SECOND RIDER TO SECURITY AGREEMENT -TRADEMARKS

THIS SECOND RIDER TO SECURITY AGREEMENT ("Rider") dated October 13, 2000, is effective as of the 9th day of June, 1999 by and between **VERION INCORPORATED (f/k/a DELTA FOOD GROUP, INC.)**, a Delaware corporation ("Grantor") with an address at 254 Welsh Pool Road, Exton, PA 19341, and **THE BRYN MAWR TRUST COMPANY** (the "Bank"), with an address at 801 Lancaster Avenue, Bryn Mawr, PA 19010. This Rider is incorporated into and made part of that certain Security Agreement ("Security Agreement") between the Grantor and the Bank, dated June 9, 1999, and also into certain other financing documents and security agreements executed by and between the Grantor and the Bank or by and between the Borrower (as defined in the Security Agreement) and the Bank (all such documents including this Rider are collectively referred to as "Loan Documents"). This Rider does not in any way impair the validity or enforceability of the original Rider to Security Agreement - Trademarks filed in the United States Patent and Trademark Office on June 24, 1999 which remains in full force and effect, but merely confirms the Bank's security interest in the Trademarks described herein. All capitalized terms not otherwise defined in this Rider shall have the same meanings ascribed to such terms in the other Loan Documents.

The Grantor has adopted, used and is using (or has filed applications for the registration of) the trademarks, servicemarks and tradenames listed on Schedule "A" attached hereto and made part hereof (all such marks or names hereinafter referred to as the "Trademarks").

The Bank desires to acquire a lien and security interest on the Trademarks and the registration thereof, together with all the goodwill of the Grantor associated therewith and represented thereby, as security for all of the Obligations (as defined in the Security Agreement) to the Bank, and the Bank desires to have its security interest in such Trademarks confirmed by a document identifying same and in such form that it may be recorded in the United States Patent and Trademark Office.

NOW, THEREFORE, with the foregoing background deemed incorporated by reference and made a part hereof, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. **Grant of Security Interest.** In consideration of and pursuant to the terms of the Loan Documents, and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Grantor's present and future liabilities to the Bank, the Grantor grants a lien and security interest to the Bank in all its present and future right, title and interest in and to the Trademarks, together with all the goodwill of the Grantor associated with and represented by the Trademarks, and the registration thereof, and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits.

2. **Maintenance of Trademarks.** The Grantor hereby covenants and agrees, subject to Grantor's reasonable business judgment, to maintain the Trademarks in full force and effect until all of the Obligations to the Bank are satisfied in full.

3. **Representations and Warranties.** The Grantor represents and covenants that: (a) the Trademarks are subsisting and have not been adjudged invalid or unenforceable; (b) to the best of Grantor's knowledge, each of the Trademarks is valid and enforceable; (c) the Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, and each of the Trademarks is free and clear of any liens, charges and encumbrances including, without limitation, pledges, assignments, licenses and covenants by the Grantor not to sue third persons (except for a security interest subordinate to the Bank's security interest given to certain guarantors of the Grantor's Obligations to the Bank); (d) the Grantor has the unqualified

right to enter into this Rider and perform its terms; (e) subject to Grantor's reasonable business judgment, the Grantor has used, and will continue to use for the duration of this Rider, proper notices as required by 15 U.S.C. §§ 1051-1127 in connection with its use of the Trademarks; and (f) the Grantor has used, and will continue to use for the duration of this Rider, consistent standards of quality in products leased or sold under the Trademarks in accordance with Grantor's reasonable business judgment.

4. **Covenants.** The Grantor further covenants that: (a) until all of the Obligations have been satisfied in full, it will not enter into any agreement including, without limitation, license agreements, which are inconsistent with the Grantor's obligations under this Rider; and (b) if the Grantor acquires rights to any new Trademarks material to Grantor's business, the provisions of this Rider shall automatically apply thereto and the Grantor shall give the Bank prompt written notice thereof along with an amended Schedule "A".

5. **Exclusive Use of Trademarks.** So long as this Rider is in effect and so long as the Grantor has not received notice from the Bank that an Event of Default has occurred under the Loan Documents and that the Bank has elected to exercise its rights hereunder, the Grantor shall continue to have the exclusive right to use the Trademarks and the Bank shall have no right to use the Trademarks or issue any exclusive or non-exclusive license with respect thereto, or assign, pledge or otherwise transfer title in the Trademarks to anyone else.

