## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "**Agreement**") made as of this 27th day of June, 2001 by TOTES ISOTONER CORPORATION, an Ohio corporation ("**Grantor**") in favor of Bank of America, N.A., in its capacity as Collateral Agent for the Lenders party to the Loan Agreement (defined below) ("**Grantee**");

### W I T N E S S E T H

WHEREAS, Grantor and Grantee are parties to a certain Loan and Security Agreement of even date herewith (as the same may be amended or otherwise modified from time to time, the "**Loan Agreement**") providing for the extensions of credit to be made to Grantor by Lenders;

WHEREAS, pursuant to the terms of the Loan Agreement, Grantor has granted to Grantee, for the benefit of Lenders, a security interest in substantially all of the assets of Grantor including all right title and interest of Grantor in, to and under all now owned and hereafter acquired or arising (a) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith (other than "intent to use" applications until a verified statement of use or an amendment to allege use is filed with respect to such applications); (b) all renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing (collectively, "**Trademarks**") and all products and proceeds thereof, to secure the payment of all amounts owing by Grantor under the Loan Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Loan Agreement. The Loan Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Grantor hereby grants to Grantee, and hereby reaffirms its prior grant pursuant to the Loan Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter created or acquired:

(i) each Trademark, including without limitation each U.S. and Canadian registration or application for registration, listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. Warranties and Representations. Grantor warrants and represents to Grantee that:

(i) Other than the Permitted Intercreditor Liens, to the best of Grantor's knowledge, Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark in existence as of the date hereof, and will be with respect to each Trademark acquired after the date hereof, free and clear of any liens, charges and encumbrances, including without limitation licenses and covenants by Grantor not to sue third persons;

(ii) Except as set forth in Schedule 4.12 of the Loan Agreement, Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iii) Grantor has the unqualified right to execute and deliver this Agreement and perform its terms.

4. Restrictions on Future Agreements. Grantor agrees that until Grantor's Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated, Grantor shall not, without the prior written consent of Grantee, which consent shall not be unreasonably withheld or delayed, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement with respect to any Trademark the effect of which is to hypothecate or diminish Grantor's rights in such Trademark, and Grantor further agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would reasonably be expected to adversely affect the validity or enforcement of the rights transferred to Grantee under this Agreement.

5. Product Quality. Grantor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices, and (ii) to provide Grantee, upon Grantee's request from time to time, with a certificate of an officer of Grantor certifying Grantor's compliance with the foregoing. Upon the occurrence of an Event of Default, Grantor agrees that Grantee, or a conservator appointed by Grantee, shall have the right to establish such additional product quality controls as Grantee, or said conservator, in its reasonable judgment, may deem necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks.

6. New Trademarks. If, before Grantor's Obligations shall have been satisfied in full or before the Loan Agreement has been terminated, Grantor shall (i) become aware of any existing Trademarks of which Grantor has not previously informed Grantee, or (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Agreement above shall automatically apply thereto and with respect to Trademark registrations or applications for registrations, Grantor shall give to Grantee prompt written notice thereof. Grantor hereby authorizes Grantee to modify this Agreement by amending Schedule 1 to include any such Trademarks.

7. Duties of Grantor. Grantor shall (i) file and prosecute diligently any trademark applications pending as of the date hereof or hereafter, (ii) preserve and maintain all rights in the Trademarks, as reasonably deemed appropriate by Grantor (iii) ensure that the Trademarks are and remain enforceable; provided, however, that the Grantor shall not be obligated to file, prosecute, preserve, maintain or ensure enforceability of any Trademark that the Grantor determines in its reasonable business judgment is no longer material, necessary or desirable in the conduct of its business, as now or hereafter conducted.

8. Grantee's Right to Sue. After an Event of Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute any and all proper documents required by Grantee in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Grantee for all costs and expenses incurred by Grantee in the exercise of its rights under this Section 8.

9. Cumulative Remedies; Power of Attorney. Grantee hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Grantee upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Grantee as Grantee may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Grantee in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Grantee deems to be in the best interest of Grantee, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until Grantor's Obligations shall have been paid in full and the Loan Agreement has been terminated. Grantor hereby further acknowledges and agrees that the use by Grantee of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Grantee to Grantor.

Pending U.S. Oppositions Filed Against Totes Isotoner Corporation  
 By Another Party Claiming Damage Because of Totes Isotoner's Existing TOTES Registrations

DATE

OPPOSITION NO.	MARK OPPOSED	SER. NO.	GOODS	OPPOSER	FILED	STATUS
121,054	TOTES	75714,429	backpacks, day packs, belt bags, all purpose sports bags, duffel bags and briefcases	Tote, Inc.		the PTO's rejection of two separate Tote applications (each in Int. Cl. 18) on the "Tote" designation, one in the name of Tote Inc. for "notebook computer bags", and the other in the name of Tote's owner, Adam Bennett, for "a bag or carrying case, luggage, receptacle," because of the pending Totes' 429 application and certain pre-existing registrations on TOTES (1,138,767; 1,154,884; and 1,315,771) and on TOTES SPORT (2,305,847). The opposition was not filed until after several extensions were obtained in Mr. Bennett's name. Bennett filed the opposition, however, in the name of Tote, Inc. Totes has moved to dismiss the opposition on the ground that, because the opposition was filed in the name of Tote Inc. and not Bennett himself, it was not timely filed. Totes has also moved for entry of summary judgment on the ground that Tote Inc./Bennett cannot show any damage should the Totes' 429 application be granted because of Totes' already existing registrations on the same or similar goods.
