Subject to the terms hereof and of the Credit Agreement, each Grantor shall be permitted to manage, license and administer its Patents and Marks in such manner as such Grantor in its reasonable business judgment deems desirable; provided, however, that such Grantor will not, without the Agent's prior written consent, (i) abandon any Patent or Mark in which such Grantor now owns or hereafter acquires any rights or interests, (ii) enter into any license agreements or (iii) fail to take any action, or permit any others (including licensees) to fail to take any action, which would customarily be taken by a Person in the same business and in similar circumstances as such Grantor.

(c) Duties of Grantor. Each Grantor agrees to: (i) prosecute diligently any patent application or trademark application included in the Patents or Marks, (ii) upon an Event of Default, make application on unpatented but patentable inventions owned by such Grantor and on unregistered Marks, as the case may be, as the Agent reasonably deems appropriate, (iii) file and prosecute opposition and cancellation proceedings and (iv) take all action necessary to preserve and maintain all rights in those Patents and Marks that are or shall be necessary in the operation of such Grantor's business, including, making timely filings for renewals and extensions of any Patents and Marks and diligently monitoring unauthorized use thereof. Any expenses incurred in connection with the foregoing shall be borne by such Grantor. Each Grantor shall give proper statutory notice in connection with its use of each Mark and each Patent to the extent necessary for the protection thereof. Each Grantor shall notify the Agent of

any suit it commences to enforce any Patent or Mark and shall provide the Agent with copies of any documents requested by the Agent relating to such suit. Neither the Agent nor the Lenders shall have any duty with respect to the Patents and Marks other than to act lawfully and without gross negligence or willful misconduct. Without limiting the generality of the foregoing, neither the Agent nor the Lenders shall be under any obligation to take any steps necessary to preserve rights in the Patents and Marks against any other party, but the Agent may do so at its option upon the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the account of such Grantor and shall be added to the Secured Obligations.

Each Grantor has the power, authority and legal right to grant the security interests in the Collateral purported to be granted hereby, and to execute, deliver and perform this Agreement. The pledge of the Collateral pursuant to this Agreement creates a valid security interest in the Collateral. Upon the filing of appropriate financing statements in the filing offices set forth on Schedule F, the recordation of appropriate documentation with the United States Copyright Office and the United States Patent and Trademark Office, as applicable, the giving of notice to holders of deposit accounts of the Agent's security interest therein, the giving of a Limited Liability Company Notice to the Pledged Entities and the delivery to the Agent of the Certificates, as the case may be, the Secured Party will have a first-priority perfected security interest (except for Liens permitted by Section 6.3 of the Credit Agreement) in the Collateral to the extent a security interest in such Collateral can be perfected by such filings, recordations, the giving of such notices and the delivery of such Certificates.

(c) The Pledged Securities and the Pledged Limited Liability Company Interests have been duly authorized and validly issued and are fully paid and nonassessable. All of the Pledged Securities are in certificated form (as contemplated by Article 8 of the Uniform Commercial Code). All of the Pledged Limited Liability Company Interests are in uncertificated form (as contemplated by Article 8 of the Uniform Commercial Code).

(d) No consent of any Person, including, any partner in a partnership with respect to which such Grantor has pledged its interest as a Pledged Partnership Interest or any member in a Pledged Entity, is required for the pledge by such Grantor of the Collateral.

(e) The Pledged Securities described on Schedule A constitute (i) all of the shares of capital stock of any Person owned by such Grantor and (ii) that percentage of the issued and outstanding shares of the respective issuers thereof indicated on Schedule A, and there is no other class of shares issued and outstanding of the respective issuers thereof except as set forth on Schedule A. The Pledged Partnership Interests described on Schedule A constitute (i) all of the partnerships or joint ventures in which such Grantor has an interest and (ii) such Grantor's respective percentage interests in each such partnership or joint venture are as set forth on such Schedule A, and there is no other class of interests therein issued and outstanding except as set forth on Schedule A. The Pledged Limited Liability Company Interests described on Schedule A constitute (i) all of the Limited Liability Company Interests of such Grantor and (ii) such Grantor's respective percentage interests in each such Pledged Entity are as set forth on Schedule A, and there is no other class of interests therein issued and outstanding except as set forth on Schedule A.

