This Security Agreement Amendment (the "**Amendment**") dated as of August 8, 2002, by and among MILACRON INC., a Delaware corporation (the "**Borrower**"), and EACH OF THE DESIGNATED SUBSIDIARIES LISTED ON THE SIGNATURE PAGES HERETO OR OTHER ENTITIES FROM TIME TO TIME PARTY THERETO BY EXECUTION OF A JOINDER AGREEMENT (collectively, the "**Designated Subsidiaries**"; together with the Borrower, the "**Pledgors**"), as pledgors, assignors and debtors, in favor of DEUTSCHE BANK TRUST COMPANY AMERICAS (f/k/a Bankers Trust Company), a New York banking corporation, in its capacity as administrative agent, pledgee, and secured party (in such capacities and together with any successors in such capacities, the "**Administrative Agent**") for the benefit of the Secured Parties. Capitalized terms used but not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement (as defined below).

### R E C I T A L S :

**WHEREAS** the Pledgors and the Administrative Agent are parties to that certain security agreement dated as of October 25, 2001 (the "**Original Security Agreement**"; the Original Security Agreement as amended by this Amendment and as further amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**").

**WHEREAS** pursuant to that certain letter agreement dated as of June 17, 2002, among Milacron Inc., Milacron Kunststoffmaschinen Europa GmbH, Milacron Metalworking Technologies Holding GmbH and Milacron B.V., the Administrative Agent, PNC Bank, as documentation agent and the lending institutions from time to time party to the Credit Agreement (the "**Letter Agreement**"). Valenite U.S.A. Inc., in order to effect the Valenite Transaction (as defined in the Letter Agreement), transferred all of the Intellectual Property Collateral relating to the industrial fluids and bonded abrasives businesses of Cimcool Industrial Products Inc. that immediately prior to the transfers described in the Letter Agreement was owned by Valenite U.S.A. Inc., including, without limitation, the Trademarks listed on Exhibit A attached hereto (the "**Transferred Trademarks**") and the Patents listed on Exhibit B attached hereto (the "**Transferred Patents**"; together with the Transferred Trademarks and the other Intellectual Property Collateral described in this sentence, the "**Transferred Intellectual Property Collateral**") to Milacron Inc., in each case, subject to the Lien on and security interest in the Transferred Intellectual Property Collateral granted to the Administrative Agent pursuant to the Security Agreement. Thereafter, Milacron Inc. transferred the Transferred Intellectual Property Collateral to Milacron Industrial Products, Inc. ("**MIP**") , in each case, subject to the Lien on and security interest in the Transferred Intellectual Property Collateral granted to the Administrative Agent pursuant to the Security Agreement.

**WHEREAS** the Pledgors and Administrative Agent desire to amend the Original Security Agreement to, among other things, continue and confirm the pledge of and security interest in the Transferred Intellectual Property Collateral pursuant to the Original Security Agreement to the Administrative Agent for the benefit of the Secured Parties as security for the payment and performance of the Secured Debt.

**NOW, THEREFORE,** in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

**A G R E E M E N T :**

1. **Amendment.**

The Security Agreement is hereby amended as follows:

a. Schedule 1.1(c) to the Security Agreement is hereby amended by deleting each reference to "Valenite U.S.A. Inc." therein under the categories "Initial Patents (Fluids)" and "Initial Patents (Abrasives)" and replacing such reference with "Milacron Industrial Products, Inc."

b. Schedule 1.1(e) to the Security Agreement is hereby amended by deleting each reference to "Valenite U.S.A. Inc." therein under the categories "Initial Trademarks (Fluids)" and "Initial Trademarks (Abrasives)" and replacing such reference with "Milacron Industrial Products, Inc."

2. **Pledged Collateral.**

a. Each Pledgor represents, warrants and covenants (as applicable) as follows:

(i) Other than the filing of this Amendment with the United States Patent and Trademark Office and, with respect to the Transferred Intellectual Property Collateral that does not consist of United States Trademarks and United States Patents, the continuation of the UCC-1 financing statement filed with the Secretary of State of Michigan as file # 31610C on December 6, 2001 in accordance with the provisions of applicable law, no other action or filing, recording or registration is necessary to maintain the validity, perfection or priority of the security interest granted to the Administrative Agent pursuant to the Original Security Agreement on the Transferred Intellectual Property Collateral.

