TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement, dated as of March 30, 2001 (this "Agreement"), is between Pinkert Industrial Group, LLC, an Illinois limited liability company, as grantor (the "Company"), and LaSalle Bank National Association, a national banking association, as agent (in such capacity, the "Agent") for the Banks (as defined below).

PRELIMINARY STATEMENTS:

1. The Company and Holco Corporation, an Illinois corporation ("Holco"), as borrowers, the financial institutions that are or may from time to time become parties thereto, as lenders (collectively, the "Banks"), and the Agent have entered into the Credit Agreement dated as of March 30, 2001 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), under which the Banks have agreed, on certain terms and subject to certain conditions, to make loans and other extensions of credit to the Company.

2. Under the Security Agreement, dated as of March 30, 2001 (the "Security Agreement"), between the Company and Holco, as grantors, and the Agent, the Company has granted the Agent a security interest in substantially all of the Company's assets.

3. It is a condition precedent to the initial advances under the Credit Agreement that the Company execute this Agreement in favor of the Agent.

AGREEMENT:

In consideration of the foregoing and the mutual agreements contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties to this Agreement agree as follows:

1. Definitions. Capitalized terms used in this Agreement and not otherwise defined have the meanings assigned to such terms in the Credit Agreement.

2. Grant of Security Interest. To secure its liabilities and obligations under the Credit Agreement and the other Loan Documents, the Company mortgages and pledges to the Agent for the benefit of the Banks and grants the Agent for the benefit of the Banks a security interest in all of the Company's right, title and interest in, to and under (i) each trademark, trademark application and trademark license and service mark license listed on the attached Schedules I, II and III, including, without limitation, all proceeds of such trademarks, trademark applications and trademark licenses and service mark licenses (including, without limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding to such trademarks, trademark applications and trademark licenses and service mark licenses throughout the world and all re-issues, extensions and renewals of such trademarks, trademark applications and trademark licenses and service mark licenses (collectively, the "Trademarks") and (ii) the goodwill of the business connected with the use of, and symbolized by, each Trademark. Until an Event of Default occurs, the Company retains its rights in the Trademarks and may use and possess the Trademarks until such time.

3. Representations and Warranties. The Company represents and warrants that, from and after the date of this Agreement, (i) the Trademarks listed on Schedule I and II include all of the Trademark now owned or held by the Company, (ii) the trademark licenses and service mark licenses listed on Schedule III include all of the trademark license agreements and service mark licenses under which the Company is the licensee or licensor and (iii) no Liens, claims or encumbrances in such Trademarks have been granted by the Company to any Person or asserted by any Person against the Company other than the Agent, except for Liens permitted under Section 10.8 of the Credit Agreement.

4. New Trademarks. If, prior to the termination of this Agreement, the Company (i) obtains rights to any new Trademarks, (ii) becomes entitled to the benefit of any Trademarks, whether as licensee or licensor or (iii) enters into any new trademark license agreement or service mark license agreement, the provisions of Section 2 automatically apply thereto. The Company will give to the Agent written notice of events described in clauses (i)-(iii) above promptly after the occurrence thereof, but in any event not less frequently than on a quarterly basis. The Company authorizes the Agent to modify this Agreement unilaterally (a) by amending Schedule I or II to include any future Trademarks and by amending Schedule III to include any future trademark license agreements or service mark license agreements and (b) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule I, II or III thereto, as the case may be, such future Trademarks.

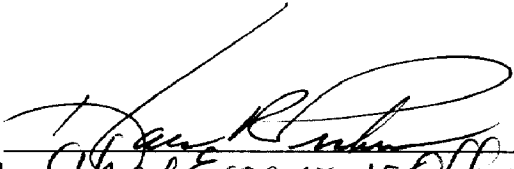

5. Remedies. The Company and the Agent further acknowledge and affirm that the rights and remedies of the Agent after the occurrence of an Event of Default with respect to the assignment of and security interest in the Trademarks made and granted by this Agreement are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated in this Agreement by reference.

6. Termination. Following the termination of the Credit Agreement in accordance with its terms, upon the request (and at the expense) of the Company, the Trademarks and any and all financing statements filed on behalf of the Agent will be automatically reassigned to the Company or terminated, and the Agent will execute such instruments as may be reasonably requested to evidence such reassignment or termination in accordance with the terms set forth in the Credit Agreement.