(f) No authorization, approval or other action by, and no notice to or filing with, any Governmental Authority (other than such authorizations, approvals and other actions as have already been taken and are in full force and effect) is required (A) for the pledge of the Collateral or the grant of the security interest in the Collateral by such Grantor hereby or for the execution, delivery or performance of this Agreement by such Grantor, or (B) for the exercise by the Agent of the voting rights in the Pledged Securities, the Pledged Partnership Interests and the Pledged Limited Liability Company Interests or of any other rights or remedies in respect of the Collateral hereunder except as may be required in connection with any disposition of Collateral consisting of securities by laws affecting the offering and sale of securities generally.

(g) Such Grantor does not own, is not a licensee of, nor has such Grantor applied for any Copyrights, Marks or Patents, other than those set forth on Schedule B. (h) Schedule E sets forth (i) all of such Grantor's deposit accounts, (ii) all of such Grantor's securities accounts and other investment property (other than that referred to on Schedule A) and (iii) all letters of credit issued for the benefit of such Grantor. Such Grantor has no chattel paper or electronic chattel paper.

(i) Such Grantor does not own or lease any vehicle having a value in excess of \$50,000.

12. Grantors' Covenants. In addition to the other covenants and agreements set forth herein and in the other Loan Documents, each Grantor covenants and agrees as follows:

(a) Such Grantor will pay, prior to delinquency, all taxes, charges, Liens and assessments against the Collateral, except those with respect to which the amount or validity is

being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of such Grantor.

(b) The Collateral will not be used in violation of any material Requirement of Law applicable to such Grantor, nor used in any way that will void or impair any insurance required to be carried in connection therewith.

(c) Such Grantor will keep the Collateral in reasonably good repair, working order and operating condition (normal wear and tear excluded), and from time to time make all necessary and proper repairs, renewals, replacements, additions and improvements thereto.

(d) Such Grantor will take all reasonable steps to preserve and protect the Collateral.

(g) Such Grantor shall not permit any Equipment or Inventory to be in the possession of a third party unless written notice of the Secured Party's security interest therein has been given to such third party, and such third party has acknowledged in writing that it is holding such Collateral for the benefit of the Secured Party, such notice and acknowledgement to be in form acceptable to the Secured Party.

(h) Such Grantor shall not withdraw as a member of any Pledged Entity or a partner in any partnership with respect to which such Grantor has pledged any interest, or file or pursue

or take any action which may, directly or indirectly, cause a dissolution or liquidation of or with respect to any Pledged Entity or any such partnership or seek a partition of any property of any Pledged Entity or any such partnership.

13. Agent's Rights Regarding Collateral. At any time and from time to time, the Agent may, to the extent necessary or desirable to protect the security hereunder, but the Agent shall not be obligated to: (a) (whether or not a Default has occurred) itself or through its representatives, visit and inspect each Grantor's properties and examine and make abstracts from any of its books and records at any reasonable time and as often as may reasonably be desired and discuss the business, operations, properties and financial and other condition of such Grantor with, and be advised as to the same by, officers of such Grantor or (b) if an Event of Default has occurred and is continuing, at the expense of the Grantors, perform any obligation of any Grantor under this Agreement. At any time and from time to time after an Event of Default has occurred and is continuing, at the expense of the Grantors, the Agent (for the benefit of the Secured Party) may, to the extent necessary or desirable to protect the security hereunder, but the Agent shall not be obligated to: (i) notify obligors on the Collateral that the Collateral has been assigned as security to the Agent for the benefit of the Secured Party; (ii) at any time and from time to time request from obligors on the Collateral, in the name of any Grantor or in the name of the Secured Party, information concerning the Collateral and the amounts owing thereon; and (iii) direct obligors under the contracts included in the Collateral to which any Grantor is a party to direct their performance to the Agent. Each Grantor shall keep proper books and records and accounts in which full, true and correct entries in conformity with GAAP and all Requirements of Law shall be made of all material dealings and transactions pertaining to the Collateral. The Agent shall at all reasonable times have full access to and the right to audit any and all of the Grantors' books and records pertaining to the Collateral, and to confirm and verify the value of the Collateral. Neither the Agent nor the Lenders shall be under any duty or obligation whatsoever to take any action to preserve any rights of or against any prior or other parties in connection with the Collateral, to exercise any voting rights or managerial rights with respect to any Collateral or to make or give any presentments for payment, demands for performance, notices of non-performance, protests, notices of protest, notices of dishonor or notices of any other nature whatsoever in connection with the Collateral or the Secured Obligations. Neither the Agent nor the Lenders shall be under any duty or obligation whatsoever to take any action to protect or preserve the Collateral or any rights of any Grantor therein, or to make collections or enforce payment thereon, or to participate in any foreclosure or other proceeding in connection therewith. Nothing contained herein shall constitute an assumption by the Agent or the Lenders of any obligations of any Grantor under any contracts assigned hereunder unless the Agent shall have given written notice to the counterparty to such assigned contract of the Agent's intention to assume such contract on behalf of the Secured Party. Each Grantor shall continue to be liable for performance of its obligations under such contracts.