6. **Negative Pledge.** The Grantor agrees not to sell, assign or further encumber its rights and interest in the Trademarks without prior written consent of the Bank.

7. **Remedies Upon Default.** (a) Anything herein contained to the contrary notwithstanding, if and while the Grantor shall be in default hereunder or an Event of Default exists under the Loan Documents, the Grantor hereby covenants and agrees that the Bank, as a holder of a security interest under the Uniform Commercial Code, as now or hereafter in effect in Pennsylvania, may take such action permitted under the Loan Documents or permitted by law, in its exclusive discretion, to foreclose upon the Trademarks covered hereby.

(b) For such purposes, and in the event of the Grantor's default hereunder or an Event of Default under the Loan Documents and while such default or Event of Default exists, the Grantor hereby authorizes and empowers the Bank to make, constitute and appoint any officer or agent of the Bank as the Bank may select, in its exclusive discretion, as the Grantor's true and lawful attorney-in-fact, with the power to endorse the Grantor's name on all applications, documents, papers and instruments necessary for the Bank to use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to anyone else, or necessary for the Bank to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone else. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof, except for the gross negligence or wilful misconduct of such attorney. This power of attorney shall be irrevocable for the life of this Rider and the Loan Documents, and until all the Obligations are satisfied in full.

(c) The Grantor expressly acknowledges that this Rider shall be recorded with the Patent and Trademark Office in Washington, DC. Contemporaneously herewith, the Grantor shall also execute and deliver to the Bank such documents as the Bank shall reasonably require to permanently assign all rights in the Trademarks to the Bank, which documents shall be held by the Bank, in escrow, until the occurrence of an Event of Default hereunder or under the Loan Documents. After such occurrence, the Bank may, at its sole option, record such escrowed documents with the Patent and Trademark Office; provided that the Bank shall not record any such escrowed documents against any applications filed on the basis of an intent to use the marks in commerce.

8. **Subject to Security Agreement.** This Rider shall be subject to the terms, provisions and conditions set forth in the Security Agreement and may not be modified without the written consent of the party against whom enforcement is being sought.

9. **Inconsistent with Security Agreement.** All rights and remedies herein granted to the Bank shall be in addition to any rights and remedies granted to the Bank under the Loan Documents. In the event of an inconsistency between this Rider and the Security Agreement, the language of the Security Agreement shall control. The terms and conditions of the Security Agreement are hereby incorporated herein by reference.

10. **Termination of Agreement.** Upon payment and performance of all Obligations under the Loan Documents and full satisfaction of all of the Grantor's liabilities and obligations to the Bank, the Bank shall execute and deliver to the Grantor all documents necessary to terminate the Bank's security interest in the Trademarks.

11. **Fees and Expenses.** Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by the Bank in connection with the preparation of this Rider and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or costs otherwise incurred in protecting, maintaining, preserving the Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks, in each case in accordance with the terms of this Rider, shall be borne and paid by the Grantor on demand by the Bank and until so paid shall be added to the principal amount of the Obligations to the Bank and shall bear interest at the contract rate therefor.

12. **Prosecution of Trademark Applications.** (a) Subject to the terms of the Security Agreement, and subject to Grantor's reasonable business judgment, the Grantor shall have the duty to prosecute diligently any Trademark application with respect to the Trademarks pending as of the date of this Rider or thereafter, until the Obligations shall have been satisfied in full, to preserve and maintain all rights in the Trademarks, and upon reasonable request of the Bank, the Grantor shall make federal application on registrable but unregistered Trademarks belonging to the Grantor. Any reasonable expenses incurred in connection with such applications shall be borne by the Grantor. The Grantor shall not abandon any Trademark, unless such abandonment is consistent with Grantor's reasonable business judgment and the Grantor promptly notifies the Bank of such abandonment.

(b) The Grantor shall have the right to bring suit in its own name to enforce the Trademarks, in which event the Bank may, if the Grantor deems it necessary or after an Event of Default under the Loan Documents, be joined as a nominal party to such suit if the Bank shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. The Grantor shall promptly, upon demand, reimburse and indemnify the Bank for all damages, reasonable costs and reasonable expenses, including attorneys' fees, incurred by the Bank in the fulfillment of the provisions of this paragraph.

