2. Rights and Remedies. The Borrower agrees in addition to the rights and remedies given to Lender under the Loan Agreement, upon the occurrence of any Event of Default, Lender shall have the rights and remedies of a secured party under the Uniform Commercial Code, under other applicable law, and under this Agreement including the power to sell, assign and convey the General Intangibles, in whole or in part, for cash or on credit, at public sale or private sale and in whatever way the Lender shall deem appropriate. Notice of any public sale of the General Intangibles, or the time after which a private sale may be made, shall be given at least thirty (30) days in advance. At any sale (except a private sale), the Lender may bid for and purchase the General Intangibles. Upon the occurrence and during the continuation of any Event of Default, the Borrower shall, at Lender's request, execute and deliver to Lender an assignment in a form acceptable to Lender, whereby the Borrower shall assign the General Intangibles to either Lender or a third party, at Lender's discretion. Upon the occurrence and during the continuation of any Event of Default, the Borrower hereby authorizes and empowers Lender to make, constitute and appoint any officer or agent of Lender as Lender may select, in its exclusive discretion, as the Borrower's true and lawful attorney-in-fact, with the power to endorse the Borrower's name on all applications, documents, papers and instruments, as may be necessary for Lender to have the full benefit of this Agreement, including, but not limited to, the full right to use the General Intangibles described herein, or to grant or issue any exclusive or non-exclusive license under such General Intangibles to anyone else, or [as may be necessary for Lender] to assign, pledge, convey or otherwise transfer title in and to or otherwise dispose of the General Intangibles. The Borrower hereby ratifies all acts that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until such time as all Indebtedness have been fully paid and satisfied and all financial arrangements between the Borrower and Lender shall have been terminated.

3. Lender's Waivers. Lender shall have no obligation or responsibility to protect or defend the General Intangibles or the right to use thereof, and Borrower shall, at its own expense, take such actions as may be necessary to protect, defend and maintain the same. The Borrower shall forthwith advise Lender in writing of material infringements or unauthorized uses of the

General Intangibles detected by the Borrower. Upon the occurrence and continuation of an Event of Default, or if the Borrower fails to comply with the foregoing, Lender may but shall not be required to take reasonable action deemed appropriate by it to protect, defend and maintain the General Intangibles. Any such actions may be taken by Lender in the Borrower's name to the extent permitted by law, and the Borrower hereby agrees, upon demand, to reimburse Lender for costs and expenses incurred in taking any such action.

4. Subsequently Acquired General Intangibles. If, before the Indebtedness are paid and satisfied in full, the Borrower acquires, develops or otherwise obtains rights to any General Intangibles of the types described in Section 1 hereof, the provisions of this Agreement shall automatically apply thereto and the Borrower shall give Lender prompt notice thereof in writing. The Borrower authorizes Lender to modify this Agreement by amending any applicable Schedule to include any subsequently acquired or developed General Intangibles.

5. Subsequent Assurances. The Borrower further agrees and covenants that it will, at its own expense, execute all papers and perform such other acts as may be reasonably necessary to give Lender the full benefit of this Agreement.

6. Representations, Warranties and Covenants. The Borrower hereby represents, warrants and covenants as follows:

(a) The patents, copyrights, trademark, trade names and service marks, and applications therefor, set forth in the Schedules hereto constitute all of the issued or registered: patents, copyrights, trademarks, trade names and service marks; and applications therefor, owned by the Borrower as of the date hereof.

(b) Except for the security interest granted Lender hereby, the Borrower is and will continue to be the owner of all of the General Intangibles free and clear of any adverse claim, security interest, license or encumbrance of any person other than Lender.

(c) the Borrower has the full right and power to execute this Agreement and grant the mortgage, pledge and security interests in its General Intangibles made hereby.

(d) Except as set forth on the attached Schedules, the Borrower has made no currently or prospectively effective assignment, transfer, license or agreement in conflict herewith or constituting a present or prospective assignment or transfer of or encumbrance on any of the General Intangibles.

(e) Except financing statements filed or to be filed in respect to the security interest under this Agreement and other financing statements in favor of Lender, there is no financing statement or other document or instrument now signed or on file in any public office covering any part of the General Intangibles, and so long as any of the Indebtedness remain outstanding, and all financial arrangements between the Borrower and Lender shall not have been terminated, the Borrower will not execute, and there will not be on file in any public office, any such financing statement or other document or instruments.