Nothing contained herein shall be construed to make the Agent or any Lender liable as a stockholder of any corporation, member of any Pledged Entity or partner in any partnership with respect to which any Grantor has pledged its interests in Pledged Securities, Pledged Limited Liability Company Interests or Pledged Partnership Interests, and neither the Agent nor any Lender by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a stockholder of any such corporation, member of any such Pledged Entity or partner in such partnership. The parties hereto expressly

agree that, unless the Agent shall become the absolute owner of any Pledged Securities or Pledged Limited Liability Company Interests or Pledged Partnership Interests pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Agent, any Lender, any such corporation, any such Pledged Entity or any such partnership and/or any Grantor. Except as provided in the immediately preceding sentence, the Agent, by accepting this Agreement, does not intend to become a stockholder of any corporation, member of any Pledged Entity or partner in any partnership with respect to which any Grantor has pledged its interests in any Pledged Securities, Pledged Limited Liability Company Interests or Pledged Partnership Interests, or otherwise be deemed to be a co-venturer with respect to any Grantor or any such corporation, Pledged Entity or partnership, either before or after an Event of Default shall have occurred.

14. Collections on the Collateral. Except as provided to the contrary in the Credit Agreement, each Grantor shall have the right to use and to continue to make collections on and receive dividends and other proceeds of all of the Collateral in the ordinary course of business so long as no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, at the option of the Agent, each Grantor's right to make collections on and receive dividends and other proceeds of the Collateral and to use or dispose of such collections and proceeds shall terminate, and any and all dividends, proceeds and collections, including all partial or total prepayments, then held or thereafter received on or on account of the Collateral will be held or received by such Grantor in trust for the Secured Party and immediately delivered in kind to the Agent (duly endorsed to the Agent, if required), to be applied to the Secured Obligations or held as Collateral, as the Agent shall elect. Upon the occurrence and during the continuance of an Event of Default, the Agent shall have the right at all times to receive, receipt for, endorse, assign, deposit and deliver, in the name of the Agent or the Secured Party or in the name of any Grantor, any and all checks, notes, drafts and other instruments for the payment of money constituting proceeds of or otherwise relating to the Collateral; and each Grantor hereby authorizes the Agent to affix, by facsimile signature or otherwise, the general or special endorsement of such Grantor, in such manner as the Agent shall deem advisable, to any such instrument in the event the same has been delivered to or obtained by the Agent without appropriate endorsement, and the Agent and any collecting bank are hereby authorized to consider such endorsement to be a sufficient, valid and effective endorsement by such Grantor, to the same extent as though it were manually executed by the duly authorized representatives of such Grantor, regardless of by whom or under what circumstances or by what authority such endorsement actually is affixed, without duty of inquiry or responsibility as to such matters, and each Grantor hereby expressly waives demand, presentment, protest and notice of protest or dishonor and all other notices of every kind and nature with respect to any such instrument.

15. Possession of Collateral by Agent. All the Collateral now, heretofore or hereafter delivered to the Agent shall be held by the Agent in its possession, custody and control. Any or all of the Collateral delivered to the Agent constituting cash or cash equivalents shall, prior to the occurrence of any Event of Default, upon written request of any Grantor, be held in an interest-bearing account with the Agent, and shall be invested in investments permitted by Section 6.7(a) of the Credit Agreement. Nothing herein shall obligate the Agent to obtain any particular return thereon. Upon the occurrence and during the continuance of an Event of Default, whenever any of the Collateral is in the Agent's possession, custody or control, the Agent may use, operate and