13. **Additional Remedies.** Upon the occurrence of an Event of Default under the Loan Documents, the Bank may, without any obligation to do so, complete any obligation of the Grantor hereunder, in the Grantor's name or in the Bank's name, but at the Grantor's expense, and Grantor hereby agrees to reimburse the Bank in full for all reasonable expenses, including reasonable attorneys' fees, incurred by the Bank in protecting, defending and maintaining the Trademarks.

14. **GOVERNING LAW.** THIS RIDER WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA, EXCLUDING ITS CONFLICT OF LAWS RULES, EXCEPT THAT THE FEDERAL LAWS OF THE UNITED STATES OF AMERICA SHALL GOVERN TO THE EXTENT APPLICABLE.

15. **Counterparts.** This Rider may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, but all such copies shall constitute one and the same instrument.

WITNESS the due execution hereof as a document under seal, as of the date first written above.

SECOND RIDER TO SECURITY AGREEMENT - PATENTS

THIS SECOND RIDER TO SECURITY AGREEMENT ("Rider") dated October 13, 2000, is effective as of the 9th day of June, 1999 by and between **VERION INCORPORATED (f/k/a DELTA FOOD GROUP, INC.)**, a Delaware corporation ("Grantor") with an address at 254 Welsh Pool Road, Exton, PA 19341, and **THE BRYN MAWR TRUST COMPANY** (the "Bank"), with an address at 801 Lancaster Avenue, Bryn Mawr, PA 19010. This Rider is incorporated into and made part of that certain Security Agreement ("Security Agreement") between the Grantor and the Bank, dated June 9, 1999, and also into certain other financing documents and security agreements executed by and between the Grantor and the Bank or by and between the Borrower (as defined in the Security Agreement) and the Bank (all such documents including this Rider are collectively referred to as "Loan Documents"). This Rider does not in any way impair the validity or enforceability of the original Rider to Security Agreement - Patents filed in the United States Patent and Trademark Office on June 24, 1999 which remains in full force and effect, but merely confirms the Bank's security interest in the Patent Collateral described herein. All capitalized terms not otherwise defined in this Rider shall have the same meanings ascribed to such terms in the other Loan Documents.

As collateral security for the Obligations (as defined in the Security Agreement) under the Loan Documents, the Grantor has agreed to grant a security interest in and to assign to the Bank the Patent Collateral (as hereinafter defined). The Bank desires to have its lien and security interest in such Patent Collateral confirmed by a document identifying such security interest and in such form as may be recorded in the United States Patent and Trademark Office.

NOW, THEREFORE, with the foregoing background deemed incorporated by reference and made a part hereof, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. **Grant of Security Interest.** In consideration of and pursuant to the terms of the Security Agreement and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Obligations, the Grantor does hereby assign and grant to the Bank a lien and security interest in (a) all of the Grantor's right, title and interest in and to (i) the United States Letters Patent and the inventions described and claimed therein set forth on Schedule "A" hereto, and any future patents (hereinafter referred to collectively as the "Patents"); (ii) the applications for Letters Patent and the inventions described and claimed therein set forth on Schedule "A" hereto, and any United States Letters Patent which may be issued upon any of said applications and any future patent applications (hereinafter referred to collectively as the "Applications"); (iii) any reissue, extension, division or continuation of the Patents or the Applications (such reissues, extensions, divisions and continuations being herein referred to collectively as the "Reissued Patents"); (iv) all licensing agreements, future royalties or other fees paid or payment or payments made or to be made to the Grantor in respect to the Patents; and (v) proceeds of any and all of the foregoing (the Patents, Applications, Reissued Patents and Royalties and proceeds being herein referred to collectively as the "Patent Rights"), and (b) all rights, interests, claims and demands that the Grantor has or may have in existing and future profits and damages for past and future infringements of the Patent Rights (such rights, interests, claims and demand being herein called the "Claims") (the Patent Rights and Claims collectively referred to as the "Patent Collateral").

