Computrol, Inc.
Security Agreement
(Intellectual Property)

THIS SECURITY AGREEMENT (INTELLECTUAL PROPERTY) (this "Agreement") is made and entered into this 5th day of March, 2001, by COMPUTROL, INC., a Missouri corporation ("Borrower"), in favor of DBX FINANCIAL SERVICES LLC, a Delaware limited liability company ("Lender").

WITNESSETH:

WHEREAS, Borrower is herewith executing and delivering to Lender that certain Demand Promissory Note dated the date hereof and payable to Lender in the original principal amount of \$100,000.00, as the same may from time to time be amended, restated, modified, extended or renewed (the "Initial Note"); and

WHEREAS, as a condition precedent to the Lender accepting the Initial Note and loaning funds to Borrower thereunder, the Lender has required that Borrower execute and deliver this Agreement to the Lender; and

WHEREAS, in order to induce the Lender to accept the Initial Note and loan funds to Borrower thereunder, Borrower has agreed to execute and deliver this Agreement to the Lender; and

WHEREAS, Borrower and the Lender agree that all of the Secured Obligations (as hereinafter defined) shall be secured by this Agreement; and

WHEREAS, this Agreement is being executed in connection with and in addition to the Security Agreement under which Borrower has granted to the Lender a lien on and security interest in, among other things, all accounts, inventory, general intangibles, machinery, equipment, books, records, goodwill, patents and trademarks now owned or hereafter acquired by Borrower and all proceeds thereof; and

WHEREAS, Borrower may heretofore execute and deliver to Lender additional notes and instruments representing future liabilities and obligations of Borrower to Lender, and it is the intent and understanding of both Borrower and Lender that this Agreement secure all such future liabilities and obligations of Borrower to Lender.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby covenants and agrees with the Lender as follows:

1. Grant of Security Interest. For value received, Borrower hereby collaterally assigns to the Lender, and grants the Lender a security interest in and lien on, all of Borrower's right, title and interest in, to and under the following described property, whether now owned and existing or hereafter created, acquired or arising:

(a) all patents and patent applications, and the inventions and improvements described and claimed therein, including, without limitation, each patent and application listed on Schedules A and B, respectively, whether or not described, attached hereto and incorporated herein by reference (as the same

may be amended pursuant hereto from time to time) and (i) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (ii) all income, damages and payments now and hereafter due or payable under or with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing patents and applications together with the items described in clauses (i) through (iv) of this subsection (a) are hereinafter collectively referred to herein as the "Patents");

(b) all trademarks, service marks, trademark or service mark registrations, trade names, trade styles, trademark or service mark applications, domain names and domain name registrations and brand names, including, without limitation, common law rights and each mark and application listed on Schedules C and D, respectively, whether or not described, attached hereto and incorporated herein by reference; and (i) renewals or extensions thereof, (ii) all income, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, service marks and applications and registrations thereof together with the items described in clauses (i) through (iv) of this subsection (b) are hereinafter collectively referred to herein as the "Trademarks");

(c) the license(s) listed on Schedule E, whether or not described, attached hereto and incorporated herein by reference and all other license agreements (to the extent such license agreements may be assigned without violating the terms of any such license agreement) with respect to any of the Patents or the Trademarks or any other patent, trademark, service mark or any application or registration thereof or any other trade name or trade style between Borrower and any other party, whether Borrower is licensor or licensee (all of the foregoing license agreements and Borrower's rights thereunder are hereinafter collectively referred to as the "Licenses");

(d) all Software (as defined in the Security Agreement) of Borrower;

(e) the goodwill of Borrower's business connected with and symbolized by the Trademarks; and