consume the Collateral, whether for the purpose of preserving and/or protecting the Collateral, or for the purpose of performing any Grantor's obligations with respect thereto, or otherwise, and, subject to the terms of Section 9.7 of the Credit Agreement, any or all of the Collateral delivered to the Agent constituting cash or cash equivalents shall be applied by the Agent to payment of the Secured Obligations or held as Collateral, as the Agent shall elect. The Agent may at any time deliver or redeliver the Collateral or any part thereof to any Grantor, and the receipt of any of the same by such Grantor shall be complete and full acquittance for the Collateral so delivered, and the Agent thereafter shall be discharged from any liability or responsibility arising after such delivery to any Grantor. So long as the Agent exercises reasonable care with respect to any Collateral in its possession, custody or control, neither the Agent nor the Lenders shall have any liability for any loss of or damage to any Collateral, and in no event shall the Agent or the Lenders have liability for any diminution in value of the Collateral occasioned by economic or market conditions or events. The Agent shall be deemed to have exercised reasonable care within the meaning of the preceding sentence if the Collateral in the possession, custody or control of the Agent is accorded treatment substantially equal to that which the Agent accords similar property for its own account, it being understood that neither the Agent nor the Lenders shall have any responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not the Agent or any Lender has or is deemed to have knowledge of such matters, or (ii) taking any necessary steps to preserve rights against any Person with respect to any Collateral.

16. Remedies.

(a) Rights Upon Event of Default. Upon the occurrence and during the continuance of an Event of Default, the Grantors shall be in default hereunder and the Agent for the benefit of the Secured Party shall have, in any jurisdiction where enforcement is sought, in addition to all other rights and remedies that the Agent on behalf of the Secured Party may have under this Agreement and under applicable laws or in equity, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any such jurisdiction in effect at that time, and in addition the following rights and remedies, all of which may be exercised with or without notice to any Grantor except such notice as may be specifically required by applicable law: (i) to foreclose the Liens created hereunder or under any other Loan Document by any available judicial procedure or without judicial process; (ii) to enter any premises where any Collateral may be located for the purpose of securing, protecting, inventorying, appraising, inspecting, repairing, preserving, storing, preparing, processing, taking possession of or removing the same; (iii) to sell, assign, lease or otherwise dispose of any Collateral or any part thereof, either at public or private sale or at any broker's board, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be commercially reasonable; (iv) to notify obligors on the Collateral that the Collateral has been assigned to the Agent for the benefit of the Secured Party and that all payments thereon, or performance with respect thereto, are to be made directly and exclusively to the Agent for the account of the Secured Party; (v) to collect by legal proceedings or otherwise all dividends, distributions, interest, principal or other sums now or hereafter payable upon or on account of the Collateral; (vi) to enter into any extension, reorganization, disposition, merger or consolidation agreement, or any other agreement relating to or affecting the Collateral, and in connection therewith the Agent may deposit or surrender control of the Collateral and/or accept other property in exchange for the Collateral as the Agent deems appropriate; (vii) to settle, compromise or

release, on terms acceptable to the Agent, in whole or in part, any amounts owing on the Collateral and/or any disputes with respect thereto; (viii) to extend the time of payment, make allowances and adjustments and issue credits in connection with the Collateral in the name of the Agent for the benefit of the Secured Party or in the name of any Grantor; (ix) to enforce payment and prosecute any action or proceeding with respect to any or all of the Collateral and take or bring, in the name of the Secured Party or in the name of any Grantor, any and all steps, actions, suits or proceedings deemed necessary or desirable by the Agent to effect collection of or to realize upon the Collateral, including, any judicial or nonjudicial foreclosure thereof or thereon, and each Grantor specifically consents to any nonjudicial foreclosure of any or all of the Collateral or any other action taken by the Secured Party which may release any obligor from personal liability on any of the Collateral, and any money or other property received by the Agent in exchange for or on account of the Collateral, whether representing collections or proceeds of Collateral, and whether resulting from voluntary payments or foreclosure proceedings or other legal action taken by Agent or such Grantor may be applied by the Agent, without notice to such Grantor, to the Secured Obligations in such order and manner as the Agent in its sole discretion shall determine; (x) to insure, protect and preserve the Collateral; (xi) to exercise all rights, remedies, powers or privileges provided under any of the other Loan Documents; and (xii) to remove, from any premises where the same may be located, the Collateral and any and all documents, instruments, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and the Agent may, at the cost and expense of each Grantor, use such of its supplies, equipment, facilities and space at its places of business as may be necessary or appropriate to properly administer, process, store, control, prepare for sale or disposition and/or sell or dispose of the Collateral or to properly administer and control the handling of collections and realizations thereon, and the Agent shall be deemed to have a rent-free tenancy of any premises of such Grantor for such purposes and for such periods of time as reasonably required by the Agent. Each Grantor will, at the Agent's request, assemble the Collateral and make it available to the Agent at places which the Agent may designate, whether at the premises of such Grantor or elsewhere, and will make available to the Agent, free of cost, all premises, equipment and facilities of such Grantor for the purpose of the Agent's taking possession of the Collateral or storing the same or removing or putting the Collateral in salable form or selling or disposing of the same. The Agent has no obligation to clean-up or otherwise prepare the Collateral for sale.

