The certificate of registration contains information concerning one particular business enterprise registered in the Register of Business Enterprises, identified by its organization number.

The information contained in the certificate will only pertain to matters registered in the Register of Business Enterprises as of the date of the printer.

Matters for which notification is required and for which notification has not been given, and which are contrary to what has been registered, cannot be brought to bear against a third party, unless said third party was aware of or should have been aware of the matters, cf. the Norwegian Business Enterprise Registration Act § 10-1.

Any person has the right of access to the information registered in the Register of Business Enterprises. This does not apply to (Norwegian) personal identity numbers.

We would like to draw your attention to the fact that as of 1998-07-10, the format and paper quality of the certificate of registration have been changed.