(f) all proceeds, including, without limitation, proceeds which constitute property of the types described in (a), (b), (c), (d) and (e) above and any rents and profits of any of the foregoing items, whether cash or noncash, immediate or remote, and insurance proceeds, and all products of (a), (b), (c), (d) and (e) above, and any indemnities, warranties and guaranties payable by reason of loss or damage to or otherwise with respect to any of the foregoing items;

to secure the payment of (i) any and all indebtedness (principal, interest, fees, costs, expenses and other amounts), liabilities and obligations of Borrower to Lender evidenced by or arising under the Initial Note, which, in addition to this Agreement, is secured by, among other things, that certain Security Agreement dated the date hereof of Borrower to Lender and that certain Copyright Security Agreement dated the date hereof of Borrower to Lender (the "Copyright Security Agreement," and together the Security Agreement and all other documents evidencing or securing the Initial Note, collectively referred to as "Loan Documents") (ii) any and all present and future indebtedness, liabilities and obligations of Borrower under this Agreement, (iii) any and all other indebtedness, liabilities and obligations of Borrower to Lender of every kind and character, now existing or hereafter arising, absolute or contingent, joint or several or joint and several, otherwise secured or unsecured, due or not due, direct or indirect, expressed or implied in law, contractual or tortious, liquidated or unliquidated, at law or in equity, or otherwise, and whether heretofore or hereafter incurred or given by Borrower as principal, surety, endorser, guarantor or

otherwise, and whether created directly or acquired by Lender by assignment or otherwise and (iv) any and all costs of collection, legal expenses and attorneys' fees and expenses incurred by Lender upon the occurrence of an Event of Default under this Agreement, in collecting or enforcing payment of any such indebtedness, liabilities or obligations or in preserving, protecting or realizing on the collateral hereunder or in representing Lender in connection with bankruptcy or insolvency proceedings (hereinafter collectively referred to as the "Secured Obligations").

2. Representations, Warranties and Covenants of Borrower. Borrower hereby represents and warrants to the Lender, and covenants and agrees with the Lender, that:

(a) all of the Patents, Trademarks and Licenses are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Borrower's knowledge, are not at this time the subject of any challenge to their validity or enforceability;

(b) to the best of Borrower's knowledge, each of the Patents, Trademarks and Licenses is valid and enforceable;

(c) (i) no claim has been made that the use of any of the Patents, Trademarks or Licenses does or may violate the rights of any third person, (ii) no claims for patent infringement have been commenced in connection with any of the Patents and (iii) no claims for trademark infringement have been commenced in connection with any of the Trademarks;

(d) Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Licenses, free and clear of any and all liens, charges and encumbrances, including, without limitation, any and all pledges, assignments, licenses, registered user agreements, shop rights and covenants by Borrower not to sue third persons, excluding only security interests granted to the Lender;

(e) Borrower has the unqualified right to enter into this Agreement and perform its terms;

(f) Borrower has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Licenses;

(g) Borrower has the royalty-free right and license to use the Patents, Trademarks and Licenses and agrees not to transfer any rights or interest in any of the Patents, Trademarks or Licenses during the term of this Agreement; and

(h) Borrower has no notice of any suits or actions commenced or threatened with reference to any of the Patents, Trademarks or Licenses.

3. Inspection Rights; Product Quality. Borrower will permit inspection of Borrower's facilities which manufacture, inspect or store products sold under any of the Patents, Trademarks or Licenses and inspection of the products and records relating thereto by the Lender during normal business hours and at other reasonable times. Borrower will reimburse the Lender upon demand for all costs and expenses incurred by Lender in connection with any such inspection conducted by Lender while any Default or Event of Default under the Forbearance Agreement has occurred and is continuing. A representative of Borrower may be present during any such inspection, provided that a particular representative's availability or unavailability shall not inhibit or delay such inspection. Borrower agrees (i) to maintain the quality of any and all products in connection with which the Trademarks (including licensed

trademarks under the Licenses) are used, consistent with commercially reasonable practices, and (ii) to provide the Lender, upon the Lender's request from time to time, with a certificate of any officer of Borrower certifying Borrower's compliance with the forgoing.

4. Further Assurances. Borrower agrees that, until (i) all of the Secured Obligations shall have been paid in full and (ii) the Lender has no further commitment or obligation to make any additional loans or advances or other extensions of credit to Borrower, it will not enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with Borrower's obligations under this Agreement, the Initial Note, or any other agreement or instrument, without the prior written consent of the Lender and Borrower agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Lender under this Agreement. Borrower further agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly execute and deliver to the Lender any and all further instruments and documents and take any and all further action that may be necessary, or that the Lender may reasonably request, in order to perfect and protect the security interest granted hereby with respect to the Patents, Trademarks and Licenses or to enable the Lender to exercise its rights and remedies hereunder with respect to the same.

