Pending Actions

1. Potential Opposition by Automed Technologies Inc. Against Rite Aid RAPID SCRIPT Application

Name Rite, L.L.C. currently holds a pending application for the federal registration of the marks RAPIDSCRIPT (Ser. No. 75/541,962), PROMPTSCRIPT (Ser. No. 75/547,199), QUICKFILL (Ser. No. 75/547,599), SCRIPTFAST (Ser. No. 75/547,149) and SWIFTSCRIPT (Ser. No. 75/547,802), all for use in connection with pharmacy services. PCS Health Systems, Inc. ("PCS") currently holds a pending application for the mark PCS FASTFILL (75/741,313) for use in connection with online prescription drug fulfillment services. Beginning in July 1999, Automed Technologies Inc. ("Automed") filed with the Trademark Trial and Appeal Board ("TTAB") of the United States Patent and Trademark Office ("PTO") a series of extensions of time to oppose the registration of the marks held by Name Rite, L.L.C. These extensions are current through the present time.

In November 1999, Rite Aid counsel was contacted by counsel for Automed, who proposed that Rite Aid, PCS and Automed agree to continue to use their respective marks in connection with their respective services without objection by the others, and that none enter into the markets of the others using a similar mark. Rite Aid, PCS and Automed have agreed in principal to the terms under which this matter may be resolved, and the parties are currently finalizing a written Settlement Agreement to dispose of this matter. Resolution is anticipated.

2. Opposition Proceeding Before TTAB Regarding LIFE CHEK Trade-mark (No. 110,539)

On June 10, 1997, Rite Aid filed an intent-to-use application with the PTO for federal registration of the LIFE CHECK mark for use in connection with the "pharmacy services, namely, monitoring drug interaction" in Class 42 (75/306,055). At the time this application was filed, Rite Aid's former trademark counsel was unaware that on April 11, 1997, another entity, MOI Corp. of Pittsburg, PA, had filed an intent-to-us application for the registration of LIFE CHEK for use in connection with "computer hardware and software for monitoring prescription drug compliance" in Class 9, and "medical devices, namely, calorie sensors and heart rate monitors" in

SECTION 4.01. *Delivery of Instruments.* If an Intercompany Advance owned by such Grantor shall be or become evidenced by any promissory note, or other Instrument, upon the request of the Senior Collateral Agent, such promissory note, or other Instrument shall be immediately delivered to the Senior Collateral Agent, duly indorsed in a manner reasonably satisfactory to the Senior Collateral Agent, to be held as Senior Collateral pursuant to this Agreement.

SECTION 4.03. *Maintenance of Perfected Security Interest; Further Documentation.*
(a) Each Grantor shall cause all filings and other actions listed in Schedule 1 to be taken. Each Grantor shall maintain the security interests created by this Agreement as first priority perfected security interests subject only to Permitted Liens, to the extent such Permitted Liens are expressly permitted by the Senior Loan Documents to have priority, and shall defend such security interests against all claims and demands of all persons whomsoever (other than those pursuant to Permitted Liens).

(b) At any time and from time to time, upon the written request of the Senior Collateral Agent, and at the sole expense of a Grantor, such Grantor shall promptly and duly execute and deliver such further instruments and documents and take such further action as the Senior Collateral Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Uniform Commercial Code in effect in any jurisdiction with respect to the security interests created hereby.

(c) No Grantor shall intentionally enter into any contract, lease or license in contemplation of this Agreement, which by its terms would validly prohibit the grant of a security interest herein.

SECTION 4.04. *Changes in Locations, Name, etc.* A Grantor shall not, except (x) upon prior written notice to the Senior Collateral Agent and delivery to the Senior Collateral Agent of a written supplement to Schedule 2 showing the additional location or locations at which Inventory shall be kept, and (y) if filings under the Uniform Commercial Code or otherwise have been made which maintain in favor of the Senior Collateral Agent a valid, legal and perfected security interest in the Senior Collateral subject to no liens, other than Permitted Liens,

(a) permit any of the Inventory to be kept at a location other than those listed in Schedule 2 hereto, except for Inventory in transit between locations described in this paragraph (a);

(b) change the location of its chief executive office, principal place of business and jurisdiction of incorporation from that specified in Schedule 10 hereto; or

(c) change its (i) corporate name or any trade name used to identify it in its conduct of business or in the ownership of its properties, (ii) identity or (iii) corporate structure to such an extent that any financing statement filed in favor of the Senior Collateral Agent in connection with this Agreement would become seriously misleading.

