ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT is made this 3rd day of April, 2000, by TELEFONAKTIEBOLAGET LM ERICSSON (PUBL), a limited liability company duly established under the laws of Sweden, with organization number 556016-0680 and having its registered office at Stockholm, Sweden ("**Ericsson**").

WITNESSETH:

WHEREAS, Ericsson is the sole owner of all right, title and interest in and to each trademark, service mark and trade name set forth on Schedule A and all corresponding common law rights, registrations and applications thereto whether or not listed on Schedule A;

WHEREAS, as of January 18, 2000, Telefonaktiebolaget LM Ericsson (Publ) entered into a General Transfer Agreement (the "**GTA**") with Emerson Electric Co., a Missouri, USA corporation, having its principal place of business at St. Louis, Missouri, USA (hereinafter referred to as "**Emerson**") (capitalized terms used herein and not otherwise defined herein are used as defined in the GTA);

WHEREAS, pursuant to the GTA, Ericsson and Emerson desire to clarify the terms of assignment of, and to effect the assignment of, the aforementioned trademarks, service marks and trade names, and Ericsson desires to assign and transfer, and Emerson's designated Affiliate wishes to obtain, the entire right, title and interest in and to such trademarks, service marks and trade names;

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, Ericsson hereby assigns, transfers, sets over and conveys all right, title and interest throughout the world, in and to each trademark, service mark and trade name, and each registration and application thereof, listed in Schedule A and all corresponding common law rights, registrations and applications in all jurisdictions worldwide, together with the goodwill of the Business associated with all of the foregoing, to Emerson Energy Systems AB, a limited liability company duly established under the laws of Sweden, with organization number 556577-4469 and having its registered office at Stockholm, Sweden (the "**Emerson Affiliate**"). This assignment includes any and all rights of enforcement, including all rights to sue and recover for the past infringement or dilution, and any and all causes of action with respect to the foregoing marks and names. Ericsson agrees at any time to execute and to deliver upon request of Emerson or the Emerson Affiliate such additional documents, if any, as are necessary or desirable to secure protection of each mark and name throughout the world, and otherwise to do whatever is necessary to give the full effect to and perfect the rights of the Emerson Affiliate under this Assignment, including the execution, delivery and procurement of further documents evidencing this Assignment as may be necessary or desirable.

ALL OF THE FOREGOING to be held and enjoyed by the Emerson Affiliate for its own use and for the use of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Ericsson if this transfer to the Emerson Affiliate had not been made. This Assignment is not intended to limit Ericsson's obligation pursuant to Section 3.8 of the GTA to assign trademarks, service marks and trade names that have not been included in Schedule A.

IN WITNESS WHEREOF, Ericsson has caused this instrument of Assignment to be executed.