5. Additional Patents, Trademarks and Licenses. If Borrower shall (i) become aware of any existing Patents, Trademarks or Licenses of which Borrower has not previously informed the Lender, (ii) obtain rights to any new patentable inventions, Patents, Trademarks or Licenses or (iii) become entitled to the benefit of any Patents, Trademarks or Licenses which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Borrower shall give the Lender prompt written notice thereof.

6. Modification by Lender. Borrower authorizes the Lender to modify this Agreement by amending Schedules A, B, C, D and E to include any future patents and patent applications, any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications, and any future licenses, covered by Paragraphs 1 and 5 hereof, without the signature of Borrower if permitted by applicable law.

7. Use of Patents, Trademarks and Licenses. So long as no Event of Default has occurred and is continuing, Borrower may use the Patents and Trademarks and exercise its rights under the Licenses in any lawful manner not inconsistent with this Agreement on and in connection with products sold by Borrower, for Borrower's own benefit and account and for none other.

8. Insolvency. All indebtedness and liability of Borrower to Lender shall, without demand or notice of any kind and notwithstanding any maturity date or dates otherwise agreed, become immediately due and payable in the event of the dissolution, termination of existence, insolvency or business failure of Borrower, or upon the application for the appointment of a receiver of any part of the property of Borrower or the commencement by or against Borrower of any proceedings under any bankruptcy, arrangement, reorganization, insolvency or similar law for the relief of Borrower, or by or against any Guarantor or upon the service of any warrant, attachment, levy, or similar process in connection with any legal process, judgment or tax lien or assessment or upon the occurrence of any other event of default under or breach of this Agreement.

9. Default. In addition to the events mentioned in Section 8 of this Agreement, any one or more of the following shall also constitute an "Event of Default" if not cured within five (5) days from the date a payment is due for any default in the payment of money and if not cured within thirty (30) days of notice thereof for any other default hereunder (unless a default hereunder is caused by a default

under another instrument in which a notice and cure period is provided, in which case an Event of Default hereunder shall be deemed to occur immediately upon expiration of the applicable cure period in the other instrument):

- (a) failure of Borrower to pay any principal of, interest on or other amount with respect to any of the Secured Obligations as and when the same shall become due and payable, whether by reason of demand, maturity acceleration or otherwise;
- (b) the occurrence of any default under the Loan Documents;
- (c) the occurrence of any default under any other loan, or any evidence of indebtedness, indenture, loan agreement or similar instrument of Borrower;
- (d) any representation or warranty made by Borrower to Lender in connection with this Agreement or any other Loan Document proving to be untrue in any material respect as of the date of the making or issuance thereof or default occurring in the observance or performance of any of the provisions of this Agreement;
- (e) the grant or the attempt to grant by Borrower of a security interest in the Collateral or a financing statement covering the Collateral to anyone other than Lender;
- (f) the occurrence of any loss, theft, damage or destruction of the Collateral not covered by insurance containing a loss payable clause naming Lender as insured;
- (g) the filing of a proceeding under the Bankruptcy Code either by or against Borrower, or the making of an assignment for the benefit of creditors by Borrower, or the filing or commencement of a proceeding against Borrower for the liquidation of Borrower or the filing of an application for the appointment of a receiver, trustee or custodian of all or any part of the business of Borrower;
- (h) a change in the condition or affairs (financial or other) of Borrower as in the commercially reasonable opinion of Lender will impair its security or increase its risk; or
- (i) failure of Borrower to endeavor to collect, as and when due, all amounts due with respect to any Account, except for commercially reasonable forbearances.