SECTION 4.05. *Further Identification of Senior Collateral.* Each Grantor shall furnish to the Senior Collateral Agent from time to time statements and schedules further identifying and describing the Senior Collateral and such other reports in connection with such Senior Collateral as the Senior Collateral Agent may reasonably request, all in reasonable detail.

(a) any Lien (other than security interests created hereby or Permitted Liens) on any material portion of the Senior Collateral; and

(b) the occurrence of any other event which could reasonably be expected to have a material adverse effect on the security interests created hereby or on the aggregate value of the Senior Collateral.

SECTION 4.07. *Senior Collateral Agent's Liabilities and Expenses; Indemnification.*

(a) Notwithstanding anything to the contrary provided herein, neither the Senior Collateral Agent nor any other Senior Secured Party assumes any liabilities with respect to any claims regarding each Grantor's ownership (or purported ownership) of, or rights or obligations (or purported rights or obligations) arising from, the Senior Collateral or any use (or actual or alleged misuse) whether arising out of any past, current or future event, circumstance, act or omission or otherwise, or any claim, suit, loss, damage, expense or liability of any kind or nature arising out of or in connection with the Senior Collateral or the production, marketing, delivery, sale or provision of goods or services under or in connection with any of the Senior Collateral. All of such liabilities shall, as between the Senior Collateral Agent, the Senior Secured Parties and the Grantors, be borne exclusively by the Grantors unless such liability arises from the gross negligence or willful misconduct of the Senior Collateral Agent or any Senior Secured Party.

(b) Each Grantor hereby agrees to pay all reasonable expenses of the Senior Collateral Agent and the other Senior Secured Parties and to indemnify the Senior Collateral Agent and the other Senior Secured Parties with respect to any and all losses, claims, damages, liabilities and related expenses in respect of this Agreement or the Senior Collateral in each case to the extent

and under the circumstances the Borrower is required to do so pursuant to Section 9.03 of the Senior Credit Facility.

(c) Any amounts payable as provided hereunder shall be additional Senior Obligations secured hereby and by the other Senior Collateral Documents. Without prejudice to the survival of any other agreements contained herein, all indemnification and reimbursement obligations contained herein shall survive the Senior Obligation Payment Date and the termination of this Agreement.

SECTION 4.08. *Intellectual Property.* (a) Each relevant Grantor (either itself or through licensees) will (i) continue to use each Trademark material to the conduct of such Grantor's business, to the extent that such Grantor's business operations continue as to the said goods and/or services (subject to such Grantor's reasonable business judgment), sufficient to avoid unintentional abandonment of any rights in such Trademarks, (ii) maintain as in the past the quality of products and services offered under such Trademark, (iii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable law, (iv) not knowingly adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Senior Collateral Agent, for the ratable benefit of the Senior Secured Parties, shall obtain a perfected security interest in such mark pursuant to this Agreement, and (v) not knowingly (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark material to the conduct of Grantor's business may become invalidated or impaired in any way.

(b) Such Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any Patent material to the conduct of Grantor's business may become forfeited, abandoned or dedicated to the public.

(c) Such Grantor (either itself or through licensees) will not knowingly (and will not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any portion of the Copyrights material to the conduct of Grantor's business may become invalidated or otherwise impaired or fall into the public domain.

(d) Such Grantor (either itself or through licensees) will not do any act that knowingly uses any material Intellectual Property to infringe the intellectual property rights of any other person.

(e) In a status report provided to the Senior Collateral Agent on a quarterly basis ("*Quarterly Status Report*"), such Grantor will indicate whether any application or registration relating to any material Intellectual Property has been forfeited, abandoned or dedicated to the public, or of any such determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding such Grantor's ownership of, or the validity of, any material Intellectual Property or such Grantor's right to register the same or to own and maintain the same.

