INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement dated November 29, 2001 is between SILICON VALLEY BANK, a California-chartered bank ("Bank"), and HCORP, INC., a California corporation ("Grantor").

RECITALS

A. Bank will make advances to Grantor ("Loans") as described in the Loan and Security Agreement by and between Bank and Grantor of even date herewith (the "Loan Agreement"), but only if Grantor grants Bank a security interest in its Copyrights, Trademarks, Patents and Mask Works. Each capitalized term used herein has the meaning accorded to it in the Loan Agreement.

B. Grantor has granted Bank a security interest in all of its right, title and interest, presently existing or later acquired, to all the Collateral.

AGREEMENT

Grantor grants Bank a security interest in all of its right, title and interest in and to Grantor's Intellectual Property Collateral (such as the Copyrights, Patents, Trademarks and Mask Works listed on Schedules A, B, C, and D), and all proceeds (such as license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements rights throughout the world and all reissues, divisions continuations, renewals, extensions and continuations-in-part.

This security interest is granted in conjunction with the security interest granted under the Loan Agreement. Bank's rights and remedies with respect to the Collateral are in addition to those in the Loan Agreement and the other Loan Documents, and those available in law or equity. Bank's rights powers and interests are cumulative with every right, power or remedy provided here. Bank's exercise its rights, powers or remedies in this Agreement, the Loan Agreement or any other Loan Document, does not preclude the simultaneous or later exercise of any or all other right, power or remedy.