(f) All information furnished to Lender concerning the General Intangibles and proceeds thereof, or otherwise for the purpose of obtaining credit or an extension of credit, is or will be at the time the same is furnished, accurate and correct in all material respects.

7. Prosecution of General Intangibles. Until this Agreement terminates as provided in Section 1 hereof, the Borrower shall diligently file and prosecute any continuations, continuations-in-part, applications for reissue, applications for certificate of correction, affidavits of use, proofs of use, renewals and like matters, as are in the Borrower's best business interests, and the Borrower shall bear the entire cost of all such filings and proceedings. The Borrower agrees to retain a licensed patent attorney or an experienced copyright and trademark attorney, as appropriate, for the filing and prosecution of all such applications and other proceedings.

8. Payments of Fees. Except in connection with an abandonment or forfeiture permitted by Section 9 hereof, the Borrower agrees to pay when due all fees, including license fees, taxes and other expenses which shall be incurred or which shall accrue with respect to any of the patents or patent applications, trademark registrations, trade name registrations, or trademark applications, service mark registrations and service mark applications, trade names, copyright registrations, copyright applications and know-how within the General Intangibles.

9. No Abandonment or Forfeiture. Except where (i) abandonment or forfeiture would be in the best business interests of the Borrower, and (ii) Agent has consented thereto in writing (which consent shall not unreasonably be withheld), the Borrower shall not allow any trademark, trade name, service mark, or any application for trademark, trade name or service mark included within the General Intangibles to become abandoned, forfeited or dedicated to the public without the express written approval of Lender. If any pending or hereafter filed trademark, trade name, service mark or application for registration thereof, including renewal applications, has been finally rejected by the United States Patent and Trademark Office or any foreign patent or trademark office, the Borrower may abandon the same after sixty (60) days prior written notice to Lender, which may thereafter at its own expense pursue administrative or judicial appeals. The Borrower shall cooperate in any such appeal.

10. Lender's Right to Preserve Collateral. Lender may, at its option, after the occurrence of an Event of Default, but without obligation to do so, discharge taxes, liens, or security interests or other encumbrances at any time levied or placed upon those General Intangibles which are comprised of patents, trademarks, trade names or service marks, or registrations thereof owned or used by the Borrower (the "Relevant General Intangibles"), or pay for maintenance or otherwise preserve the Relevant General Intangibles, or pay any other fees, attorneys' fees or other expenses necessary to preserve and protect the rights conveyed, mortgaged and secured by the security interests hereby granted with respect to the Relevant General Intangibles. The Borrower hereby agrees, upon demand, to reimburse Lender for all payments made by it under this Section 10.

11. Stand-By License. The Borrower hereby grants to Lender an irrevocable license, effective upon the occurrence of an Event of Default, to use or grant licenses relating to the General Intangibles, in Lender's sole discretion, for any of the following purposes: operating the Borrower's business, completing any work in progress of the Borrower, using or processing any inventory of the Borrower, repairing any goods manufactured by the Borrower, selling or

marketing any goods of the Borrower or any goods manufactured from inventory or work in Progress of the Borrower, and any other purpose reasonably related to Lender's interests in the General Intangibles for the realization of the value thereof. The irrevocable license granted by this Section 11 shall be effective from the date hereof until all of the Indebtedness have been paid in full and all financial arrangements between the Borrower and Lender shall have been terminated.

12. Control and Management. Lender shall permit the Borrower to control and manage the General Intangibles in the operation of its business including rights of manufacture, use and sale granted by said General Intangibles, to enforce rights under the General Intangibles, and to receive and use the income, revenue and profits arising from said General Intangibles and the proceeds thereof in the same manner and with the same effect as if this Agreement had not been made so long as the Borrower has paid and satisfied when due the Indebtedness secured by this Agreement and no Event of Default has occurred and Lender has not notified Borrower that Lender intends to control and manage the General Intangibles, enforce rights under the General Intangibles, and to receive and use the income, revenue and profits arising from said General Intangibles and the proceeds thereof. The present grant to Lender of a lien, security interest and mortgage notwithstanding, the parties acknowledge that the Borrower is and shall remain the owner of the General Intangibles with full power to grant licenses, but any such license shall be approved by Bank in writing and be and remain subject to the terms and conditions hereof and the superior rights of Lender.