(f) In the Quarterly Status Report provided to the Senior Collateral Agent pursuant to Section 4.08(e), such Grantor will report whenever such Grantor, either by itself or through any agent, employee, licensee or designee, has filed an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof. Upon request of the Senior Collateral Agent, such Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Senior Collateral Agent may request to evidence the Senior Collateral Agent's and Senior Secured Parties' security interest in any Copyright, Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(g) Such Grantor will take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Intellectual Property material to the conduct of Grantor's business, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(h) In the event that any Intellectual Property material to the conduct of Grantor's business is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) if such Intellectual Property is of material economic value, promptly notify the Senior Collateral Agent after it learns thereof and take all reasonable steps to protect its interests, which may include bringing suit for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

SECTION 4.09. *Cash Management System.* (a) The Grantors shall at all times maintain, and each Subsidiary Guarantor shall comply with its obligations under, the Cash Management System.

At any time and from time to time upon the occurrence and during the continuance of an Event of Default, upon the Senior Collateral Agent's reasonable request and at the expense of each Grantor, each Grantor shall immediately request and use commercially reasonable efforts to cause independent public accountants or others reasonably satisfactory to the Senior Collateral Agent to furnish to the Senior Collateral Agent reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts. Upon the occurrence and during the continuance of an Event of Default, the Senior Collateral Agent in its own name or in the name of others may communicate with Account Debtors on the Accounts to verify with them to the Senior Collateral Agent's reasonable satisfaction the existence, amount and terms of any Accounts and to direct all payments to the Senior Collateral Agent. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Obligor or any Senior Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or the other Senior Loan Documents against any Grantor or any Senior Secured Party or its properties in the courts of any jurisdiction.

(b) Each Grantor and each Senior Secured Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Senior Loan Documents in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 13. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 18. *Release.* (a) This Agreement and the security interest created hereunder shall terminate when all Senior Obligations have been fully and indefeasibly paid and when the Senior Secured Parties have no further Commitments under the Senior Credit Facility and no Letters of Credit or Independent Standby Letters of Credit are outstanding, at which time the Senior Collateral Agent shall execute and deliver to each Grantor, or to such person or persons as such Grantor shall reasonably designate, all Uniform Commercial Code termination statements and similar documents prepared by such Grantor at its expense which such Grantor shall reasonably request to evidence such termination. Any execution and delivery of termination statements or documents pursuant to this Section 18(a) shall be without recourse to or warranty by the Senior Collateral Agent.

(b) All Senior Collateral used, sold, transferred or otherwise disposed of in accordance with the terms of the Senior Credit Facility and the Collateral Trust and Intercreditor Agreement (including pursuant to a waiver or amendment of the terms thereof) shall be used, sold, transferred or otherwise disposed of free and clear of the Lien and the security interest created hereunder. In connection with the foregoing, (i) the Senior Collateral Agent shall execute and deliver to each Grantor, or to such person or persons as such Grantor shall reasonably designate, all Uniform Commercial Code termination statements and similar documents prepared by such Grantor at its expense which such Grantor shall reasonably request to evidence the release of the Lien and security interest created hereunder with respect to such Senior Collateral and (ii) any representation, warranty or covenant contained herein relating to such Senior Collateral shall no longer be deemed to be made with respect to such used, sold, transferred or otherwise disposed Senior Collateral.

SECTION 19. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereunder shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 20. *Amendments in Writing; No Waiver.* (a) None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Grantors and the Senior Collateral Agent, *provided* that any provision of this Agreement may be waived by the Majority Senior Parties pursuant to a letter or agreement executed by the Senior Collateral Agent or by telecopy transmission from the Senior Collateral Agent, except any amendment or waiver which materially adversely affects the Independent Standby L/C Parties under this Agreement will require the additional consent of the

Independent Standby L/C Parties pursuant to a letter or agreement by the Independent Standby L/C Parties or by telecopy transmission from the Independent Standby L/C Parties.

(b) No Senior Secured Party shall by any act (except by a written instrument pursuant to Section 20 hereof) or delay be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of any Senior Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Senior Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Senior Secured Party would otherwise have on any future occasion.

