagor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Mortgagee shall reasonably request from time to time in order to carry out the purpose of this Mortgage and agreements set forth herein.

21. Survival of Representations. All representations and warranties of Mortgagor contained in this Mortgage shall survive the execution and delivery of this Mortgage and shall be remade on the date of each borrowing under the Loan Agreements.