(ii) The Transferred Intellectual Property Collateral constitutes all of the Intellectual Property Collateral relating to the industrial fluids and bonded abrasives businesses of Cim-cool Industrial Products Inc. that immediately prior to the transfers described in the Letter Agreement were owned by Valenite U.S.A. Inc.

b. MIP hereby (i) acknowledges and agrees that it has acquired title to the Transferred Intellectual Property Collateral from Valenite U.S.A. Inc. (through Milacron Inc.) subject to the Lien thereon and security interest therein granted to the Administrative Agent pursuant to the Original Security Agreement, (ii) confirms and continues the Lien on and security interest in the Transferred Intellectual Property Collateral granted to the Administrative Agent pursuant to the Original Security Agreement as security for the payment and performance of the Secured Debt and (iii) acknowledges and agrees that the Transferred Intellectual Property Collateral shall constitute Intellectual Property Collateral pledged by it pursuant to the Security Agreement subject to the Lien and security interest created by the Security Agreement.

c. Each Pledgor hereby consents to any and all filings, registrations and recordings (including the filing of this Amendment with the United States Patent and Trademark Office in order to confirm the creation and perfection of the security interest in and Lien created on the Transferred Intellectual Property Collateral consisting of United States Trademarks and United States Patents) as the Administrative Agent may deem necessary or appropriate in order to confirm, create, preserve, protect and perfect the security interest and Lien granted by such Pledgor to the Administrative Agent pursuant to the Security Agreement.

d. MIP shall (i) contemporaneously with the execution and delivery of this Amendment deliver to the Administrative Agent on behalf of itself and the other Secured Parties a written opinion of counsel in form and substance reasonably satisfactory to the Administrative Agent with respect to the creation and perfection of the security interest in the Transferred Intellectual Property Collateral and with respect to the filings with the United States Patent and Trademark Office, (ii) within 10 days of the execution and delivery of this Amendment, use commercially reasonable efforts to obtain from a Michigan law firm reasonably acceptable to each of the Administrative Agent and the Borrower a written opinion of counsel in form and substance reasonably acceptable to the Administrative Agent relating to the continued validity and perfection of the security interest and lien granted to the Administrative Agent (for its benefit and for the benefit of the Secured Parties) pursuant to the Original Security Agreement on the Transferred Intellectual Property Collateral, provided that (A) nothing in this clause (ii) will require the Pledgors to request more than one law firm reasonably acceptable to the Borrower and the Administrative Agent to deliver such opinion; it being understood that in the event such law firm fails to provide such opinion, the Borrower agrees to engage at its sole cost and expense a law firm reasonably acceptable to the Administrative Agent and the Borrower and suggested by the Administrative Agent to provide such opinion and (B) notwithstanding anything in clause (A) above, the Pledgors shall not be obligated to pay in excess of \$12,500 in the aggregate to obtain such opinion and (iii) undertake any action or filing, recording or registration that is necessary or appropriate in the reasonable opinion of the Administrative Agent, in order to protect, confirm, create, preserve, protect and perfect such security interest and lien, and each other Pledgor hereby covenants and agrees to take or cause to be taken or file, record or register or cause to be filed, recorded or registered such actions, recordings, filings or registrations in order to protect, confirm, create, preserve, protect and perfect such security interest and lien.

### 3. Miscellaneous.

a. This Amendment shall not constitute a consent to or waiver or modification of any provision, term or condition of the Security Agreement except as expressly provided herein.

b. All terms, provisions, covenants, representations, warranties, agreements and conditions contained in the Security Agreement shall remain in full force and effect except as expressly provided herein.

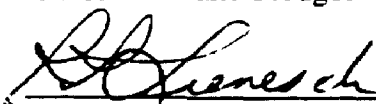

c. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

d. THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICT OF LAWS.

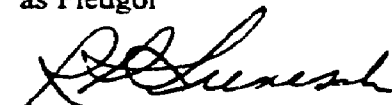

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed as of the date first above written.