SECTION 21. *Remedies Cumulative.* The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

SECTION 22. *Section Headings.* The section and Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

Upon execution and delivery, after the date hereof, by the Senior Collateral Agent and such Domestic Subsidiary of an instrument in the form of Annex 1, such Domestic Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor hereunder. The execution and delivery of any such instrument shall not require the consent of any Grantor hereunder. Pending Actions

1. Potential Opposition by Automed Technologies Inc. Against Rite Aid RAPID SCRIPT Application

Name Rite, L.L.C. currently holds a pending application for the federal registration of the marks RAPIDSCRIPT (Ser. No. 75/541,962), PROMPTSCRIPT (Ser. No. 75/547,199), QUICKFILL (Ser. No. 75/547,599), SCRIPTFAST (Ser. No. 75/547,149) and SWIFTSCRIPT (Ser. No. 75/547,802), all for use in connection with pharmacy services. PCS Health Systems, Inc. ("PCS") currently holds a pending application for the mark PCS FASTFILL (75/741,313) for use in connection with online prescription drug fulfillment services. Beginning in July 1999, Automed Technologies Inc. ("Automed") filed with the Trademark Trial and Appeal Board ("TTAB") of the United States Patent and Trademark Office ("PTO") a series of extensions of time to oppose the registration of the marks held by Name Rite, L.L.C. These extensions are current through the present time.

In November 1999, Rite Aid counsel was contacted by counsel for Automed, who proposed that Rite Aid, PCS and Automed agree to continue to use their respective marks in connection with their respective services without objection by the others, and that none enter into the markets of the others using a similar mark. Rite Aid, PCS and Automed have agreed in principal to the terms under which this matter may be resolved, and the parties are currently finalizing a written Settlement Agreement to dispose of this matter. Resolution is anticipated.

2. Opposition Proceeding Before TTAB Regarding LIFECHK Trade-mark (No. 110,539)

On June 10, 1997, Rite Aid filed an intent-to-use application with the PTO for federal registration of the LIFE CHECK mark for use in connection with the "pharmacy services, namely, monitoring drug interaction" in Class 42 (75/306,055). At the time this application was filed, Rite Aid's former trademark counsel was unaware that on April 11, 1997, another entity, MOI Corp. of Pittsburg, PA, had filed an intent-to-use application for the registration of LIFECHK for use in connection with "computer hardware and software for monitoring prescription drug compliance" in Class 9, and "medical devices, namely, calorie sensors and heart rate monitors" in

Class 10. MOI Corp.'s application to register LIFE CHEK was cited by the PTO as an obstacle to Rite Aid's registration of the LIFE CHECK mark.

On May 20, 1998, Rite Aid filed a Notice of Opposition against hat MOI Corp. application to register the LIFE CHEK mark. In March 2000, the parties executed a Settlement Agreement resolving this matter. The Opposition proceeding is currently suspended, and will be terminated pending completion of the parties' respective obligations under the Settlement Agreement.

Pittsburgh, PA 15259]

Ladies and Gentlemen:

Reference is made to (a) account no. [] and corresponding lockbox and data automation system maintained with you (the "*Government Lockbox Account Bank*") by [] (the "*Grantor*") into which funds are deposited from time to time (the "*Government Lockbox*") and (b) the Senior Subsidiary Security Agreement dated as of May [], 2000 (as amended, supplemented or otherwise modified from time to time, the "*Senior Subsidiary Security Agreement*"), among the Subsidiary Guarantors (such term and each other capitalized term used and not otherwise defined herein having the meaning assigned to such term in the Senior Subsidiary Security Agreement including the Definitions Annex and Senior Credit Facility referred to therein) and the Senior Collateral Agent.

The Grantor hereby provides the following revocable instruction with respect to the Government Lockbox Account (the "*Standing Revocable Instruction*"): the Government Lockbox Account Bank shall transfer from the Government Lockbox Account daily, via a zero balance service as described in the terms and conditions of the services, attached as Exhibit A, all available funds held in the Government Lockbox Account to account no. [] at Mellon Bank, N.A. in the name of the Grantor for Citicorp USA, Inc., as Senior Collateral Agent (which account is under the sole dominion and control of the Senior Collateral Agent). This Standing Revocable Instruction is revocable by the Grantor at any time and for any reason by providing written instructions to the Government Lockbox Account Bank, signed by the undersigned (which writing may be by facsimile and upon which you may conclusively rely), whereupon the Government Lockbox Account Bank shall follow, without further inquiry, such contrary written instruction and not the Standing Revocable Instruction.