(b) Possession by Agent. Upon the occurrence and during the continuance of an Event of Default, the Agent also shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court in accordance with the provisions of applicable law (and each Grantor hereby expressly consents, to the fullest extent permitted by applicable law, upon the occurrence and during the continuance of an Event of Default to the appointment of such a receiver), and, to the extent permitted by applicable law, without regard to the adequacy of any security for the Secured Obligations, to operate the business of any Grantor, by, inter alia, taking possession of the Collateral or any part thereof and to collect and receive the rents, issues, profits, income and proceeds thereof, pending the exercise of any and all other rights and remedies available to the Agent under this Agreement and/or at law or in equity. The operation of any Grantor's business and the taking possession of the Collateral by the Agent shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by said court.

(c) Sale of Collateral. Any public or private sale or other disposition of the Collateral may be held at any office of Agent, or at any Grantor's place of business, or at any other place permitted by applicable law, and without the necessity of the Collateral's being within the view of prospective purchasers. The Agent may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine provided such sale is commercially reasonable, and each Grantor expressly waives, to the extent permitted by applicable law, any right to direct the order and manner of sale of any Collateral. The Agent or any Person acting on the Agent's behalf may bid and purchase at any such sale or other disposition. In addition to the other rights of the Agent hereunder, each Grantor hereby grants to the Agent a license or other right to use, without charge, but only after the occurrence and during the continuance of an Event of Default, such Grantor's labels, copyrights, patents, rights of use of any name, trade names, trademarks and advertising matter, or any property of a similar nature, including, the Copyrights, the Patents and the Marks, in advertising for sale and selling any Collateral. The Secured Party may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

(d) Notice of Sale. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Agent will give each Grantor reasonable notice of the time and place of any public sale thereof or of the time on or after which any private sale thereof is to be made. The requirement of reasonable notice conclusively shall be met if such notice is mailed, certified mail, postage prepaid, to such Grantor at its address set forth in the Credit Agreement, or delivered or otherwise sent to such Grantor, at least ten days before the date of the sale. Each Grantor expressly waives, to the fullest extent permitted by applicable law, any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided for in this paragraph. The Agent shall not be obligated to make any sale of the Collateral if it shall determine not to do so regardless of the fact that notice of sale of the Collateral may have been given. The Agent may, without notice or publication, except as required by applicable law, adjourn the sale from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice (except as required by applicable law), be made at the time and place to which the same was so adjourned.

(e) Private Sales. With respect to any Collateral consisting of securities, partnership interests, membership interests, joint venture interests or the like, and whether or not any of such Collateral has been effectively registered under the Securities Act of 1933, as amended, or other applicable laws, the Agent may, in its sole and absolute discretion, sell all or any part of such Collateral at private sale in such manner and under such circumstances as the Agent may deem necessary or advisable in order that the sale may be lawfully conducted in a commercially reasonable manner. Without limiting the foregoing, the Agent may (i) approach and negotiate with a limited number of potential purchasers, and (ii) restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or resale thereof. In the event that any such Collateral is sold at private sale, each Grantor agrees to the extent permitted by applicable law that if such Collateral is sold for a price which is commercially reasonable, then (A) such Grantor shall not be entitled to a credit against the Secured Obligations in an amount in excess of the purchase price, and (B) neither the Agent nor the Lenders shall incur any

liability or responsibility to such Grantor in connection therewith, notwithstanding the possibility that a substantially higher price might have been realized at a public sale. Each Grantor recognizes that a ready market may not exist for such Collateral if it is not regularly traded on a recognized securities exchange, and that a sale by the Agent of any such Collateral for an amount less than a pro rata share of the fair market value of the issuer's assets minus liabilities may be commercially reasonable in view of the difficulties that may be encountered in attempting to sell a large amount of such Collateral or Collateral that is privately traded.