2. **Representations and Warranties.** The Grantor warrants and represents to the Bank that: (a) the Grantor is the true and lawful exclusive owner of the Patent Rights set forth on Schedule "A," including all rights and interests herein granted; (b) to the best of Grantor's knowledge, the Patent Collateral is valid and enforceable; (c) the Grantor has full power and authority to execute and deliver this Rider; (d) the Grantor has no notice of any suits or actions commenced or threatened against it, with reference to the Patent Rights and the interests granted herein; and (e) the Patent Rights and all interests granted herein are so granted free from all liens, charges, claims,

options, licenses, pledges and encumbrances of every kind and character (except for a security interest subordinate to the Bank's security interest given to certain guarantors of the Grantor's Obligations to the Bank and except for licenses and other rights granted in the ordinary course of Grantor's business).

3. **Covenants.** The Grantor further covenants that: (a) until all of the Obligations have been satisfied in full, it will not enter into any agreement including, without limitation, license agreements, which are inconsistent with the Grantor's obligations under this Rider; and (b) if the Grantor acquires rights to any new Patent Collateral material to Grantor's business, the provisions of this Rider shall automatically apply thereto and the Grantor shall give the Bank prompt written notice thereof along with an amended Schedule "A".

4. **Maintenance of Patent Collateral.** The Grantor further covenants that: until all of the Obligations have been satisfied in full, it will (i) not enter into any agreement, including without limitation, license agreements, which are inconsistent with the Grantor's undertakings and covenants under this Rider or which restrict or impair the Bank's rights hereunder, and (ii) maintain the Patent Collateral in full force and effect.

5. **Negative Pledge.** The Grantor agrees not to sell, assign or further encumber its rights and interest in the Patent Collateral without prior written consent of the Bank.

6. **Remedies Upon Default.** (a) Anything herein contained to the contrary notwithstanding, if and while the Grantor shall be in default hereunder or an Event of Default exists under the Loan Documents, the Grantor hereby covenants and agrees that the Bank, as the holder of a security interest under the Uniform Commercial Code, as now or hereafter in effect in Pennsylvania, may take such action permitted under the Loan Documents or permitted by law, in its exclusive discretion, to foreclose upon the Patent Collateral covered hereby.

(b) For such purposes, and in the event of the Grantor's default hereunder or an Event of Default under the Loan Documents and while such default or Event of Default exists, the Grantor hereby authorizes and empowers the Bank to make, constitute and appoint any officer or agent of the Bank as the Bank may select, in its exclusive discretion, as the Grantor's true and lawful attorney-in-fact, with the power to endorse the Grantor's name on all applications, documents, papers and instruments necessary for the Bank to use the Patent Collateral or to grant or issue any exclusive or non-exclusive license under the Patent Collateral to anyone else, or necessary for the Bank to assign, pledge, convey or otherwise transfer title in or dispose of the Patent Collateral to anyone else. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof, except for the gross negligence or wilful misconduct of such attorney. This power of attorney shall be irrevocable for the life of this Rider and the Loan Documents, and until all the Obligations are satisfied in full.

(c) The Grantor expressly acknowledges that this Rider shall be recorded with the Patent and Trademark Office in Washington, DC. Contemporaneously herewith, the Grantor shall also execute and deliver to the Bank such documents as the Bank shall reasonably require to permanently assign all rights in the Patent Collateral to the Bank, which documents shall be held by the Bank, in escrow, until the occurrence of an Event of Default hereunder or under the Loan Documents. After such occurrence, the Bank may, at its sole option, record such escrowed documents with the Patent and Trademark Office.

7. **Prosecution of Patent Applications.** (a) The Grantor shall, at its own expense, and subject to Grantor's reasonable business judgment, diligently file and prosecute all patent applications relating to the inventions described and claimed in the Patent Collateral in the United States Patent and Trademark Office, and shall pay or cause to be paid in their customary fashion all fees and disbursements in connection therewith, and shall not abandon any such application prior to the exhaustion of all administrative and judicial remedies or disclaim or dedicate any Patent. The Grantor shall not abandon any Patent Collateral unless such abandonment

13. **GOVERNING LAW.** THIS RIDER WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA, EXCLUDING ITS CONFLICT OF LAWS RULES, EXCEPT THAT THE FEDERAL LAWS OF THE UNITED STATES OF AMERICA SHALL GOVERN TO THE EXTENT APPLICABLE.

14. **Counterparts.** This Rider may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, but all such copies shall constitute one and the same instrument.

WITNESS the due execution hereof as a document under seal, as of the date first written above.