The Grantor also hereby notifies the Government Lockbox Account that, as collateral security for the Senior Obligations, the undersigned Subsidiary Guarantors granted to the Grantor and the Grantor hereby assigns to the Senior Collateral Agent a continuing security interest in (i) the Government Lockbox Account, (ii) all contract rights and privileges in respect to the Government Lockbox Account, (iii) all cash, checks, money orders and other items of value on deposit in the Government Lockbox Account and (iv) all proceeds of the foregoing.

All expenses for the maintenance and provision of services in conjunction with the Government Lockbox Account held in the name of the Grantor are the responsibility of the Grantor. In the event that the Grantor does not pay all service fees due to the Government Lockbox Account Bank within thirty (30) days after the due date, the Government Lockbox Account Bank is authorized to charge the Government Lockbox Account for such fees. In the event the Government Lockbox Account Bank is unable to obtain sufficient funds from such charges to cover such fees the Grantor shall indemnify the Government Lockbox Account Bank for all then-due fees on the Government Lockbox Account that have not been paid.

The Grantor and the Senior Collateral Agent agree that the Government Lockbox Account Bank may debit the Government Lockbox Account for any items (including, but not limited to, checks, drafts, Automatic Clearinghouse (ACH) credits or wire transfers or other electronic transfers or credits) deposited or credited to the Government Lockbox Account which may be returned or otherwise not collected and, subject to the preceding paragraph, for all charges, fees, commissions and expenses incurred by the Government Lockbox Account Bank in providing services or otherwise in connection herewith. The Government Lockbox Account Bank may charge the Government Lockbox Account as permitted herein at such times as are in accordance with the Government Lockbox Account Bank's customary practice for the chargeback of returned items and expenses. In the event the Government Lockbox Account Bank is unable to obtain sufficient funds for such charges to cover returned items, or reversed or returned credits, or any other items not collected and any other charges, expenses, or commissions incurred by the Government Lockbox Account Bank in providing the services (referred to as a "cost" or "costs") the Grantor shall indemnify the Government Lockbox Account Bank for all amounts related to the above described costs incurred by the Government Lockbox Account Bank. The Senior Collateral Agent agrees that if the Grantor has not reimbursed the Government Lockbox Account Bank for the amounts described in this paragraph and the Government Lockbox Account Bank has transferred funds to the Senior Collateral Agent, then the Senior Collateral Agent agrees to reimburse the Government Lockbox Account Bank (for any returned items described in this paragraph but not for charges, fees or commissions incurred therewith) within ten business days after demand by the Government Lockbox Account Bank.

Notwithstanding any other provision of this Government Lockbox Account Agreement, unless the Government Lockbox Account Bank is grossly negligent or engages in wilful misconduct in performance or non-performance in connection with this

Agreement and the Government Lockbox Account, the Grantor agrees to indemnify and hold the Government Lockbox Account Bank harmless from any claims, damages, losses or expenses incurred by any party in connection herewith; in the event the Government Lockbox Account Bank breaches the standard of care set forth herein, the Grantor and the Senior Collateral Agent each expressly agrees that the Government Lockbox Account Bank's liability shall be limited to damages directly caused by such breach and in no event shall the Government Lockbox Account Bank be liable for any incidental, indirect, punitive or consequential damages or attorney's fees whatsoever.

Notwithstanding any other provision of this Government Lockbox Account Agreement, the Government Lockbox Account Bank shall not be liable for any failure, inability to perform, or delay in performance hereunder, if such failure, inability, or delay is due to an act of God, war, civil commotion, governmental action, fire, explosion, strikes, other industrial disturbance, equipment malfunction, action, non-action or delayed action on the part of the Grantor or the Senior Collateral Agent or of any other entity or any other causes that are beyond the Government Lockbox Account Bank's reasonable control.

This Government Lockbox Account Agreement may not be modified or terminated by the Grantor unless, in the case of a modification, the prior written consent of the Senior Collateral Agent and the Government Lockbox Account Bank is obtained and in the case of termination the prior written consent of the Senior Collateral Agent is obtained. The Government Lockbox Account Bank may terminate this Agreement upon forty-five (45) days' prior written notice to the Grantor and the Senior Collateral Agent. The Senior Collateral Agent may terminate this Agreement at any time. The Grantor's obligations under this Agreement to indemnify, hold harmless and pay amounts owed (and the Senior Collateral Agent's obligation to reimburse the Government Lockbox Account Bank for any returned items) shall survive the termination of this Agreement.
