TRADEMARK ASSIGNMENT

WHEREAS, REED ELSEVIER INC., a Massachusetts corporation, (hereinafter, "Assignor"), is or may be the owner of trademarks, and the applications and registrations therefor, (if any) specifically set forth on the attached Schedule A (collectively the "Trademarks") along with the good will of the business symbolized thereby; and

WHEREAS, AI/CCJ, LLC (hereinafter, "Assignee"), an Alabama limited liability company, having a principal business address at 3200 Rice Mine Road N.E., P.O. Box 2029, Tuscaloosa, Alabama 35406, desires to acquire the entire right, title and interest, in and to said Trademarks.

NOW, THEREFORE, effective immediately by this document (the "Assignment") and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over to Assignee, for its own use and enjoyment and for the use and enjoyment of its successors, assigns, and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, Assignor's entire right, title and interest in the United States, all foreign countries and jurisdictions, and throughout the universe, in the Trademarks and any renewals thereof, together with the good will of the business symbolized by said Trademarks, or otherwise associated with the business conducted in connection with said Trademarks, and all income, royalties, damages, and payments now or hereafter due or payable in respect thereto, and in and to all causes of action (either in law or in equity) and the right to sue, counterclaim and recover for past, present, and/or future infringement, dilution, damages, or other unauthorized use or impairment of the rights assigned to Assignee under this Assignment.

Assignor authorizes and requests the U.S. Patent and Trademark Office, or any foreign equivalent thereof, to record Assignee as owner of the Trademarks as assignee of the entire title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Assignor hereby agrees to execute (and/or to have promptly executed by its predecessors, if any) any and all papers, and to perform such other proper acts, as may be reasonably necessary to secure to Assignee, or to its successors or assigns, the rights hereby transferred; provided, however, that the provision of the foregoing cooperation and assistance by Assignor shall be at the sole expense of Assignee.

This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

WHEREFORE, Assignor and Assignee have caused this Assignment to be duly
executed below, on the dates indicated by their duly authorized officers.
