EXTRAORDINARY GENERAL MEETING OF MAY 22, 1998

### MINUTES

On May 22, nineteen hundred and ninety-eight, at 10 a.m., the shareholders of SGS-THOMSON Microelectronics SA held an Extraordinary General Meeting at the registered office, at the convening of the Board of Directors, each shareholder having being individually invited.

An attendance sheet was drawn up and signed by the shareholders as they entered the meeting.

The meeting was chaired by Mr Dutheil, Chairman of the Board of Directors.

The company STMicroelectronics NV represented by Mr Pistorio,

and

Mr Vasuth,

the two shareholders, present and accepting, holding in their own right and as proxies the largest number of votes, were called to act as scrutineers.

The committee thus constituted appointed Mrs Buton to act as Secretary.

Having noted the composition of the committee, the Chairman passed round the attendance sheet, certified true, to the meeting. The attendance sheet showed that the shareholders present or represented held more than one third of the shares with voting rights.

Therefore, since more than one third of the shares with voting rights were present or represented, the meeting was properly constituted and authorized to deliberate.

The Chairman noted that the meeting had been convened to deliberate the following agenda:

- Change of the company's name,
- Corresponding amendments to the charter,
- Powers to the holder to execute the mandatory legal formalities.

The Chairman then submitted to the committee:

- the meeting attendance sheet,

- the charter of the company,
- a copy of the invitation to attend as sent to each shareholder,
- a copy of the invitation to attend as sent by registered mail to the auditors and co-auditors, with receipt of delivery,
- the report of the Board,
- the text of the resolutions to be voted on by the shareholders.

The Chairman declared that all documents which as prescribed by legislative and regulatory provisions had to be provided to the shareholders had been made available at the registered office since the convening of the meeting. The meeting formally acknowledged this declaration to the Chairman.

The Chairman proceeded to read out the report of the Board and the text of the resolutions to be voted on by the shareholders.

Having concluded the readings and with no-one wishing to speak, he put the following resolutions to the vote:

#### FIRST RESOLUTION

The General Meeting, at the proposal of the Board and having heard the reading of the report of the Board, resolves to change, with effect from today, the name of the company, which shall become:

STMicroelectronics SA

in place of SGS-THOMSON Microelectronics SA.

This resolution was passed unanimously.

#### SECOND RESOLUTION

The General Meeting, in view of the above resolution, resolves to amend Article 3 of the charter as follows:

This resolution was passed unanimously.

#### THIRD RESOLUTION

All powers shall be granted to the holder of an original, a copy or a certified true extract of these presents to execute the resulting formalities in terms of publicity relevant to the resolutions adopted above.