(f) Title of Purchasers. Upon consummation of any sale of Collateral hereunder, the Agent on behalf of the Secured Party shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of any Grantor or any other Person claiming through any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, the Agent shall not be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by the Agent, and any Collateral so sold may be retained by the Agent until the sale price is paid in full by the purchaser or purchasers thereof. The Secured Party shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

(g) Disposition of Proceeds of Sale. The proceeds resulting from the collection, liquidation, sale or other disposition of the Collateral shall be applied, first, to the reasonable costs and expenses (including, reasonable attorneys' fees) of retaking, holding, storing, processing and preparing for sale, selling, collecting and liquidating the Collateral, and the like; second, to the satisfaction of all Secured Obligations; and third, any surplus remaining after the satisfaction of all Secured Obligations, provided no Commitment or Letter of Credit is outstanding, to be paid over to the Grantors or to whomsoever may be lawfully entitled to receive such surplus.

(h) Certain Waivers. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands against the Agent and the Lenders arising out of the repossession, retention or sale of the Collateral, or any part or parts thereof, except to the extent any such claims, damages and awards arise out of the gross negligence or willful misconduct of the Agent or the Lenders.

(i) Remedies Cumulative. The rights and remedies provided under this Agreement are cumulative and may be exercised singly or concurrently, and are not exclusive of any other rights and remedies provided by law or equity.

(j) Deficiency. If the proceeds of sale, collection or other realization of or upon the Collateral pursuant to this Section 16 are insufficient to cover the costs and expenses of such realization and the payment in full of the Secured Obligations, each Grantor shall remain liable for any deficiency.

17. Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints the Agent as such Grantor's attorney-in-fact, effective upon and during continuance of an Event of Default, with full authority in the place and stead of such Grantor, and in the name of such Grantor, or otherwise, from time to time, in the Agent's sole and absolute discretion to do any of the following acts or things: (a) to do all acts and things and to execute all documents necessary or advisable to perfect and continue perfected the security interests created by this Agreement and to preserve, maintain and protect the Collateral; (b) to do any and every act which such Grantor is obligated to do under this Agreement; (c) to prepare, sign, file and record, in such Grantor's name, any financing statement covering the Collateral; (d) to endorse and transfer the Collateral upon foreclosure by the Agent; (e) to grant or issue an exclusive or nonexclusive license under the Copyrights, the Patents or the Marks to anyone upon foreclosure by the Agent; (f) to assign, pledge, convey or otherwise transfer title in or dispose of the Copyrights, the Patents or the Marks to anyone upon foreclosure by the Agent; and (g) to file any claims or take any action or institute any proceedings which the Agent may reasonably deem necessary or desirable for the protection or enforcement of any of the rights of the Secured Party with respect to any of the Copyrights, the Patents and the Marks; provided, however, that the Agent shall be under no obligation whatsoever to take any of the foregoing actions, and neither the Agent nor the Lenders shall have any liability or responsibility for any act or omission (other than the Agent's or the Lenders' own gross negligence or willful misconduct) taken with respect thereto.

18. Costs and Expenses. Each Grantor agrees to pay to the Agent all reasonable costs and out-of-pocket expenses (including, reasonable attorneys' fees and disbursements) incurred by the Agent in the enforcement or attempted enforcement of this Agreement, whether or not an action is filed in connection therewith, and in connection with any waiver or amendment of any term or provision hereof. All reasonable advances, charges, costs and expenses, including, reasonable attorneys' fees and disbursements, incurred or paid by the Agent in exercising any right, privilege, power or remedy conferred by this Agreement (including, the right to perform any obligation of any Grantor), or in the enforcement or attempted enforcement thereof, shall be secured hereby and shall become a part of the Secured Obligations and shall be due and payable to the Agent by each Grantor on demand therefor.

19. Transfers and Other Liens. Each Grantor agrees that, except as specifically permitted under the Credit Agreement, it will not (i) sell, assign, exchange, lease, license, transfer or otherwise dispose of, or contract to sell, assign, exchange, transfer or otherwise dispose of, or grant any option with respect to, any of the Collateral, or (ii) create or permit to exist any Lien upon or with respect to any of the Collateral, and each Grantor acknowledges that the Secured Party does not authorize any of the foregoing. To the extent any Collateral permitted to be sold or otherwise disposed of is sold or disposed of, such sale or disposition shall be for fair market value.

20. Understandings With Respect to Waivers and Consents.
