**In re: Registration No. 1,804,370 for the mark TORCHED METALS and Design**

Receipt on August 14, 2000 is acknowledged of a response to the Office letter of July 27, 2000 regarding an Affidavit under Section 8.

The claimant has attempted to record the change in title in the Assignment Branch. However, due to an error in the assignment papers as filed by the claimant, the record is not clear. Claimant is requested to submit the appropriate papers to the Assignment Branch with a request to clarify this situation. The assignment papers sent to me are being returned herein.

Please contact the Assignment Branch at 703-308-9723 for procedural information and the recordation form cover sheet necessary to record documents.

The claimant must notify the undersigned when the document or documents have been filed for recording. The filing of a document in the Assignment Branch does not stay the six-month period for responding to this action.

If the present claimant chooses to establish ownership by submitting proof of the transfer of title, the claimant must submit evidence of such transfer. Appropriate evidence may consist of a copy of the document transferring ownership from one party to another or an explanation, supported by an affidavit or a declaration under Trademark Rule 2.20, that a valid transfer of legal title has occurred.

However, pursuant to Trademark Rule 3.85, the office records will continue to reflect the original registrant or the last recorded assignee as recorded in the Assignment Branch. The Section 8 Acceptance Notice will not issue in the name of the new owner unless and until the transfer is recorded in the Assignment Branch.
