**ASSIGNMENT  
OF  
PATENTS, TRADEMARKS AND COPYRIGHTS**

This Assignment of Patents, Trademarks and Copyrights (this "Assignment") is made and entered into as of April 3, 2003, by CALDER RACE COURSE, INC., a corporation organized under the laws of the State of Florida ("Assignor"), in favor of BANK ONE, KENTUCKY, NA, as Collateral Agent (as defined in the Agreement defined below), a national banking association having its principal office in Louisville, Kentucky ("Assignee").

WHEREAS the Assignor has an interest in the trademarks/service marks as listed on Schedule A, including all rights under any applications for the same at the United States Patent and Trademark Office or any corresponding foreign trademark/service mark registrant and all registrations and recordings of the same at the United States Patent and Trademark Office or any corresponding foreign trademark/service mark registrant and all renewals thereof (the "Trademarks").

WHEREAS, Assignor and Assignee have entered into a Pledge and Security Agreement dated as of April 3, 2003, (the "Agreement"), whereby Assignor granted to Assignee a security interest in the Trademarks (other than United States "intent to use" applications until a verified statement of use or amendment to allege use is filed in the United States Patent and Trademark Office with respect to such applications), and in all other now owned or existing or hereafter acquired or arising trade/service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof and all applications in connection therewith, and renewals thereof and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing and all rights corresponding to any of the foregoing throughout the world and the goodwill of Assignor's business connected with the use of and symbolized by the foregoing (collectively, the "Trademark Rights").

WHEREAS, by this Assignment, Assignor desires to fulfill its obligations under the Agreement to record its grant to Assignee of a security interest in the Trademarks and Trademark Rights, which security interest is intended to secure Assignor's obligations to Assignee under the Agreement.

**AGREEMENT**

Therefore, in fulfillment of Assignor's obligations under the Agreement and related agreements, Assignor agrees as follows:

1. Assignor hereby collaterally assigns as security to Assignee, and confirms its grant to Assignee, of a security interest in all of Assignor's right, title and interest in and to the

Trademarks and Trademark Rights pursuant to and subject to the terms of the Agreement as security for the Obligations Secured as defined and provided in the Agreement.

2. Until the occurrence and during the continuance of a Default (as defined and referenced in the Agreement), Assignor shall have all right to possession and use of the Trademarks and Trademark Rights.

3. Upon the occurrence and during the continuance of a Default, Assignee shall have the right, but not the obligation, to claim all rights of Assignor to the Trademarks and Trademark Rights, and all goodwill associated therewith and shall, in addition, have all rights and remedies available to Assignee under the Agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the undersigned, a duly authorized representative of each of the Assignor and the Assignee, has executed this Assignment on the dates set forth below.