13. Marshalling, etc. Lender shall not be required to make any demand upon or pursue or exhaust any of its rights or remedies against the Borrower or others with respect to the payment of the Indebtedness, and shall not be required to marshal the General Intangibles or any other collateral granted as security for the Indebtedness or to resort to the General Intangibles on any other collateral granted as security for the Indebtedness in any particular order and all of the rights of the Lender hereunder shall be cumulative. To the extent that it lawfully may, the Borrower hereby waives and relinquishes the benefit and advantage of, and does hereby covenant not to assert against Lender, any valuation, stay, appraisement, extension or redemption laws now existing or which may hereafter exist which, but for this provision, might be applicable to any sale made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Agreement or in respect of the General Intangibles. To the extent it lawfully may, without limiting the generality of the foregoing, the Borrower hereby agrees that it will not invoke or utilize any law which might cause delay in, or impede, the enforcement of Lender's rights under this Agreement, and hereby waives the same.

14. Application of Proceeds. The proceeds of all sales and collections hereunder, the application of which is not otherwise herein provided for, shall be applied as follows:

First, to the payment of the reasonable costs and expenses of such collection, sale or other realization, and all expenses, and advances made or incurred by Lender in connection therewith;

Second, to the payment in full of the Indebtedness in the manner set forth in Section 2.13 of the Loan Agreement; and

Third, to the payment to the Borrower, or its successors or assigns, or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds which relate to the General Intangibles.

As used in this Section 14, "proceeds" shall mean cash, securities and other property realized in respect of, and distributions in kind of, General Intangibles, including any thereof received under any reorganization, liquidation or adjustment of debt of the Borrower.

15. Course of Dealing. No course of dealing between the Borrower and Lender shall operate as a waiver of any rights of any of them under this Agreement or in respect of the General Intangibles or the Indebtedness. No delay or omission on the part of Lender in exercising any right under this Agreement in respect of the General Intangibles or any Indebtedness shall operate as a waiver of such right or any other right hereunder. A waiver on any one occasion shall not be construed as a bar to waiver of any right and/or remedy on any future occasion. No waiver, amendment to, or other modification of this Agreement shall be effective unless it is in writing and signed by Lender.

16. Discharge. If the Borrower shall absolutely, completely and irrevocably pay in full and satisfy the Indebtedness and if all financial arrangements between the Borrower and Lender shall have been terminated, then this Agreement and the rights hereby granted shall cease and be void, and at the request of the Borrower, and at its expense, Lender shall release and discharge all of the General Intangibles without recourse against Lender and, to that end, shall execute and deliver to the Borrower, at the Borrower's own expense, such releases, reassignments, and other documents (or cause the same to be done) as the Borrower shall reasonably request, and Lender shall pay over to the Borrower any money and deliver to it any other property then held by it as General Intangibles (or cause the same to be done). The receipt of the Borrower for the General Intangibles so delivered shall be a complete and full acquittance therefor, and Lender shall thereafter be discharged from any liability or responsibility therefor.

17. Miscellaneous. (a) This Agreement shall be deemed to have been made in the State of Wisconsin and shall be governed by the laws of the State of Wisconsin. The headings in this instrument are for convenience of reference only and shall not limit or otherwise affect the meaning of any provision hereof.

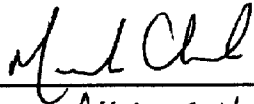

(b) All communications or notices required or permitted by this Agreement shall be in writing and shall be deemed to have been given or made when delivered in hand, or when deposited in the mail. Communications or notices shall be delivered personally or by certified or registered mail, postage prepaid, and addressed as follows, unless and until either of such parties notifies the other in accordance with this section of a change of address, to the parties and at the addresses set forth in the Loan Agreement.

(c) In the event that any provision hereof shall be deemed to be invalid by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity of such provision shall not affect the validity of any remaining provision hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

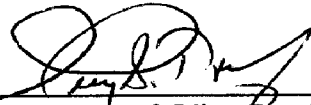

IN WITNESS WHEREOF, this Agreement has been duly executed as of the day and year first above written.