10. Remedies. If any Event of Default shall have occurred and be continuing, the Lender shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Licenses may be located and, without limiting the generality of the foregoing, the Lender may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Borrower, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents, Trademarks (together with the goodwill of Borrower associated therewith) or Licenses, or any interest which Borrower may have therein, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks or Licenses all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations in the order and manner as is set forth in the Loan Agreement. Notice of any sale or other disposition of any of the Patents, Trademarks or Licenses shall be given to Borrower at least five (5) Business Days before the time of any intended public or private sale or other disposition of such Patents, Trademarks and/or Licenses is to be made, which Borrower hereby

agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Lender or any holder of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks or Licenses sold, free from any right of redemption on the part of Borrower, which right is hereby waived and released. Borrower agrees that upon the occurrence and continuance of any Event of Default, the use by the Lender of the Patents, Trademarks and Licenses shall be worldwide, and without any liability for royalties or other related charges from the Lender to Borrower. If an Event of Default shall occur and be continuing, the Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce any and all of the Patents, Trademarks and Licenses, and, if the Lender shall commence any such suit, Borrower shall, at the request of the Lender, do any and all lawful acts and execute any and all proper documents required by the Lender in aid of such enforcement and the Borrower shall promptly, upon demand, reimburse and indemnify the Lender for all costs and expenses incurred by the Lender in the exercise of its rights under this Agreement. All of Lender's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby, by the Security Agreement or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

11. Termination of Agreement. At such time as Borrower shall pay all of the Secured Obligations in full, this Agreement shall terminate and the Lender shall execute and deliver to Borrower all instruments as may be necessary or proper to extinguish the Lender's security interest therein, subject to any disposition thereof which may have been made by the Lender pursuant hereto.

12. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable expenses incurred by the Lender in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents, Trademarks and/or Licenses, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents, Trademarks and/or Licenses, shall be borne and paid by Borrower on demand by the Lender and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at a rate per annum equal to the lesser of the default rate under the Loan Agreement (fluctuating as set forth therein) or the highest rate of interest allowed by law from the date incurred until reimbursed by Borrower.

13. Preservation of Patents, Trademarks and Licenses. Borrower shall have the duty (i) to file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (iii) to preserve and maintain all rights in the Patents, Trademarks and Licenses, as commercially reasonable. Any expenses incurred in connection with Borrower's obligations under this Section 13 shall be borne by Borrower.

14. Lender Appointed Attorney-In-Fact. If any Event of Default shall have occurred and be continuing, Borrower hereby authorizes and empowers the Lender to make, constitute and appoint any officer or agent of the Lender as the Lender may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with the power to endorse Borrower's name on all applications, documents, papers and instruments necessary for the Lender to use the Patents, Trademarks and Licenses, or to grant or issue any exclusive or non-exclusive license under the Patents, Trademarks and Licenses to anyone else, or necessary for the Lender to assign, pledge, convey or otherwise transfer title to or dispose of the Patents, Trademarks and Licenses to anyone else. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

15. No Waiver. No course of dealing between Borrower and the Lender, nor any failure to exercise, nor any delay in exercising, on the part of the Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

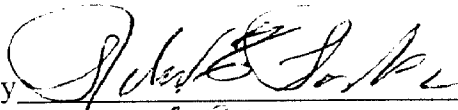

17. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Borrower and the Lender, except as provided in Paragraph 6 above.

18. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that Borrower may not assign or delegate any of its rights or obligations under this Agreement without the prior written consent of Lender.

19. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Missouri (without reference to conflict of law principles).

IN WITNESS WHEREOF, Borrower and the Lender have executed this Security Agreement (Intellectual Property) as of the date set forth above.

SCHEDULE E

LICENSES

No formal licenses have been given. The Borrower does have a Pending Application Serial No. 75/664,476 filed March 19, 1999 for the mark EBASE. A demand dated May 10, 2000 was received by the Borrower from counsel for Technology Project, a project of the Rockefeller Family Fund ("RFTP") demanding that the Borrower discontinue its use of the mark and withdraw its Application. RFTP alleged that it had rights to the mark EBASE under Serial No. 76/037,404. By the Borrower's response to RFTP on May 25, 2000, counsel for the Borrower rejected the demands of RFTP. No further response has been received from RFTP. The Borrower could, in the future, issue a license or license for this mark to RFTP in response to these demands.
